YORK COUNTY AND SUBURBS

Annual Fall Fair of the York Township and Weston Agricultural Society a Success.

FAIR WEATHER, LARGE ATTENDANCE

Never Was Shown a Better Exhibit of Horses—Competition Keen in Many Departments.

Weston, Sept. 27.—The annual Fall Fair of the York Township and Weston Agricultural Society was held to-day under the most favorable circumstances in point of weather and attendance. The poultry exhibit was not quite so large as in former years, yet there was nevertheless keen competition, and some very fine birds were shown. In fine arts and ladies' work there was, as usual, a good display, and in floriculture the exhibits were never better. Mr. Wilby, who carried off prizes at the Toronto Exhibition, won honors by showing a large collection of annuals, which were very gay for this season of the year. The fruit and vegetables were only mediocre. There were few entries in apples, plums, grapes, etc., and none of these were shown in quantities. A few good citrons and marrows were shown, but the gigantic squash was not there this year.

In horses there never was a better exhibit nor keener competition. The animals certainly were very fine, especially the colts, yearlings and two-year-olds. The first-prize winners were: Agricultural horse, 2-years, N. Matthews, Meadowvale; roadster, filly or gelding, T. Griffith, Weston; roadster, 2-year, W. Holly, Weston. Agricultural filly, under 1 year, J. Patterson, Burnhamthorpe; thorobred stallion, J. Bret's "Muscovite"; roadster colt, A. Shaw, Thistletown; heavy draught team in harness, John Gardhouse, Highfield; agricultural team in harness, Thomas Stobbart, Highfield; hackney, Mrs. Fraser, Toronto Junction; gentleman's turnout, G. Gable.

The track was in excellent condition, and the 2.50 trot was keenly contested. B. Haystead, Woodbridge; Tom Blea, Humber Bay; E. Smith, Emory, and T. Elwood, Toronto, were the judges. The horses came in in the following order:

Bell Freemore	4	3	1	1
Corella	3	1	3	2
Maggie May	1	4	4	3
Lady Elgin	2	2	2	dr.

Best time 2.49¾.

Farmers' trot:

Nellie Sharp	1	1	1
Lady Smith	2	2	2
Victoria	3	3	3
John A.	4	4	4

Interested spectators of the afternoon's proceedings were: A. Campbell, W. J. Hill, M.L.A.; J. W. St. John, T. F. Wallace, Dr. Bull, R. C. Jennings, Mr. Morphy, Mr. Wanless, W. A. Clarke, clerk of York; Mr. Macpherson, clerk of Etobicoke; Reeve Carr, Councillors Sylvester and Goulding, and others.

MARKHAM.

The Sherlock Male Quartet of Toronto will give a concert in the Town Hall on the evening of Oct. 3, under the auspices of the Markham Citizens' Band. The name of the Sherlock Quartet is a guarantee of first-class music, and the object a most worthy one.

Organizer William Bradley of the Ancient Order of United Workmen has spent a week with the brethren here. The result is a number of initiations and the introduction of new zeal and enthusiasm into the order.

The meeting called for the organization of a Ratepayers' Association on Monday evening resulted in the foundation of a society, with the following officers: President, H. B. Reesor; vice-president, Dr. Robinson; treasurer, R. A. Mason; secretary, Moses White, with five of a committee, as follows: T. H. Speight, F. A. Reesor, C. Beierl, E. H. Crosby and W. J. Totten. A constitution will be drafted and another meeting held next Monday. A cordial invitation is extended to all to join this association.

The death of Mrs. Jennie Doherty, relict of the late Dr. Doherty, which took place on Monday last, came as a great shock to her many friends. The deceased lady was in her 77th year. She was the eldest daughter of the late Chauncey Crosby, and had lived in Markham during the whole of her life, having been born on the farm now occupied by Capt. Rolph. H. P. Crosby, ex-M.L.A., of Unionville, and T. G. and H. A. Crosby of Uxbridge are brothers of deceased, and, together with Mrs. James Speight of Markham, are the only surviving members of the family. The remains were interred in St. Andrew's Cemetery, the Rev. Mr. Walker of Unionville officiating.

UNIONVILLE

Messrs. George Gormley, Robert Ash, Alex. Pingle, Richard Ash and Moses Hemingway attended the North York Fair. Mr. Robert Ash was again successful in winning first prize with his carriage horse.

Miss Flora Patterson has returned to the city after a brief visit among her many friends in and around the village.

Harvest thanksgiving services will be held in St. Philip's Church, Unionville, on Sunday, Sept. 29, morning and evening. The Rev. J. H. McCollum, rector of St. Thomas' Church, Toronto, will conduct the services, delivering sermons at each.

Mr. John J. Monds, B.A., a senior theological student of Knox College, will occupy St. Andrew's and Cedar Grove pulpits next Sunday.

THORNHILL.

The annual harvest thanksgiving service at St. Mary's Church was held on Wednesday evening. The sacred edifice had been prettily but not profusely decorated with fruit and flowers. There was a large congregation, and the choir of St. Clement's Church, Eglinton, under the leadership of Mr. F. Boulden, assisted in the musical part of the service. The harvest anthem, "Ye Shall Dwell in the Land," was sung, Master Robbie Boulden taking the soprano solo. The preacher was the Rev. Canon McNab of St. Alban's Cathedral, who delivered an address on "The Duties of Thanksgiving." The rector, the Rev. Mr. Gibson, assisted at the service.

NORTH TORONTO.

Mr. J. M. Anderson has purchased from Messrs. Scott Bros., Caledonia, the standard bred mare, Miss Eva, and a Bryson family. Mr. E. Brown of Bedford Park also purchased from the same firm a Diplomat roadster.

Mr. and Mrs. Shaver, Mr. and Mrs A. Peterman, Mr. R. Ferguson and lady, and Miss Walinsley returned to Davisville Thursday evening, after a very pleasant trip to the Pan-American.

Commissioner Hopkings, who had a relapse on Tuesday evening, is better again, and his recovery is confidently looked for.

Miss Hutty of Deer Park commenced her duties at the Davisville school yesterday.

Councillor Armstrong presided at the Works Committee meeting Thursday evening. Councillors Brownlow and Spittal were also present, the Mayor being unavoidably absent.

The Clerk reported a number of water-takers in arrears, and it was decided to give the defaulters notice that the water would be cut off. The Clerk also reported a number of new water mains lately put in on Sherwood-avenue and other thoroughfares. Chairman Armstrong and Councillor Spittal were instructed to report re the water rate of Mr. A. Bryce, at the Hygienic Dairy.

The question of the insurance of the pumping station and the waterworks building on Kensington-avenue was discussed, and it was decided to recommend the Council to insure the same. The Balliol sidewalk question was recommended on to the Council.

Sufficient members to form a quorum did not turn up at the Finance Committee meeting called for last evening, and Chairman Brown returned home without transacting business.

The Liberal-Conservative Club met last night in the club room, President Gibson being in the chair. Owing to the fact that the secretary, Mr. Walter Hopkings, is about temporarily to leave the town, a new secretary had to be chosen, and Mr. F. Boulden was elected in his place.

Harvest Thanksgiving services will be held to-morrow at Christ Church, Deer Park. The special preachers for the day are the Rev. Dr. Macklem, Provost of Trinity, and the Rev. M. Hare of St. George's Church, Toronto. The services will be of the usual festal character.

Rev. Canon Osler, who has been ill for some weeks, was not so well again last night, and some anxiety is felt on his account, as he is so advanced in years, being in his 87th year.

Rev. Dr. Langtry, Rural Dean, will preach to-morrow evening at St. Clement's Church, Eglinton.

YORK COUNTY NEWS.

Hon. N. Clarke Wallace, M.P., was somewhat better yesterday, but is still very ill.

Mr. James Hard of Weston grew a parsnip, the root of which measured four feet.

John Gardhouse of Highfield shipped two shorthorn cattle to Texas on Thursday.

King Township plowing match will be held on Nov. 1 in the vicinity of Schomberg.

Burglars visited the Queen's Hotel at Kleinburg station and stole a lot of tobacco.

The Methodist Church at Lambton Mills held their harvest home thanksgiving on Tuesday. The talent consisted of Miss M. A. Petit, Cooksville; Miss Simpson, Islington; Miss Muriel Jarrot, and the Annette-street Methodist Church choir, Toronto Junction.

A PICKERING FARM.

The farm advertised in this issue for sale or to rent by B. R. Decker of Whitby is one of the most desirable properties in Pickering Township. For a market gardener it is a prize. To a capitalist its possibilities, gas having been found on it, are extensive.

THE CURE OF DEAFNESS

An interesting extract from an English medical review, The Journal for the Deaf, having been published last week in this paper concerning the discovery of a cure for Deafness, a number of readers have written to us on the subject asking for additional information. We would remind them that they can write direct to the English Drouet Institute, 72 Regent's Park-road, London, England. The Secretary will send them a copy of the Journal for the Deaf, in which the Drouet treatment is described in full detail, together with a pathological report form, which will help them to state their cases with great exactitude, and thus enable the Institute to prescribe the treatment needful for their cure.

CAR SERVICE TO THE BEACH

Residents of Balmy Beach Desire Present Service Maintained All Year Round.

PETITION IS BEING CIRCULATED

Present Service Would Be a Boon to Eastern Community in General.

The residents of Balmy Beach and vicinity are unanimous in their desire that the present street railway service be carried out thruout the winter months. Among those who have signed the petition against reducing the service are: Charles B. Watts, Charles T. Lyon, J. A. Carveth, J. McP. Ross, E. W. Miller, Harry Hughes, W. J. Trimble, C. W. Readman, Fred Lyonde, E. Restall, George T. Gorrie, A. McLean Howard, jr., P. J. Boothe, J. D. Brown, F. Philpott, James Boothe, I. Barnett, P. T. Robarts, W. W. Moore, F. W. Robarts, N. A. Bradshaw, G. Reid, C. W. Pewis, Mrs. Hedge, M. J. Kelly, T. Kelly, M. Lee, J. H. Trimble, Albert Oakley, William G. Lyon, A. Bollard, J. P. Oakley, H. Kennedy, Capt. W. Cairns, S. Graham, George Oakley and Mr. Deeks.

The petition has only been in circulation a few days, and the list is growing rapidly. It will be presented to the Street Railway Company to-day.

Residents Rapidly Increasing.

At present there are over 45 families who reside permanently at the Beach, and this number is being constantly added to. The residents think that it is in the interests of the company to build up the suburban districts, and by providing a good car service a move is made in this direction.

Mr. E. W. Miller, when spoken to by The World, said he had signed the petition, and thought the Street Railway Company could easily give the residents the desired service and make it pay them at the same time.

Mr. F. Lyonde thought that, with the present population of the Beach, the full time table could be easily continued with advantage to the company.

An Important Suburb.

Mr. J. McP. Ross said that the present service should be given the residents thruout the winter. The Beach is one of Toronto's most important suburban districts, and with a good street car service it would continue to increase in population, and be a source of revenue to the company.

Mr. W. W. Moore stated that the full car service would prove a great advantage to the residents and community at large. It would also, he thought, be to the advantage of the railway company to run the full service.

Mr. P.T. Robarts thought that the scheme to run a full car service was a good one, and he would give it his hearty support.

T. S. Lobb thinks that the present time table should be maintained, and that it would prove a great boon to the residents along Queen-street east of the Woodbine.

WEST END PARAGRAPHS.

Occidentals Resent Dr. Noble's Stigma at Committee.

The Toronto Congregational Association Executive has arranged for the next quarterly meeting to be held in the Parkdale Congregational Church on Oct. 8.

Dr. John Noble's declarations regarding the West End in connection with the royal visit have created some stir. Parkdale residents were quite warm in resenting the reflections that he cast upon the occidental part of the city at the Reception Committee. meeting.

The Parkdale Congregational Sunday School anniversary has been fixed for Sunday, Oct. 6.

The West End decorating for the royal visit has already commenced. A magnificent design of colored canopies, including handsome pictures of the Duke and Duchess of York, with a state dais in the centre, is displayed by an enterprising, loyal merchant.

John J. McIvor of Parkdale has just returned from a business trip to Europe.

The supply of dwellings for rent is much below the demand, and some rather tempting offers of high rents have been made this week to proprietors, who have new residences for sale. Intending residents as a rule find that it is necessary to purchase a dwelling, but this difficulty is somewhat minimized by most of the new dwellings being for sale on easy terms of payment.

The annual thanksgiving service at the Church of the Epiphany was held last night, when an earnest and appropriate sermon was preached by Rev. H. J. Cody, rector of St. Paul's. The church was very prettily decorated with flowers, fruits and grains, and the service was rendered bright and hearty by special music, suitable to the occasion. The services will be continued to-morrow.

Labor and Politics.

Owing to a telegram calling Chris Foley, the British Columbia labor leader, to Ottawa, respecting the employment of alien labor at Rossland, Mr. Foley was compelled to disappoint the audience of about 200 who assembled to hear him speak at Occident Hall last night. In his absence a stirring address upon the taxation of land values was given by Rev. S. S. Craig. The meeting was under the auspices of Occident Lodge of the Canadian Order of Foresters. W. D. Earngey presided.

Mr. Kelly, president of the Toronto Socialist League, said that labor should not be wedded to political partyism, if progress was desired. He attributed the happy condition of labor in New Zealand to the dissemination and study of sociological literature by the wage-earners of that country. G. Weston Wrigley briefly endorsed the views of the other speakers.

An effort will be made to secure Mr. Foley's attendance at the next monthly meeting of Occident Lodge.

It Saves From Disease and Death.

Mr. Charles Comeau
of Neguac, New Brunswick, Says:

"I AM NOW CURED, THANKS TO Paine's Celery Compound"

Dyspepsia and Liver Trouble Forever Banished.

The Wells Richardson Co., Limited:

Dear Sirs,—I can conscientiously recommend Paine's Celery Compound to all who may be suffering from dyspepsia and liver trouble. For years, while living in Black Brook, I suffered from a complication of troubles, and was so bad with dyspepsia that I could not touch a morsel of food. I found it difficult to sleep, and what little I did get was often broken with horrid dreams. Intense sufferings from liver complaint added to my load of agony; I also had dizziness, pains in the back, and was pale, haggard and despondent.

I kept doctoring and dosing without deriving the slightest benefit, and finally gave up all hope of getting well. One day my daughter, who had read of a wonderful cure by Paine's Celery Compound, begged me to try one bottle of the medicine. I told her it was no use to throw away money, but she pleaded so hard, that, to please her, I bought a bottle, and, before it was used up, I felt better. Encouraged so much, I continued with the medicine and improved every day.

I am now cured, thanks to Paine's Celery Compound. You cannot wonder that I consider Paine's Celery Compound the greatest medical discovery in the world. I urge all who are suffering to try this grand medicine, and test its virtues.

Yours truly,
CHAS. COMEAU.

DINEENS'

NOVEL STYLES

When you get a Caperine it's a good idea to have something that has an individual style about it. That's our strong point—we procure direct from New York, London and Paris all the very newest ideas, and our artist workmen are particular in following these ideas. We manufacture every garment on the premises from selected furs.

This is an invitation for you to call and look through our show-rooms. Open until 10 o'clock to-night. Write for style book.

A BREAD TALK...

A great deal can be said on the bread question.

A great deal has been said relative to the merits of the respective kinds made by different firms.

A great deal has been said about bread which was true and perhaps not true.

There is no doubt that bread made of the purest Manitoba wheat, under the expert conditions and modern methods existent at the Model Bakery, is the finest that can be made.

PURITY and QUALITY

are the two evidences of superiority which we strive for and obtain.

SHOOTING BOERS IS WARM WORK.

This Soldier Got in a Tight Corner and Killed His Man.

The soldier's lot in South Africa seems to be traditionally rough, if one may judge from the following extracts from a letter just received by Mr. Alf. Govette of Gibson's Davenport Hotel from Corp. F. Downes of the S.A.C., dated Springs, Transvaal, Aug. 21. The writer begins with the voyage out, as follows:

Talk about a rough house, when the ship started rolling it was a corker. I woke up one night when some sucker cut the hammock down and had tied five or six bottles to my toes. This was a common occurrence for two or three days, then the men commenced to get sick, and before we arrived in Cape Town we buried five and 22 were sick. I never was so tired of a trip in my life. After we got off the boat we were loaded on open coal cars like a lot of sheep. Talk about Canada; why it is a heaven to this. However, we went up country 1400 miles in the same cars night and day.

Baths Were Luxuries.

For over a week, rain or shine, we never even had a wash. When we arrived at our headquarters, a place called Heidelberg, our drilling started. This kept up for about one month, then we started for the front, where we have been ever since.

Two weeks ago to-day, we had a very lively time for about three hours. About 8 o'clock at night our dog started barking. Of course that alarmed the camp. I went out to see what was the matter, but I soon got in again when the bullets commenced to sing. Just as soon as I got in the trench the fun started; about 20 or 30 made a rush for us, but they soon went back.

I got one, he rolled over and I shot him again to make sure. However, this thing kept up for about three hours, when we got help, then they retreated. None of our men were very badly hurt. This is a very common thing now. We have lost about five men altogether, and quite a lot are in the hospital, so you can judge for yourself what kind of time we are having. I have just got a message that a column is starting from Springs; that means more burning and killing.

Burn Everything in Sight.

They burn everything in their way. I never saw so many dead horses, cattle and sheep—thousands of them. Everything smells rotten from their decaying. The country is all shot to pieces, and the Lord knows what it will be like before the war is over. As for myself, I am feeling well at present. The fever season is on now, so we have to be very careful. All the water has to be boiled before we can drink it. I often wish that I had a big lager. All we can get is a little rum, which is issued to us twice a week.

There is lots of money here, but you can't spend it. I am making about $65 a month, board and clothes. That is not so bad, especially when a fellow can't spend any. If I get thru I expect to have about $2000 in three years, which is better than I can do in Canada. Please excuse this paper, but it is the best I can get. I took it from a Boer house that I burned last week.

SCHLEY INQUIRY.

Washington, Sept. 27.—In the Schley court of inquiry to-day a letter was presented from Rear-Admiral Sampson, asking to be allowed to be represented in the court by counsel, but the court refused to grant the request on the ground that "the court does not at this time regard you as a party to the case."

The principal witnesses of the day were Lieut. John Hood, who commanded the despatch boat Hawk, during the Spanish war; and Capt. Bowman H. McCalla, who was in command of the Marblehead. The testimony of both of these officers dealt with the delivery of despatches from Admiral Sampson to Commodore Schley, and both related to conversations with the latter.

Capt. McCalla gave in detail his part in arranging a code of signals with the Cuban insurgents, and his communications with them near Cienfuegos on May 24, 1898, when it was learned definitely that Cervera's fleet was not in the harbor there. He said that Capt. Chadwick, who was Admiral Sampson's chief of staff, was the only person at Key West to whom he had communicated the signal code.

Capt. McCalla expressed the opinion that coaling was feasible at Santiago at the time Schley began his retrograde movement.

POLITICAL POINTERS.

Hon. J. R. Stratton and Hon. F. R. Latchford will address the Liberal convention at Newington- Stormont County, on Oct. 15.

The Ontario cabinet Ministers addressed forty meetings since June, exclusive of the New Ontario meetings, which will bring the total up to about 50. There will be two or three conventions in the next couple of weeks, at which cabinet Ministers will be present, and then there will be "nothing doing" in political circles until after the Duke's visit. If the campaign of education was not preliminary to the inevitable announcement of an election, it at least stirred up the workers to look after the revision of the voters' lists.

Pan-American.

The Big Carnival Week, commencing Monday, Sept. 30—every day during the week there will be the usual attractions, but Oct. 3 and 4 will be the red letter days. Oct. 3 will be Toronto Day and the Floral Parade Day. The greatest display of flowers ever seen. Oct. 5, Mardi Gras Carnival, day and night. Make a note of these dates. Everything in full swing the entire week, with the 3rd and 5th to excel all. Don't miss it, only about four weeks to see the greatest exhibition of modern times.

C. Arthur Pearson, well-known publisher of London, Eng., after visiting the Pan-American Exposition, said: "The lighting effects at night are simply marvelous. I never saw anything like them, which is hardly to be wondered at, as there has never been anything like them to be seen."

Daily excursions are now run by the Grand Trunk Railway System. See advertisement on page 5 of this paper.

Medals Being Distributed.

The Exhibition officials have been engaged for a week past in distributing medals, and have a lot yet to be awarded in the city. Each year a new die is struck for one side of the medals, while the other remains unchanged. This year the obverse side shows King Edward in full robes of office, holding the sceptre. The inscription on the outer edge reads: "In commemoration of the accession of Edward VII., 1901." The reverse presents the embossed arms of the association.

Three Telephone Lines Kept Busy

Answering City Dairy calls. If this is not conclusive proof of the increasing business of this company—what can be? Our Order Department has executed as high as three hundred telephone orders in one day. Hundreds of new customers are being added every week to our list, but we still have a capacity to supply many more. Be one of the patrons of the largest and most complete Dairy in the world.

A Sterling Chair

Solid Oak, Mahogany Finished, and $2.25

We have received 250 of these beautiful chairs from a manufacturer who had made up more than his orders called for, and who gave them to us at a lump price rather than handle them in smaller lots at the regular price. They were made to retail at $4.50. On Monday we have arranged for their quick sale as follows:

250 Arm Chairs, in solid oak, golden finished and birch mahogany finished, square shaped post legs, fancy turned spindles, highly polished, very suitable for ladies' reception or desk chair, odd sitting-room or bedroom chair, upholstered in fancy figured velvet-finished velours, large assortment of patterns and colorings, with brass bead trimmings, regular price $4.50, on sale Monday . . . 2.25

(See display in Yonge St. Window.)

Store Opens at 8 a.m. Closes at 6 p.m.
