VESPERS BEAT ARGONAUTS CLOSE OF N.A.A.O. REGATTA

Smith and Obernesser Did Not Start in Sculling Events—Greer Won Singles.

St. Louis, Mo., July 30.—Frank B. Greer of the East Boston A.A.B.C., who so decisively defeated Constance S. Titus in the championship single-sculls last year, to-day successfully defended his title of national champion against Titus and the best single-scullers of the United States on Creve Coeur Lake.

There was also great interest in the final race, that for senior eight-oar shells. The Vesper crew of Philadelphia defeated the Argonaut crew of Toronto, Ont., by about 3 lengths. No official time was announced for the Vesper crew. Rowing experts, however, are of the opinion that the record was nearly, if not quite, equaled, as the Argonauts were contenders until the last eighth.

The final heat of the intermediate single-sculls furnished two game struggles. One was between Sheppard and Lloyd for first place, but that between James A. Ten Eyck, Jr., of the Worcester (Mass.) Boat Club and E. J. Hess of St. Louis for third place was equally exciting and aroused even greater enthusiasm. Ten Eyck by a magnificent spurt shoved the prow of his shell across the line a few feet in front of Hess. Summary:

Final heat, intermediate single-sculls—Fred Sheppard, Ravenswood Boat Club, Long Island, 1; George H. Lloyd, Arlington Boat Club, 2; Ernest J. Hess, Century Boat Club, St. Louis, 3. Time 10.30.

Ten Eyck's race on the run for the stretch was miserable. He was distanced by Sheppard and Lloyd, the former finishing with a terrific spurt. Hess of the Centurys just did manage to beat the Worcester boy.

Intermediate double-sculls—Ravenswood Boat Club, L. I. (John Hoben bow, Joseph McLaughlin stroke), 1; Pensacola Flat Boat Club (William McGowan bow and William A. Garret stroke), 2; St. Louis Rowing Club (Louis Joachill bow and Joseph Dilge str.), 3. Time 10.05 1-5.

International four-oared shells—South Side Boat Club, Quincy, Ill. (George A. Zimmerman bow, Charles Honer, George Duesdreker, Charles Bisser stroke), 1; Mound City Rowing Club, St. Louis (Fred Sueirge bow, Martin Fromanack, Charles Allan, Michael Regle stroke), 2; Central Rowing Club, St. Louis (Ernest Real bow, H. Petschouck, William Roth, A. Tebean stroke), 3. Time 9.49 1-5.

Final heat, association single-sculls—Dable B. Duffield, Detroit Boat Club, 1; Frank Vesely, First Bohemian Boat Club, New York, 2; Fred Tussel, Harlem Rowing Club, New York, 3. Time 10.08 4-5.

Senior international four-oared shells—Century Boat Club, St. Louis (Arthur M. Stockwell bow, August C. Erker, George Dietz, Albert F. Nasse stroke), 1; Western Rowing Club, St. Louis (G. Voerg bow, J. Frietag, I. Heim, F. Dummerth stroke), 2. Time not given.

Senior double-sculls—Atalanta Boat Club, New York City (J. F. Mulcahy bow, W. W. Varley stroke), 1; Ravenswood Boat Club, Long Island (John Hoben bow, James McLaughlin stroke), 2; Independent Rowing Club, New Orleans (John Wells bow, Joseph Haveurek stroke), 3. Time 10.03 1-5.

Championship senior single-sculls—Frank B. Greer, East Boston A.A.B.C., 1; James B. Juvenal, Pennsylvania Barge Club, 2; Constance S. Titus, Atalanta Boat Club, New York, 3. Time 10.08 3-5.

Senior eight-oared shells—Vesper Boat Club, Philadelphia (Fred Cresser bow, M. Gleason, F. Schell, J. Flanigan, C. Armstrong, H. Lott, Joe Dempsey, John O. Exley stroke, L. C. Abell coxswain), 1; Argonaut Rowing Club of Toronto, Can. (P. Bailey, bow, C. W. Rice, E. P. Reiffenstein, P. E. Boyd, Geo. Stange, W. R. Wadsworth, D. R. Mackenzie, Jos. Wright, stroke, T. Loudon, cox.

Mile and a half straight away. Both crews got off at the crack of the pistol, and raced bow to bow, stern to stern, until one-eighth of a mile of finish, when the Vespers forged ahead. Philadelphia increased their lead to three lengths, which they maintained to the finish line, despite heroic efforts of Canadians. The pace was terrific, and it is to be regretted that no time was taken, as the record was undoubtedly broken. C. W. Rice, No. 2 in Argos' crew, dropped in a dead faint from excitement and exhaustion, as the Canadian shell finished. George Strange, No. 5 of Toronto crew, was all out at finish and had to be supported in his seat by his crew mates. Frank B. Greer, American amateur sculler, retained his title by beating Juvenal, Titus and Duffield.

Our St. Louis correspondent was asked for the story of the race of Messrs. Frank Smith and Walter Obernesser of the Toronto Rowing Club, his reply being a note that "Toronto had no starters in scull events."

Rowing Ripples.

Champion Lou Scholes will stroke the Toronto Rowing Club's junior eight next Friday and Saturday at St. Catharines. Capt. Smyth yesterday placed the diamond sculls winner in No. 8 seat, and the trial in the afternoon was satisfactory.

While getting into the boat, Mr. Scholes dropped a diamond scarf pin into 14 feet of water, and it looked as good as lost, but Mr. Demers(the Toronto Swimming Club's champion fancy diver, happened to be on the spot and brought up the precious stone on the third attempt, a remarkable feat, considering the depth and the weeds on the mud bottom.

The Argonauts' No. 1 senior eight, stroked by Ross Murphy and coached by R. K. Barker, are a powerful lot, and have the earmarks of a very fast junior crew, but port side is too strong for starboard, and too much rudder has to be used to keep the boat straight, which handicaps the crew considerably. The Dons have, unfortunately, decided not to start, as they were not satisfied with the practice showing of their crews.

The Argonauts' No. H. crew has only been together for a few days, but are a likely-looking lot and rapidly acquiring form and speed. Dixon is stroking them most acceptably.

In the junior fours, Ottawa looks strongest, with half the crew old heads of the past two years. Argos are light, but very smart, and should be well up, while little is known of Buffalo, Winnipeg or Rat Portage, any one of which crews might prove a handy winner.

Hamilton All Out for 36.

Hamilton, July 31.—The Sons of England Cricket Club defeated Hamilton here on Saturday afternoon by 128 runs to 36. Berry hit up 37 for the winners and Ellsbro, Skedden, Wheeler and Ward made 19, 16, 11 and 10 respectively. Morrison made 10 for Hamilton, C. W. Stevart took 7 wickets for 12 runs for the Sons and Ellsbro 2 for 5. Greening bowled best for Hamilton, getting 4 for 36.

Miss May Sutton Won.

Chicago, July 30.—Miss May Sutton of California won the final match in the women's singles at the western championship tennis tournament to-day, and is now the virtual western woman champion. Miss Mabel McAteer of Pittsburg, the winner last year, refused to defend her title. Miss Wimer, Miss Sutton's opponent, was able to get but three games in the two sets played, and the score was 6—2, 6—1.

Lacrosse Points.

The Invincible lacrosse team are requested to turn out for practice every night this week on the Don flats. The team are arranging a series of games with the I. C. B. U. lacrosse team.

TECUMSEHS TURN TABLES ST. KITTS BEATEN BY 8 TO 1

Hard Game Saturday at the Island, Tho Waghorne Kept Men Well in Check.

Wednesday at St. Catharines the home team defeated the Tecumsehs by a score of 3—2. Saturday at the Island the Tecumsehs squared matby taking the St. Kitts bunch into camp to the tune of 8—1. Such are the uncertainties of Canada's national game. Saturday's game was by no means an ideal one, being too one-sided to be even interesting. The checking thruout was sharp, and there seemed to be a strong inclination among the players to square old scores. Referee Waghorne had them well in hand at all stages of the game, however, and penalized the players of both teams with the utmost impartiality.

The visitors struck their gait at the sound of the whistle and began to make things interesting. They scored the first and their only goal after about 8 minutes' play, during which they had decidedly the better of the game. At the start of the next game they were also the aggressors, but Swayne put an end to the struggle, scoring the next game in 8 minutes. Henry did the trick again in 1 1-2 minutes and then the Athletics went up in the air and were never dangerous.

The second quarter was a repetition of the first. The Indians played rings around the boys from the Garden City, and when the whistle blew the score stood 6 to 1. Donaldson and Henry each notching up two games.

The home team took things easy in the third and fourth quarters, and the game began to lag. Kirkwood did the remainder of the scoring, taking one from a scrimmage in the third, and made a clean shot in the fourth.

Tecumsehs (8)—Goal, James; point, Hambly; cover, Shore; defence, Menary, Rountree, Lambe; centre, Kirkwood; home, Queerie, Menary, Swayne; outside, Donaldson; inside, Henry; captain, Gillespie.

St. Catharines (1)—Goal, Brown; point, Kerwin; cover, Cameron; defence, Elliott, Downey, Harris; centre, Cameron; home, Cornett, Park, Lowe; outside, Richardson; inside, Haggin; captain, John Cameron.

There was considerable roughing it thruout the game, and Wag put in the busiest afternoon of the season. The match had hardly started before Shore connected with Parke's eye, and he had to retire for the remainder of the game, Murray going off to even up. Querrie was on the fence twice in the first quarter, and Harris and Cameron were each given a rest. In the second, Rowntree, Henry and Downey were penalized. Donaldson body-checked D. Cameron in the goal post in the third period, and the Cornwall man got a bad gash on the head, which required several stitches. Downey cut Henry's eye, and Bert put the St. Catharines veteran to the grass with a strangle hold, and both were sent to decorate the fence, and they were followed by Elliott, who, in Wag's opinion, had landed with unnecessary severity on Swayne. Rowntree and Lowe mixed it up in the last quarter, and were given time to smooth their ruffled feelings.

1 St. Kitts, Haggin 8.30
2 Tecumsehs, Swayne 8.00
3 Tecumsehs, Henry 1.30
4 Tecumsehs, Donaldson 0.15
5 Tecumseh, Henry 7.30
6 Tecumseh, Donaldson 9.30

Sudbury Won.

Sudbury, July 30.—In the junior C.L.A. game played here yesterday the local dozen won easily from Sturgeon Falls. The score, 13 to 3, about indicates the play. Sudbury started the scoring early in the first quarter, and soon the large crowd of spectators knew there was nothing to it but Sudbury. Sturgeon Falls braced up several times, and worked over time trying to score, but they had a poor lot of net finders.

For the visitors, Trottier and Dave Britton did the bulk of the work, and with any kind of assistance would have made things interesting for the Sudbury defence.

For the locals, Dorsett, in goal, was a right one. Maxwell, who took a place on the team for the first time, showed that he could put up the finished article in lacrosse, and with Baird and Hall made the strongest and fastest defence field Sudbury has ever lined up. There were no particular stars on the home. All did good work. The game was fast and free from roughness. The referee was only called on a few times in the early part of the game. The teams lined up:

Sudbury: Dorsett, Sinclair, Hall, Baird, Barber, Maxwell, Cooke, Porter, Weir, Landers, Sinclair and Fensom.

Sturgeon Falls: Bunting, Allsworth, Bailey, Woodhouse, Britton, Thomas, Britton, Trottier, Britton, Kirkup, Thompson, Young.

Umpires—Kincy and Dorsett. Timekeepers—Richardson and Fowler. Referee—Gordon MacDouald.

Woodbridge Won From Aurora.

Woodbridge beat Aurora 13 to 2 in a fast game here to-day:

Woodbridge (13): Goal, Burton; point, Falken; cover-point, Brown, Wallace, Ashley, Carmichael, defence; centre, Blasted; Sheardown, Hanocock, Morrison, home; Patterson, outside; Kessolk, inside.

Aurora (2): Goal, Dobbin; point, Webster; cover-point, Soules; defence, Kennedy, Sullivan, Whitecak; Urquhart, centre; Gifford, Greatrix, Teft, home; Nelson, outside; Stubbs, inside.

Brantford and Chippewas.

St. Catharines was bowled out of the C. L. A. race on Saturday, leaving the champion Brantford team and the Chippewas to fight it out between them, not only for second place, but also for the honor of being in the final running against the Tecumsehs. Both teams are in great shape for their struggle at the Island this afternoon. Brantford is making a strong bid for the championship just now and it will take a strong twelve to stop them. The Chippewas think they have thtat team, and now that their field has been strengthened by Bond and Mackenzie they are capable of giving any of them a hard fight. It should be a great game to-day, and a line on the championship can be figured out in it. Play will be called at 3.30. Tickets can be had at Wilson's this morning.

All SSaints Win Double-Header.

Broadviews' first and second teams were defeated on their own grounds in the Toronto Interassociation Lacrosse League on Saturday afternoon. All Saints figured as winners in both cases, practically landing the senior and junior championships.

In the first game All Saints II. defeated the Broadview twelve in a rough and closely contested game. Altho no serious accidents resulted, no less than 13 Broadview and two All Saints men were laid out for short periods.

Broadviews scored the first goal after about five minutes' play. The Saints soon evened matters up, and scored two goals in quick succession. In the fourth and last quarter both sides tallied one, making the final score: All Saints 3, Broadviews 2.

In the senior game All Saints again turned the trick, winning by the score of 2 to 1. Broadviews started in with a rush and slapped the ball into the nets before the Saints had caught their pace, but the lead was soon aken by the boys from Sunlight Smith in goal was a star and on the home Gill played a fast and steady game. For All Saints Morrison and Reid on the defence worked together well and on the home Jarvis brothers and Henderson played a good combination game. The only accident that marred the afternoon's sport was that received by James, Broadview's second home, he having his head cut open, necessitating several stitches. Smith retired to even up.

All Saints, senior and junior, will practice every night this week, in preparation for the Y. M. C. A. and Parliament games.

Flanagan's New Records.

New York, July 31.—In the presence of fully 7000 spectators who attended the Gaelic athletic tournament for the benefit of the Christian Brothers' Training College at Clontarf, Ireland, at Celtic Park, Long Island City, to-day, John J. Flanagan of the Greater New York Irish Athletic Association increased his world's 16-pound hammer throwing record from 171 feet 9 inches to 173 feet. He also threw the 56-pound weight a distance of 36 feet 4 inches, which is within five inches of his world's record with that weight. These two performances were recorded in the all-around weight-throwing contest, which also included throwing the discus and putting the 16-pound shot. The points scored were five for first, three for second and one for third place in each of the four events, and Flanagan won with a total of 14 points.

M. Sheppard of Brown Preparatory School, Philadelphia, won the 1000 yards run handicap, and his schoolmate, James Hepburn, finished a good second to J. Ledwoch, a local athlete, in the 600 yards run for novices. Harvey Cohn of the G.N.Y.I.A.A. easily took first honors in the one and one-half mile run handicap from the 20-yard mark, in 7.09 2-5, and W. E. Bailey of the Mohawk A.C. won the three-mile run handicap from the 250-yard mark in 15.33 2-5.

The game was especially noticeable for the bowling of Duncan and Bovell, Duncan taking five wickets for seven runs and Bovell four for siv. Games Played on Saturday—Dovercourt Beat St. Cyprians 66 to 53.

In a C. & M. League match, played at St. Cyprians on Saturday afternoon, Dovercourt C. C. defeated the home team by 13 runs. St. Cyprians batted first and were easily disposed of, as none of them reached double figures. Wilkinson and McKee were sent in first to defend the Dovercourt wicket, and to them is due the credit of winning, as they had put up 44 runs before being separated. Wilkinson hit out in fine style, making 33 runs before being caught. McKee, with nice carpet strokes, played steady cricket and put on 19 runs without giving a chance. The bowling on both sides was good, the brothers Gibson and Boddington doing the work for Dovercourt. Baker and Stokes, for St. Cyprians. Clark in his sixth over did the hat trick. Simpson's Greatest Furniture Sale.

Tuesday Morning Opens a List of Prices on Furniture Seldom, if Ever, Equalled in This City.

Certainly not since the remarkable advance in the cost of production within the last three years have we inaugurated such an auspicious Furniture Sale as that which begins Tuesday, August 2, 1904. Without going into the matter at tiresome length let us just briefly enumerate the chief reasons why this Sale is more than ordinarily remarkable, and better still, more than ordinarily economical.

1st. We have an almost entirely new and fresh stock in the latest patterns.

2nd. We have the largest and most comprehensive assortment of Furniture for this Sale that we have ever offered.

3rd. Owing to the great fire of last April in which our Furniture warehouse and its contents were destroyed, we have been obliged to place very heavy orders with the Furniture manufacturers. Our quantity discounts are bigger than ever before in consequence, and these discounts will in every case go to our customers.

We print herewith a selection from our stock to emphasize for Tuesday. Look it over. Note the prices. Every piece is new regular stock, fresh from the manufacturers.
