## CROWDS AT THE GLASGOW RACES.

**England Won the Professional Team Championship—The Mile Races Went to a German.**

Glasgow, July 30.—Fully 15,000 persons gathered at Celtic Park to-day to witness the international bicycle races scheduled to take place there. The weather was all that could be desired. In some of the races the riding at the start was slow, but most of the contests were finished at a terrific speed.

The one mile professional championship contest, in which four riders from each country took part, was won by England, who captured the trophy with nine points. France and Denmark tied for second and third money, with 11 points; Scotland and Ireland tied for fourth place, with 17, and Holland was next with 19.

The one mile championship was won by Arend of Germany, with Barden of England second and Nossam of France third.

BICYCLE BRIEFS.

The races at Port Hope on August 4 promise to be a success. The track is one of the best, and some fast time should be made on it.

The World Bicycle Club will hold a run to-day, leaving The World office, at 2.30 o'clock for Crew's Hotel, where they will see the start of the Gendron and Globe road races.

Entries for the 20-mile team road race at Kingston, August 2, next, will not be closed until to-day, July 31. The team prize—valuable sofa—is now on exhibition on Yonge-street, near King.

Wheelmen taking part in the Canadian Road Club's excursion to Kingston will leave by G.T.R. 9 o'clock express to-night. Tickets may be procured from Mr. A. F. Webster at any time to-day.

Blaylock, of the Royal Canadians, made good time in the club's 3-mile team race on Thursday night, going the distance in 7 minutes and 30 seconds. This rider should make a good showing in the R. Q. T. road race.

Harley Davidson says he would like to get on a match race with Fred Loughead, who may be seen at the Island track next month. The Windsor man evidently would rather take a chance with Loughead than McCarthy. Many think the results would be about similar.

The Wanderers will leave to-day by the 2 o'clock train, G.T.R., for Port Hope, and will wheel from there to Peterboro and to Chemong, where they will take the boat on a trip through the lakes, returning to Toronto on Monday night. The boys will leave the club rooms at 1.30 o'clock for the train.

VARSITY CREW OFF FOR DETROIT.

The Varsity crew leaves this morning (Saturday), for Detroit, to take part in the Northwestern Regatta on Monday and Tuesday. The four is composed of Harry Gooderham, stroke; W. E. Douglas, No. 2; G. G. Jordan, No. 2; Thrift, Burnside, bow. The boys are in fine form, and will endeavor to acquit themselves creditably in their race. Ned Hanlan, who has been coaching them for the past two weeks, will accompany the crew to Detroit to see that they receive every attention. Mr. Fitzgibbon, the manager of the Rowing Club, will also go with the boys to look after their accommodation.

MARKDALE AT THE TOP.

Markdale, July 30.—In the Grey district of the C. L. A. at Markdale to-day, the Markdales defeated Flesherton by 9 to 0 in 1 hour and 30 minutes. This game puts Markdale in a good way for the pennant.

| | Won. | Lost. | To play |
|---|---|---|---|
| Markdale | 3 | 0 | 3 |
| Shelburne | 3 | 1 | 2 |
| Dundalk | 2 | 3 | 1 |
| Flesherton | 0 | 5 | 1 |

SWIMMING CONTESTS AT THE POINT.

The Toronto Swimming Club will hold their second annual tournament at Hanlan's Point at the back of the grandstand to-day, commencing at 3 p.m. The following will be the events, for which there are a splendid lot of prizes: 100 yards scratch (open), 100 yards on back, neat diving, 30 yards handicap, long plunge, 220 yards scratch (open), boys' race 50 yards (open to boys under 15 years), 100 yards handicap, old clothes race 25 yards, egg and spoon race 50 yards (open), 50 yards scratch, obstacle race (open), team race.

OFF TO CORNWALL.

The Toronto Lacrosse Team left last night for Cornwall, where they play off their forfeited match to-day.

The team is stronger than the one that played in the Factory Town before, and is touted to win. Capt. McCullough was unable to go, and Mr. Bennett will captain the twelve in his stead. The team was selected last night, as follows:

Goal Allan; point, Patterson; cover, Griffith; defence, Moore, Murray, Gale; centre, Reid; home, Downey, Moran, Burns; outside, Smith; inside, Nolan.

## It Is Not Necessary

For Toronto tailors to personally visit the British market to procure the choicest woollens. It is a positive fact that the choicest stocks of woollens in Toronto were purchased from sample.

## It Is Necessary

For the firm who wishes to procure wholesalers job lines, mill ends and seconds to go personally to secure them, as the manufacturer does not send those lines to this country.

We regret to make this point, but when a firm of soreheads go out of their way and unnecessarily insult the trade and public intelligence by claiming that with a stock of the above character they will put in the shade stocks purchased from sample, we answer that the claim is false and cannot be substantiated.

## SMALL SCORES IN EASTERN

### Scranton Held Toronto Down to 2 Runs.

### NORTON ONLY GAVE THEM 1

### Perfect Fielding on Both Sides and Only One Long Hit.

**Harper Kept the Hits Well Scattered After the First—Buffalo Beat the Tail Enders 7 to 0, and Syracuse Shut Out Springfield—Two Games at the Island To-Day.**

Small scores were in order yesterday in the Eastern League, and the three losing teams only scored one run. That was Scranton's tally against Toronto on the Island diamond, while the Irwinites could only send around a couple.

It was a perfectly clean fielding game, that resolved itself into a battle between the pitchers. Both Norton and Harper were in fine form, and base hits were hard picking.

A charity to Lush and singles by White, McGann and McHale, sent in the two runs that proved sufficient to win the match, and were Toronto's total for the day.

Beard's lucky single, a stolen base and Massey's clean hit gave the Coal-Heavers their solitary run.

The weather was threatening, and the small crowd expected to see Toronto sprint away from the visitors, but the Griffin crowd backed up Harper's twirling so admirably that the result was a close race. Toronto didn't do much safe stick work after the first, although they hit the ball hard. McGann, Wagner and Taylor were unlucky enough to send out line drives straight at the fielders.

White furnished the fielding feature, taking three difficult catches in left field after long runs. McHale appeared in right field, and covered a lot of ground, though handicapped by his game ankle, besides batting in all the runs.

Scranton had men on second and third in the fifth, with no one out, but couldn't score. Smith held them there on Maguire's grounder, and then Harper drew a pass. O'Brien sent an easy grounder to pitcher, and Massey was out at the plate. Casey dropped the ball in attempting a double at first, and the visitors registered only a mild kick about losing the run.

Casey corralled the only extra hit of the day, a double along the right foul line.

Swartwood gave a capital exhibition of manipulating the indicator. He perpetrated what looked like errors of judgment at times, but showed the players on both sides that he was boss of the job, and the game was played in 1.45.

The rain came down hard at 5.07 p.m., and only looked like stopping five minutes later, but Swartwood told them to get in the game, and they got. It was in the sixth, with the run in, two out and Massey on second. A hit would tie the score. On resuming Boyd took first on balls, but Harper's fly was easy for Smith. Score:

In the forenoon, on Civic Holiday, at 10.30 there will be a game between Scranton and Toronto, and commencing at 2 p.m. there will be the greatest combination event ever played in Canada for one price of admission. They will play for one hour and a half and then Scranton and Toronto will play their last game of the present series. Twenty-five cents will admit to both events, the grand stand being 10 cents extra. There are 500 special reserved seats at 50 cents only, and those who have not secured their seats had better do so.

DIAMOND DUST.

Billy Baker, late of Toronto, Rochester and Montreal, has signed with Hamilton.

Phelps, the boy umpire, has thrown up his Canadian League job because Hi-Tu Roberts said he boozed.

It is said that the St. Thomas ball team has $1800 in its treasury, and that the chances are good for its entering the Canadian League next season.

Syracuse refused to pay Outfielder Pickering the salary which he demands, and, therefore, the deal with Louisville for his release is off. Milwaukee may get him.

Bid McPhee on Thursday celebrated his fifteenth anniversary as a member of the Cincinnati Reds. A big testimonial benefit has been arranged for the popular second baseman.

Rochester expects to get a berth in the State League next season. The organization is pretty speedy for the Flower City, but she may get in, nevertheless. The following despatch from Auburn gives the details: Auburn's success this season increases an ambition to branch out in a larger league next year, in which Rochester, Auburn, Binghamton and Elmira, in this end of the State, with Utica, Amsterdam, Albany and Troy in the other, are mentioned as possibilities.

**At Least They Play the Best Cricket, or Rather They Won Yesterday.**

The doctors north and south of College-street competed in a game of cricket yesterday afternoon at Rosedale, the north winning by 82 runs to 56. The feature of the game was the score made by Dr. Harrington (31), the highest of the day. For the north, Parsons carried off the bowling honors and Beemer for the south.
