Doctor Tells How To Strengthen Eyesight 50 per cent In One Week's Time in Many Instances

A Free Prescription You Can Have Filled and Use at Home

Philadelphia, Pa. Do you wear glasses? Are you a victim of eye strain or other eye weaknesses? If so, you will be glad to know that according to Dr. Lewis there is real hope for you. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by following the simple rules. Here is the prescription: Go to any active drug store and get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in a fourth of a glass of water and allow to dissolve. With this liquid bathe the eye two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. If your eyes are bothering you, even a little, take steps to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time.

Note: Another prominent Physician to whom the above article was submitted, said: "Bon-Opto is a very remarkable remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. The manufacturers guarantee it to strengthen eyesight 50 per cent in one week's time in many instances or refund the money. It can be obtained from any good druggist and is one of the very few preparations I feel should be kept on hand for regular use in almost every family." It is sold in this city by Wassons Drug Store and other druggists.

CAREER OF MR. TIBBITS.

(Fredericton Mail.)

R. W. L. Tibbits, deputy provincial secretary and king's printer for the province of New runswick, celebrated his seventy-first birthday on last Sunday and received many congratulations. Mr. Tibbits has the distinction of being the senior deputy head of department in the provincial civil service. He was appointed deputy provincial secretary on April 15th, 1884. In July, 1895, he was appointed queen's printer.

Richard White Longmuir Tibbits was born in Quebec City in 1846. He was educated at the Quebec High School and at Bishop's College, Lennoxville. He became a resident of Fredericton in 1868 but two years later removed to Victoria county in this province. While a resident of that county Mr. Tibbits occupied many public offices including those of coroner, justice of the peace, county secretary-treasurer and engrossing clerk of the provincial legislative council. In 1882 he entered upon a political career being elected to represent Victoria in the provincial legislature. After sitting in the house for three sessions he was appointed deputy provincial secretary and took up his residence in Fredericton.

Since residing in this city he has held the office of justice of the peace for York county and also has been prominent in the Masonic Order, being a past master of Hiram Lodge. He is a Methodist.
