SARNIA TRAMPLES THROUGH MUD AND DUNDAS INTO O.R.F.O. FINALS

6-0 Score Was Final Result of Game Played in Sea of Mud and Squalls of Drowning Rain — Imperials Now Meet Capitals in Finals For Intermediate Championship.

Make Two Championships Possible.

HAMILTON, Nov. 30.—With the rain pelting in their faces and the field nothing but a mudhole, the Sarnia Collegiate Institute and Hamilton Collegiate rugby teams on Saturday battled in the first of the home-and-home games for the final interscholastic O. R. F. U. junior series, Hamilton winning by 8 to 7.

SARNIA, Nov. 29.—A handful of supporters of both teams watched the local fourteen battle its way to a 6 to 0 victory over Dundas and incidentally slush its way into the finals and toward the Intermediate O. R. F. U. title here this afternoon through squals of wind-driven rain which made it almost impossible at times to watch the progress of the play and absolutely impossible for the players of either team to play anything approaching an actual game of rugby. The win gave locals the round by 16 to 11.

It was the worst storm experienced locally for years, but despite the weather, the both squads journeyed out to the park and attempted to do what a townful of fans thought could not be done. When the opening whistle blew, a few scattered, drenched groups of fans shivered on the side lines waiting for the coming travesty on football and epic in mud. It was a pantomime from start to finish with the gusty squalls of blinding rain doing duty for the shouts of fans and usual medley of whistles and thud of bodies and booted pigskin. When the ball was booted which was often, it took speculative spirals all over the lot and towards the last of the session, players and spectators tired of the game of wondering where it would land. Buckling was almost impossible in the slough of mud which soon changed itself into one of despond for the visiting Valleyites. Both teams tried it out and gave it up after a few tries. After that it became a booting game with everyone taking boots and making them, and the game getting more muddy, fumbly and tiring every minute. Harding again was the star of the locals with Cameron, Minton and Sinclair who took Copeland's place ably assisting. Harding booted shorter and less often as the game wore on, but had the best of that department of the game throughout. All the points were scored on side line kicks after the ball had been worked down to a favorable position by preceding kicks down under which, the local line made mud encased and consequently heavy footed attempts to get. There was little to choose between the play of the two games, as team play went this afternoon. The heavier Sarnia line were able to work through at will in the heavy going, and when they tired, were able to hold the lighter and equally weary visiting attack.

W. Hoare refereed, and W. Tackaberry tried to judge what the play would have been had it been out in the open instead of under all that mud, and both succeeded in lasting out the game.

Sophs Lead in Varsity Indoor Baseball League

Class '24 Are Saturday Victims—Sophs Defeat Med Freshies in Basketball.

Class '23 Western U. meds defeated Class '24 in a game of indoor baseball staged at the University Gym., Oxford street, Saturday afternoon, the final score being 15 to 10. The affair was a scheduled game in the Western Indoor Baseball League, and by virtue of their win the Sophomore Meds are now at the top of the league, Class '21 having defaulted to them in a scheduled game last week.

The score is no indication of the play, the losers celebrating a swatting bee, but poor base-running eliminated their chances, causing them at one stage of the game to fall victims to a triple play. The batteries for the victors were Hunter and McLeod, while Graham and McClean acted for Class '24. "Stew" McPherson officiated as umpire satisfactorily to both teams.

Following the above game, Class '23 once more demonstrated its superiority by defeating the Freshmen Meds at basketball by a score of 17 to 11. Callaghan was the star player for the sophomores, while McPherson and Graham played a brilliant game for Class '24.

Two games are scheduled for tonight in the U. indoor baseball league, Seniors Arts clashing with Meds '23 at 7:30, and Class '22 meets the Freshmen Meds at 9 o'clock. These games will be played in the Western U. Gymnasium, Oxford street.

As You Were

Sarnia's great victory over Dundas on Saturday and the holding of the Hamilton Collegiate to a one-point lead by the Sarnia Collegiate team leaves the Imperial City in the position of place for two championships this year.

The chances of the Intermediates against Capitals, whom they will play this week in home-and-home series, or a possible sudden-death game, look mighty good from the performances of both teams. Capitals had a fairly easy time in their Toronto district, but according to officials of the O. R. F. U., who have seen both teams in action, it is unofficially tipped off that the clash between the two teams now in the final will be one of the greatest that has ever been staged for an Intermediate title.

With only a one-point lead to beat, the Sarnia Collegians should be able to make certain of their title next Saturday. With younger teams, the question of whether they are playing at home or away is a big factor, and the Imperial fourteen at home should have little difficulty in getting the series by a big margin. Besides Coach Jack Newton has drilled them thoroughly and with decent weather conditions they should on the form they have displayed all season, give anny team anywhere an argument.

Now that President Ban Johnson has definitely taken a stand and called a meeting of the Abrican League for December 10, in Chicago, just where Ban stands and his position in the league will have to be definitely shown. The rebels, Frazee, Comisky and Ruppert have called a meeting of their own for the same date in New York. The upshot, of course, will be that the last three will have their meeting, Ban will have his, and then they'll go to court to decide which was the legal meeting and who is who.

Johnson says that the date is specified in the constitution, but it does not name the place, and he thinks as president of the league, he has the right to name the place where the meeting will be held. He further makes no comment on the action of the three directors in calling a meeting in New York. Probably when the records are looked into, he'll discover that he isn't president.

Five victims are all that are claimed for rugby this season in America. These were all high school boys playing under conditions that did not make it imperative that they receive a medical examination before they entered a game.

Mike Smith, the gunner chap from Woodstock who made his professional debut in the ring in Toronto last night against Gallagher, went along fine for two rounds and then blew. About the same time his eye was closed. However, he received a very decent welcome from the press on his first appearance, and it is probable that he will get a chance on the card that is being arranged here for December 12 by the Toronto G. A. C.

Bob Martin, the interallied army champion, certainly impressed Detroit boxing fans with his ability, and it is claimed that he is the most likely-looking heavy developed in the last ten years. His next bout with Burke, who holds the championship of the forces that stayed at home for the army championship, will put him a step further on his way. Jimmy Bronson, manager of the new heavy, says that he isn't looking for chumps nor for Jack Dempsey—not for eighteen months at any rate.

There seems still to be come doubt as to whether the Michigan end of the late Mint League will be kept up—in some quarters. According to reports from Brantford, there isn't a possibility of the circuit operating as last year. There are three alternatives being considered. A six-club circuit with Montreal and Ottawa; an eight-club affair with Wilkesbarre and three other hard coal cities, and an eight-club league with Montreal and Ottawa and two towns in New York State across the St. Lawrence, to break the long jump east. The smaller towns are of the opinion that the only way to include Ottawa and Montreal in a new circuit would be to obtain a double guarantee in both cities.

St. Peters Lose and Girls Win in Games at Railway City

C. A. C. Juveniles Meet St. Thomas C. I. Seniors by Mistake, Is Claim.

St. Peter's C.A.C. juveniles journeyed to St. Thomas Saturday night to take on the St. Thomas C.I. five, and came out from under an avalanche of 31 points with a round dozen counters to show they had been in the game. The locals claim that they expected to play a juvenile team, and instead had to go up against a team closely resembling seniors. The Shamrocks of the Girls' City League, however, made up the boys' defeat by taking their hosts of the St. Thomas C.I. into camp to the tune of 14 to 9. The half-time score was 9 to 6 in favor of the local girls.

The line-ups were:

St. Peters—O'Hara, l.f.; Cook, r.f.; Henry, c.; Mohan, l.g.; McGinnis, r.g.; subs, Coughlin, McIntyre.

St. Thomas—Leitch, l.f.; Lane, r.f.; Murray, c.; Johns, l.g.; McCrimmon, r.g.; subs, Stowson, Lay.

Shamrocks—K. McAvory, A. Blackwell, P. Blackwell, H. Fritz, E. Holland, H. Morris.

St. Thomas C. I.—M. Brame, L. Black, K. Browlee, L. Stanley, H. McGeary, D. Hammond, B. Logan.

On Thursday night at St. Peter's gym, three St. Thomas teams will be entertained by local fives. The Shamrocks will stage a return game with the St. Thomas Collegiate girls. C. A. C. Juveniles and Intermediates will take on two St. Thomas Y. M. C. A. teams. A big gallery is expected to watch the evening's program.

FIFTEEN TEAMS AWAY TO START IN THE SIX-DAY BICYCLE GRIND

$500 To Be Awarded Each Day To Sprint Winners On Point System.

NEW YORK, Nov. 30.—The annual six-day bicycle race, which began tonight at the Madison Square Gardens, is being contested over a track which measures nine laps to the mile. For the last 26 years this event, which marks the opening of the winter indoor sports season, was decided on a ten-lap track. This year, however, the management decided to enlarge the wooden bowl so that the riders might have an opportunity of obtaining greater speed, and also to avoid spills on the turns by making the back and home stretches longer.

The point system for sprints, which proved so exciting during the last three or four years, will govern the contest this year also.

In addition to the cash prizes for the winning and placed teams at the finish of the event, $500 will be awarded each day to the sprint winners. Fifteen teams, picked from the best riders in the world, ten of whom are champions in their respective classes, make up the thoroughly international field of starters.

LABOR PARTY URGES NATIONALIZATION OF PRODUCTION SYSTEM

Declares This Is Only Means of Ending Profiteering in Britain.

LONDON, Nov. 30.—The annual conference of London Labor party has adopted a resolution declaring that the only effective way to end profiteering was to end the capitalistic system of production for profit and advocating the nationalization of all means of production and the encouragement of municipal trading.

It has also adopted a resolution demanding the withdrawal of all intervention in Russia.

Delegates were present from the trades and labor councils and many of the trades unions throughout London.

DRAFT OF AGREEMENT BETWEEN GOVT. AND G. T. R. COMPLETED

OTTAWA, Nov. 30.—The draft of the agreement between the Government and the Grand Trunk Railway Company has been completed, and though it is subject to revision before being accepted by either or both sides, it was ready for Sir Arthur Smithers to take with him when he sailed for England from Montreal on Saturday.

This draft agreement, it is expected, Sir Arthur will submit to a meeting of his directors on reaching London, and in the meantime the revision will be proceeding in Canada. Any changes to be made, it is announced, will be made by cable before the final acceptance takes place.

1,500 Trainmen in Kansas City Have Gone on Strike

KANSAS CITY, Nov. 30.—All prospects of an immediatesettlement of the strike of the members of the Brotherhood of Railroad Trainmen, who went out on strike yesterday, is entirely out of the question, it is learned from authoratative sources, following a secret meeting today of 1,000 members of the organization. While it was said that there were speeches for and against the walkout, a majority of the men insisted that it be continued.

Dissatisfaction over the present wage scale and the failure of the grand officers to get action on their demands were said to be the reasons for the walkout. When asked whether Governor Allen's action of putting volunteers in the Kansas coal fields had in any way influenced the trainmen, one of the local leaders declared that the coal situation had acted as an undercurrent in the local strike. He expressed the opinion that not a pound of coal mined by the volunteers would be moved.

The striking trainmen, it was stated, expected the firemen to co-operate with them should the railroad attempt to use strike breakers for the switching work.

Approximately 1,500 of the trainmen walked out late Saturday.

NIGHT COUGHS PREVENT SLEEP

WEAR OUT THE SYSTEM.

The dry, hacking cough, cough, day and night is very wearing on the system. The constant coughing disturbs the rest and keeps the lungs and bronchial tubes in such an irritated and inflamed condition they get no chance to heal.

You will find in Dr. Wood's Norway Pine Syrup a remedy without an equal for curing coughs and colds, soothing the lungs, loosening the phlegm, strengthening and healing the breathing organs and fortifying them against serious pulmonary disease.

Mrs. Fred Fairburn, Copper Cliff, Ont., writes: "I caught a heavy cold, got a sore throat and had a terrible hacking cough that I could not get rid of. I could not sleep at night. I had tried quite a few remedies, but they did not seem to do me much good until I took Dr. Wood's Norway Pine Syrup. By the time I had taken two bottles my cough was all gone.

"It seemed to loosen the cough right away so that I could spit up the phlegm that gathered in my throat, and also took that hot, raw, burning fever out of my bronchial tubes. I feel that Dr. Wood's has no equal."
