PLETHORA OF WHEELMEN.

NEXT WEEK THEY'LL ALL BE AT CHICAGO.

Great Races Promised for the World's Fair—Opening of the Ontario Lawn Tennis Tournament—Racing Results and Probable Starters on Eastern Race Tracks.

Wheelmen from all parts of the world are now on their way to Chicago to compete in the international race meet to be held in the World's Fair city next week. Already "Charlie", Murphy, George C. Smith, William F. Murphy and Hoyland Smith of the New York Athletic Club; George Banker of Pittsburg, E. A. Nelson and E. A. McDuffie of Springfield and several other Eastern cracks are practising within a few miles of Chicago, while Lumsden, Bliss, Rhodes and other western champions are doing preparatory work daily on the track on the Chicago baseball grounds. Johnson is at Toledo receiving a special preparation for the shorter distance events. Champion Arthur Zimmerman will start for Chicago on Wednesday, while Tyler and Windle, who have been pedaling around the Springfield track close to record time, departed for the west yesterday.

Sanger leaves to day Meinzinens, the best South African, who recently smashed the English long distance records, will be in America this week, as will Stocks and Watson, the English racing men. F. J. Osmond, the champion of England, now in Chicago, is reported to be in grand shape and riding better than ever before. The star event of the meet will be the meeting between Champion Arthur A. Zimmerman and Walter G. Sanger of Milwaukee. The Mansquan wonder is in superb condition, and is sure that he will defeat the western crack. Sanger is equally sanguine of success.

Sporting Gossip.

The gross gate for the cricket match between England and Australia which ended in a draw on July 19 amounted to $7250.

Billy Hyslop will carry No. 1 through the L.A.W. races. The chairman writes that he is pleased to extend this courtesy to the Canadian entry.

Richard K. Fox writes: "Jake Gaudaur has challenged Stansbury of Australia to row three miles with a turn for $2500 a side, but he has failed to send $500, the amount the Australian has deposited with me to row Gaudaur. The latter should post his money first and issue a challenge afterwards." All of which the Orillian will receive in good faith.

Ooms, the Duch champion oarsman, will try to arrange a match with Hedley of Philadelphia, to be rowed on the Passaic at Newark. Ooms brought his shell with him from Holland, the same boat in which he beat all the crack amateur oarsmen of England in the Henley regatta for the diamond sculls and the championship of England.

A TALK WITH GLADSTONE.

HE DEFINES ENGLAND'S POLICY ON THE SIAMESE QUESTION.

France Must Look Out For China—There May Be a Big Fight—The G.O.M. Speaks Highly of Canada and Makes Special Mention of Toronto.

A special correspondent, in a letter dated July 20, says: "I was in the House of Commons last night and had the pleasure of a personal interview with Mr. Gladstone. The Home Rule bill was on, and, after speaking to the question, the G.O.M. beckoned me into the lobby. Politely asking about my health, he said: 'There is likely to be very serious trouble regarding Siam. France is certainly trying to gobble her up, and, unless Siam receives aid

From China,

will assuredly succeed. It is not any of our funeral, so England at present will simply look on, unless, mark you, France should try to act the hog. He is a clever man who can mind his own business exclusively. I grant you Siam has always been a connecting link, ever since the world's famous Siamese twins, whom, though they might have been halved, it was found impossible to disconnect.' He was evidently in a jocose mood. 'I am glad to hear such favorable reports from Canada,' he continued, 'and am also pleased to know that the Toronto Sunday car question and the

Siamese Trouble

will be settled about the same time. Toronto must be a very flourishing city with very advanced views.' He smiled benevolently on me and shaking hands said: 'By the way I see guinane bros. of two-fourteen yonge-street, toronto, are selling men's English cordovan lace walking shoes for one dollar a pair and ladies' canvas walking shoes for seventy-five cents. Yes, we must cultivate trade with Canada, as it would certainly be to our advantage.' Here he shook my hand so violently that I thought he would dislocate my shoulder, but on raising my eyes I saw the Sergeant-at-arms standing over me, who informed me that the debate had closed at 2 a.m. and that it was now time to adjourn."
