Receipts for 'Wesleyan.

NOTICE.

To the Ministers as Agents of the "Wesleyan":—

In August last we sent out from this Office to all our ministers who act as Agents for the "Wesleyan," lists of subscribers on their respective circuits. If any have failed to receive such list, please communicate with the Publisher.

By referring to those lists it will be seen that a large number of our subscribers have not yet paid the subscription for 1883, and some, we regret to say, are still in arrears for 1882.

In the revision of our lists at the beginning of the New Year, we shall be compelled to strike off the names of all subscribers who are more than one year in arrears, or THOSE WHO HAVE NOT PAID TWO DOLLARS WITHIN TWELVE MONTHS.

We are sorry to lose a single subscriber, but if our brethren will only help us, we need lose but very few.

We therefore strongly but respectfully urge upon all our Ministers the duty of at once attending to the collection of all unpaid subscriptions.

We are endeavoring to make arrangements for the wider circulation of the Wesleyan, but in order to complete such arrangements we must collect from all who are in arrears.

To our Subscribers:

Please read the above notice to our Ministers, and if you have not paid your subscription within twelve months, do not wait to be called upon, but immediately pay over to the Minister on your Circuit, or send it direct to this office.

S. F. HUESTIS,
Book Steward.

Oct. 16th, 1883.

BAD DRAINAGE.—There is nothing more productive of disease in a neighborhood than bad drainage. Open the culverts and sluiceways and purify the locality. The obstructions in the human system may be remedied in a similar manner by Burdock Blood Bitters, which opens all the outlets of disease through the Bowels, Liver, and Kidneys.

HALL'S

HAIR RENEWER

was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty. It has had many imitators, but none have so fully met all the requirements needful for the proper treatment of the hair and scalp. HALL'S HAIR RENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unparalleled success can be attributed to but one cause: *the entire fulfilment of its promises.*

The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for its introduction.

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dryness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.

BUCKINGHAM'S DYE

FOR THE

WHISKERS

Will change the beard to a natural brown, or black, as desired. It produces a permanent color that will not wash away. Consisting of a single preparation, it is applied without trouble.

The success attending this company during the past 15 years, in which its operations have been almost exclusively confined to the Province of Ontario, has induced the Directors to extend its operations to the Maritime Provinces. Its Motto is

The large st amount of assurance for the least possible outlay.

SPECIAL FEATURE: The Policy-holders get all the profits; in mixed Companies they ONLY PARTICIPATE.

In a letter to a member of the Ontario, the late Hon. D. McDougall said: "THE MUTUAL is the TRUE PRINCIPLE for LIFE ASSURANCE. Stockholders are of no more use than barnacles to a ship. Were Life Assurance understood by people generally STOCK Companies would be avoided.

Example: By permission. No. 1611. Rev. W. Williams, Ex-President London Conference. 20 year endowment for $2000. First Premium $90 08. Eighth premium $44 92 thus fully showing how rapidly Premiums are reduced by participation in surplus.

"A. L. O. E. (Miss C. M. Tucker) may be termed a writer of sanctified fiction. There have been many of these, yet, judging by the hold her stories have had upon the youthful mind, she has been queen of them all. Gifted with the genius and possessed of the arts of the popular novelist, she knew how to catch attention and hold it. Her productions were characterized by ingenuity of plot and happiness of diction. But she was not content with endeavor simply to entertain. The spiritual profit of the reader was the prime purpose, and all else was bent to that end. Her work shows that she acutely comprehended child nature. Some writers tell a story with no inherent instruction, and append a moral. The child reads the story, skips the moral, and is nothing profited. Miss Tucker interweaves the two so that they cannot be separated. Every turn in her narratives illustrates some important truth or enforces some valuable lesson."—*Daily Witness.*
