INCREASE IN THE VISIBLE

During Past Week Under Three-Quarter Million Bushels.

Quantity Afloat to Europe—Decreases in Visible Supplies of Corn and Oats — Local Grain, Produce and Live Stock Markets — Wires Still Down in All Directions — Notes.

Tuesday Evening, Dec. 6.

Liverpool wheat manifested an easy tendency to-day. Chicago futures were also lower. The corn markets were somewhat in sympathy. A great many wires still being down, owing to the storm, news from the Chicago and other grain boards is still scarce.

Receipts of wheat at Liverpool the past three days were 326,000 centals, including 324,000 centals of American. Corn same time, 214,600 centals.

Visible and Afloat.

As compared with a week ago, the visible supply of wheat in Canada and the United States has increased 746,000 bushels; that of corn has decreased 1,901,000 bushels, and that of oats has decreased 42,000 bushels. Following is a comparative statement for the week ending to-day, the preceding week and the corresponding week last year:

	Dec. 5,'98	Nov. 28,'98	Dec. 4,'97
Wheat, bu.	24,115,000	23,369,000	34,845,000
Corn, bu.	20,362,000	22,263,000	40,940,000
Oats, bu.	5,544,000	5,583,000	15,462,000

There are now on passage to the United Kingdom and the Continent 26,072,000 bushels of wheat and flour and 14,160,000 bushels of corn. Thus, the total quantities of cereals afloat to-day, with comparative figures for a week ago, are:

	Nov. 28.	Dec. 5.
Wheat, bush.	24,400,000	26,072,000
Corn, bush.	13,120,000	14,160,000

Thus, the wheat and flour on passage increased 1,672,000 bushels during the past week, and corn on passage increased 1,040,000 bushels.

To recapitulate, the visible supply of wheat in Canada and the United States, together with that afloat to Europe, is 50,187,000 bushels, against 47,129,000 bushels a week ago and 68,765,000 bushels a year ago.

LOCAL LIVE STOCK.

The receipts of live stock at the Cattle Market were light, 39 loads, all told, composed of 565 cattle, 340 sheep, 40 calves and 1200 hogs.

The quality of fat cattle offered to-day was fair, with prices unchanged from those of Friday; in fact, prices for all kinds of stock were about the same, excepting for hogs.

Trade opened up brisk in the morning on account of the light run, but soon quieted down, the dealers evidently seeing that there was plenty to supply all demands.

Export Cattle—Choice heavy exporters sold at $4 to $4.25, and light exporters at $3.75 to $3.85 per cwt.

Export Bulls—Export bulls of choice heavy quality sold at $3.65 to $4.00; medium export, $3.25 to $3.40.

Loads of good butchers and exporters mixed sold at $3.60 to $3.85 per cwt.

Choice picked lots of butchers' cattle, equal in quality to the best exporters, weighing from 1000 to 1100 lbs. each, were scarce, selling at $4 to $4.25 per cwt., loads of good $3.40 to $3.60; medium $3.25 to $3.40; common $2.85 to $3.10, and inferior $2.70 to $2.75 per cwt.

Stockers—Buffalo stockers were easy, with prices unchanged, selling all the way from $2.75 for inferior to $3 for medium, and $3.15 to $3.25 for steers weighing 600 to 700 lbs. each of good quality.

Feeders—Good heavy feeders of 1000 to 1150 lbs. each of good quality are scarce and worth from $3.40 to $3.65 per cwt.

Feeding bulls for the byres sold at $2.25 to $2.75 per cwt.

Milk Cows—There were about 15 springers and milk cows, none of which were of extra quality, selling from $32 to $45 each.

Calves—The general run sold at $3 to $6 each, with veals of extra weight and quality selling at $5 per cwt.

Good veals of choice quality wanted.

Sheep—Prices for sheep were unchanged. Ewes sold at $3.25 to $3.40 for the bulk, with choice picked lots at $3.50 per cwt.; bucks, $2.50 to $2.75 per cwt.

Lambs—Prices for lambs were unchanged at $3.60 to $4.10 per cwt., the latter price being paid for ewes and wethers only.

Hogs—Deliveries of hogs were light, with prices easier. Choice select bacon hogs, weighing from 160 to 220 lbs. each, unfed and unwatered, off cars, $4.25 to $4.37½; heavy fat, $4.25; light hogs, $4 per cwt.

The prospects are that prices for hogs will go still lower.

William Levack bought 135 cattle, mixed butchers and exporters, at $3.25 to $4; several export bulls at $3.25 to $4.

John Madill sold four butchers' steers, 950 lbs. each, at $3.95; three butchers' heifers, 950 lbs. each, at $3.85 per cwt.

Fred O'Boyle sold five butchers' heifers, 850 lbs. each, at $3.85 per cwt.; nine ewes at $3.60 per cwt.; 70 hogs at $4.37½ per cwt.

R. Brunt sold three butcher cows, 1220 lbs. each, at $2.90; five good butchers' heifers, 950 lbs. each, at $3.75 per cwt.

James Murton bought 10 butchers' cattle of choice quality, 1000 lbs. each, at $4 per cwt.

Total receipts for last week were as follows: 2252 cattle, 3386 sheep, 10,262 hogs. Total weigh scale receipts were $184.72.

FAT STOCK AT GUELPH.

One of the Best Shows Ever Held in Ontario Opened Auspiciously Yesterday.

Guelph, Ont., Dec. 6.—The eyes of the stockmen of Western Ontario are on the "Smithfield of Canada," the name which the stockbreeders of Wellington County have won for the Royal City.

The seventeenth annual fat stock and poultry show opened this afternoon, under auspicious circumstances. The show is one of the best displays of fat stock and poultry ever held in Guelph, or even in Ontario. Entries are away ahead and in some classes double those of any previous year in the club's history. The heavy roads interfered somewhat with the transportation of the different animals, but by night all were in place.

Many well-known breeders are in attendance, and many of the prize-takers at the Toronto show are exhibited. The Victoria Rink, in which the exhibit is held, is handsomely festooned with evergreens and bunting, and presents an inviting appearance. To-night a grand band concert is in progress. The entries will be judged to-morrow.

McDONALD WAS DROWNED.

The Splash Heard in the Canal a Month Ago is Explained.

Cornwall, Ont., Dec. 6.—(Special.)—The body of John A. A. McDonald, who was drowned four weeks ago, was found in the Cornwall Canal on Sunday, when the water was let out to do some cleaning for the winter. The deceased was 72 years of age, and he disappeared mysteriously about four weeks ago. On the same day a splash was heard in the canal, and, after McDonald's disappearance, the bottom of the canal was dragged in search for the body. A strange feature of the case is the fact that only a few days before his death he narrowly escaped being burned to death in the house of his sister-in-law, which was totally destroyed by fire, with fatal results to two other occupants. Mr. McDonald was a lifelong resident of St. Andrew's, Stormont County. He leaves a widow and several children.
