Seaforth Curlers Carry Off McNee Trophy, Premier Event of 'Spiel

AMENT'S FOUR LEAD HERB HINDMARSH WHOLE ROUTE

Soft Weather Hurried Play Along—All Night Session Suggested—Play Toronto Finals This Morning.

W. Ament skipped his Seaforths to a 16—7 victory in the McNee Trophy finals over Herb. Hindmarsh's London C. C. quartet last night at the London Curling Club rink. The Londoners were shot on four ends only, the men from Seaforth going well into the lead with four stones shot at the third end which gave them a margin of six before the locals got started.

The rinks and score by ends were:

Crawford of Wingham and Greeves of Plattsville were still engaged in the finals of the Tecumseh Trophy at midnight. Greeves put Dr. Hayes of Sarnia out after a stiff battle in the semi-finals at the Thistle rink, and Crawford had to work every bit of their admission against Wright's London four.

For a time last night it looked as if the curlers would try and finish the 'spiel up last night, as the weatherman threatened a rapid rise in temperature, but progress was hardly fast enough to warrant an all night session of it.

The finals of the Bank of Toronto Trophy will be finished this morning unless two London rinks land there, in which case it might be laid over.

The visiting curlers were still enjoying themselves yesterday, and were as pleased with the 'spiel committee's work as they were on the first day out.

Kitchener Fans Allege They Were Soaked.

KITCHENER, Feb. 8.—Kitchener hockey fans are wrathy at being charged $1.25 for tickets to the Galt-Kitchener game in Galt last night, when it is alleged the Galt fans were admitted for $1 and 75c for their tickets. Emil Ritz of the Kitchener Hockey Association announced today that he would take the matter up with the O. H. A., with a view of having an investigation. Despite contradictions from Galt, he maintains that Kitchener people were able to buy their tickets cheaper in Galt than was paid by fans who purchased their pasteboards in Kitchener.

The matter will be sifted to the bottom.

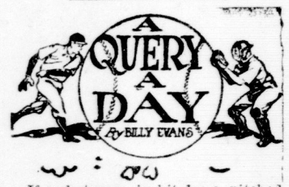
SARNIA-GLENCOE AT WOODSTOCK

WOODSTOCK, Feb. 8.—Sarnia and Glencoe O. H. A. intermediates will battle here tomorrow night for the championship of their district. The schedule, which finished last night, found the teams tied, and the play-off here was necessary. Large delegations of fans are expected from both places, and the local fans are anxious to see the big fellows in action.

WOODSTOCK C. I. GIRLS BEAT INGERSOLL FIVE

WOODSTOCK, Feb. 8.—The local fans are more than pleased with the finishing made by the local juniors last night when they defeated the Paris six by 5-1, and now nothing but a victory right in Paris on Friday will satisfy.

On the play last night the fans figure that Woodstock should have at least four more goals, and the solitary goal of the visitors was more or less of a fluke. To-day a special train was chartered, and the fans, several hundred strong, will accompany the team.



If a batsman is hit by a pitched ball, which, in the opinion of the umpire, would have passed over the plate, what is the proper ruling?

IN order to be hit by a pitched ball which would have passed over the plate, the batsman must have intentionally got in the way of the ball.

On such a play the umpire should rule the delivery a strike. If any runners were on the bases at the time, he should send them back to their original bases, if they advanced on the pitch.

THREE GOOD CAGE GAMES AT "Y"

Three good basketball games are billed for the "Y" gym tonight. Shamrocks meet Western "U" co-eds in a preliminary game at 7:30 o'clock.

18th Field Battery will get a good workout against L. C. I. after their lay-off, in preparation for their next game in the junior O. B. A. series.

"Y" O. B. A. intermediates hook up with Western "U" intercollegiate five in the wind-up of the evening, and this promises to produce the usual lively tilt.

30 TEAMS IN C.S.E.T. RELAY MEET

At least 30 relay teams will take part in the C. S. E. T. meet in connection with Father and Son Week at the "Y" on Friday night.

Three groupings are taking part, junior, intermediate and senior, with four boys to each team, and the events which produced strong rivalry last year are expected to be even more closely contested this time.

LITTLE HOPE OF SAVING SHIP.

St. John, N.B., Feb. 9.—There seems to be little hope now of saving the Boston owned schooner Senator, which capsized in the Bay of Fundy last week and is now lying on her beam ends off Chance Harbor.

TIGERS HAND OTTAWAS SURPRISE AND 9--1 DEFEAT

ST. MARTINS LOSE BY ONE COUNTER

Give St. Marys Six Hard Run in Holy Name League.

Monday's Games.
St. Michaels vs. St. Marys.
St. Martins vs. St. Peters.

The Holy Name League furnished two thrilling battles last night at De La Salle rink when the tail-enders completely outplayed St. Michaels and broke the jinx that has hung over them for weeks, and St. Marys just nosed out St. Martins.

The curtain raiser was lighting fast, St. Martins leading throughout the game. The leaders were bewildered at times, but never lost their fighting spirit. At the end of the second period the score was 3—2 for St. Martins, but St. Marys resorted to shooting and tied the score twice. Half a minute before time, St. Marys slammed in the winning counter. Both teams played brilliant hockey, the players being in the pink of condition.

St. Marys sent out an S.O.S. call and a taxi for Buchanan when they saw the way the battle was going in the first period. Buchanan's arrival offset the advantage given by Murray's presence, and after that it was ding-dong throughout.

The line-up:

St. Martins.		St. Marys.
E. Clarke	Goal	W. Howard
J. Murray	Def	W. Buchanan
F. McDonald	"	H. McIntyre
P. Clarke	Centre	F. McDowell
B. Ashwell	Wing	H. Ferris

Referee—E. Slattery.

Just as Thrilling.

The second game furnished nearly as many thrills as the initial battle. In the second period St. Peters opened the scoring by notching two after strenuous playing. The teams fought to a standstill in the first period, but were unable to score. St. Peters have a tidy team gathered together, and now that they have broken into the win column, will give the opposition the game of their lives. McNeil, a new man, rounds the team out nicely.

St. Michaels fought hard to win, but St. Peters checked them off their feet. St. Peters deserve great credit for fighting against odds at the beginning, and are now determined to make their wins a "chronic" affair.

ST. THOMAS FANS TAKE SPECIAL TO TILLSONBURG

TILLSONBURG, Feb. 8.—Huge interest is centering around the "grudge" series between St. Thomas and the Pan-Dried intermediates, and following their win of Monday evening a special train has been chartered by the Saints for the return game in Tillsonburg, Thursday evening. The visitors have reserved 400 tickets.

Ingersoll fans are also evidencing a big interest, and many tickets are being reserved from that town, and if the Pan-Drieds pull out to win on home ice it is very probable now that the deciding game will be played in Ingersoll arena early next week.

In the meantime the juniors are anxious to finish their N. H. L. schedule.

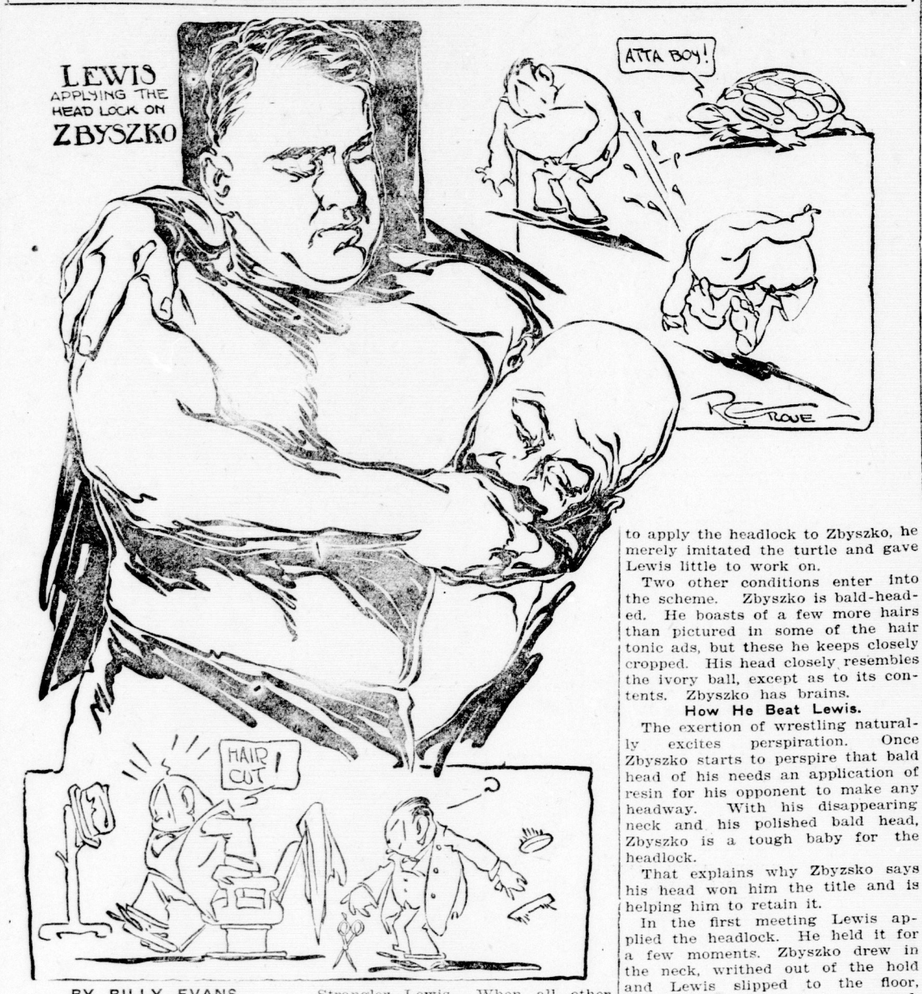
WOODSTOCK FOLLOWERS WILL INVADE GAY PAREE

WOODSTOCK, Feb. 8.—The local collegiate girls' basketball team defeated Ingersoll here this afternoon by a score of 10-9; half-time, 5-3. The game was fast from start to finish, with the victors showing surprising form in the last half. The teams compose a district in Western Ontario Basketball Association, and each having won at home the third game was necessary. The locals now meet the St. Thomas team in the semi-finals. Wilda Sutherland, the local center, was the best player on the floor. Jack Coles refereed.

PARIS KIDS CONFIDENT CAN TURN TABLES

PARIS, Feb. 5.—Paris juniors are on the short end of a 5 to 1 defeat, but they are not discouraged. They fully expect to even up the four-goal lead in the first period. They attibute their defeat to the heavier weight of their opponents and to the fact that they seemed to have stage-fright when they landed on the huge ice surface at Woodstock. They hold several practices before the game Friday night, and will be in the pink of condition to go the route. Fraser didn't show up as well as usual, and this is partly to blame for the defeat.

'BISCUITS' USES HIS HEAD TO RETAIN TITLE



BY BILLY EVANS.

"USING my head won me the championship and is helping me retain it," is the way Stanislaus Zbyszko explains his victory over Strangler Lewis.

On the surface one would take that statement to mean that Zbyszko outsmarted Lewis. In a measure he did, but Zbyszko when he made assertion that his head did the business was speaking from an entirely different angle.

The headlock is the favorite hold of Strangler Lewis. When all other holds have failed him, Lewis has always been able to bring a bout to an end through the medium of the headlock.

In order to clamp the headlock on an opponent it is necessary that he have a neck and the ordinary style head. In that respect Zbyszko differs from almost any other wrestler in the world.

In the parlance of the wrestling game, Zbyszko has what is known as a natural "turtle draw" or disappearing neck. When Lewis sought to apply the headlock to Zbyszko, he merely imitated the turtle and gave Lewis little to work on.

Two other conditions enter into the scheme. Zbyszko is bald-headed. He boasts of a few more hairs than pictured in some of the hair tonic ads, but these he keeps closely cropped. His head closely resembles the ivory ball, except as to its contents. Zbyszko has brains.

How He Beat Lewis.

The exertion of wrestling naturally excites perspiration. Once Zbyszko starts to perspire that bald head of his needs an application of resin for his opponent to make any headway. With his disappearing neck and his polished bald head, Zbyszko is a tough baby for the headlock.

That explains why Zbyzsko says his head won him the title and is helping him to retain it.

In the first meeting Lewis applied the headlock. He held it for a few moments. Zbyszko drew in the neck, writhed out of the hold and Lewis slipped to the floor, Zbyszko was after him in a second, hooked his legs in a scissors around Lewis and with a neck hold won the fall.

In his second meeting with Lewis, Zbyszko time and again thwarted the headlock by pulling in the old neck a la turtle.

Zbyszko often wrestles minus the regular shoes. This fact has often caused much comment. He says it is much easier to break a toe hold minus the shoes than with them on.

MOGULS INSURE AGAINST BAD WEATHER ON BIG DAYS

BY BILLY EVANS.

NOT only are insurance companies willing to gamble on life and death but they are ever willing, even anxious, to gamble on the weather.

Practically every major league club, and a good many of the minors, are insured against weather on all the big days. In speaking of the big days reference is made to Saturday, and holidays.

There are any number of blanket policies that are offered which are governed by certain conditions. The rate of insurance varies according to the risk which the company believes that is it assuming.

Only recently the real value of a rain policy to baseball magnates was made apparent. There was launched on the Pacific Coast a winter league of baseball in which the four managers were big league stars, Sisler, Hornsby, Cobb and Heilman.

It is understood that these four star players received $40,000 for their combined service or about $10,000 each. That placed the games under a big expense at the very start. In order to secure every protection possible a rain insurance was carried on all games played.

When the policies were taken out little thought was given to the action. Usually the weather in October and November is very pleasant. It so happened that the league failed to strike a popular chord. That was unfortunate.

Rain Insurance Saved League.

The weather, however, instead of being very pleasant, was just the opposite. During those two months of play more rain fell than could be remembered by the oldest residents. On the face, which would appear very unfortunate. Quite to the contrary it was very fortunate.

The rain insurance was considerably in excess of the regular receipts. During the last month of the season, the promoters, instead of hoping for fine weather, which means everything in baseball, were constantly pulling for rain.

It has been estimated that in the neighborhood of $50,000 was collected by the four clubs on rain guarantees. That sum prevented the season from being a terrible "bust," as far as the promoters were concerned.

Last year the Detroit club of the American League lost opening day, also Saturday and Sunday of opening week. Snow prevented the playing of the games. It is understood the Detroit club was paid something like $40,000 from the insurance company because of loss of those three games.

Willing To Take Risks.

A number of the policies are governed by a stated amount of rain that must fall. Other policies pay if there is merely enough rain to justify the calling off of the game.

Then there are some freak policies which pay a certain sum in case rainfall may have with the attendance, yet does not prevent the playing of the game.

Often it rains from noon until a half hour or so before game time and then clears up. When a game is played on such a day, the insurance company takes the receipts of the same day for the past three or four years, strikes an average and pays the difference.

The insurance game has gotten to be a very important feature of professional baseball. It is claimed the insurance companies were on the losing end last year.

W. O. R.'S MEET M. G.-H. Q. TEAM TONIGHT

W. O. R.'s and Second Machine Gunns-Headquarters meet in a Garrison Hockey League game at the heights tonight. This will be the first appearance of the combination team this season, and all who can play hockey in the Machine Gunners are asked to be at the rink early.

STRATFORD PUTS ST. THOMAS FIVE OUT

Classic City Will Meet 12th Field Battery of London Next.

STRATFORD, Feb. 8.—By defeating St. Thomas 34 to 31 tonight Stratford juniors won the local O. B. A. group, and will meet 12th Field Battery of London in the next round.

Stratford led all the way, but the Saints were right on their heels. The score was 17 to 13 at half-time.

In a preliminary game Stratford Juveniles lost to Woodstock College crew by 17 to 14.

BLENHEIM BEAT CHATHAM IN EXHIBITION 8 TO 6

BLENHEIM, Feb. 8.—In an interesting hockey game last night on the local rink Blenheim's fast team won from Chatham 8 to 6. The ice was in good condition and the playing at times fast. Neither team had any particular advantage over the other in the greater part of the game. The game was an exhibition. W. J. Shillington acted as referee in a satisfactory manner.

On Friday evening the Ridgetown sextet are billed to face the local aggregation.

Biscuitmakers Meet Stovemen

League Leaders Will Be Given Rough Ride In Tonight's Game.

There is a good possibility of McClarys meeting their first defeat in the Manufacturers' League tonight, when they hook up with the Perrin aggregation in the opening clash of the night. Standard Drug and Jones & Sons meet in the second onslaught. McClarys have gone through the season so far like the silver-winning team.

Perrins have met with misfortune in nearly all their games. They have only had eight goals scored against them, so all their losses have been close ones. Then their players have suffered sickness, but Manager Lougheed states his team will be intact for tonight's affair. Lougheed and Murray, the two stalwart Alert senior defense men, will be on opposite sides, and something like a fast fame can be looked for.

Jones have not won a game this year. They have run up against tough luck, too, losing only by a small margin. They should provide stiff opposition for the druggists in the second game.

DURHAM HOLDS SOUND GREYS TO 2--1 WIN

DURHAM, Feb. 8.—In the first junior N. H. L. semi-final here tonight Owen Sound Greys defeated Durham 2 to 1. It was the fastest game of the season, and the visitors were forced to go the limit to win. Both goaltenders were the stars. The return game will be played in Owen Sound Friday, and the locals expect to overcome the small lead on bigger ice. The score by periods: 1 to 0, favor Durham, 1 to 2, 1 to 2.

Near the close Hicks, secretary of the Owen Sound club, ran out on the ice to dispute a decision of Referee Mercer and called him a liar. Mercer knocked him away, and a fracas seemed imminent, when supporters jumped on the ice. However, it was cleared, and the game proceeded.

The line-up:

Durham—Goal, Mountain; defence, McTavish, Buschlen; center, Snell; wings, Elvidge, York; sub, Hamilton.

Owen Sound—Goal, Armstrong; defence, Whinfield, Bumstead; center, Keeling; wings, Graham, Briggs; sub, Wright.

Referee—Mercer, of Markdale.

HAMILTON, Feb. 8.—Hamilton outclassed Ottawa in all departments of the game tonight and handed them a 9-to-1 licking before the smallest crowd that has witnessed a professional fixture here in two years. At no time after the first ten minutes of play were the senators in the hunt, and only the good work of Benedict in the nets saved them from a far worse beating.

The attack of the Tigers was a treat to watch. They swooped down on the Ottawa defence repeatedly two and three abreast, and the Ottawa defence proved "apple pie" for them to beat, but Benedict, although scored on nine times, made a beautiful save.

MONTREAL, Feb. 8.—Canadiens temporarily saved their chance for second place in the National Hockey League tonight when they circled around Toronto St. Patricks and carried off the honors at the Mount Royal arena here tonight by a score of 6 to 4. About 4,000 persons saw an interesting and exciting game. Toronto appeared to be playing more or less in a state of amazement from whistle to final bell, and if it had not been that John Ross Roach stood in the nets the story would have been a good deal worse.

Roach received most of his support from Cameron, who scored twice and led nearly all the impressive attacks from Toronto. Dye, Noble and Randall were there with the shooting, but not there with the requisite speed and dash. The line-ups

GUELPH JUNIOR FIVE TRIM GALT 24 TO 13

GUELPH, Feb. 8.—The Guelph junior O. B. A. team decisively defeated the junior quintet from Galt this evening in the second of the league games in this series by 24 to 13. The locals led practically all through, and a procession of baskets during the latter part of the last half settled the issue. The victory was very much of a surprise to the local fans, as the Galt aggregation had previously won on their home floor by a wide margin. Brown, Grierson, Hamilton and Richardson were the best for the home team, while Warren, Roelfson and Bennett starred for the losers.

Galt—Bennett (5) and Gaskin, forwards; Warren (4), center; Roelfson and Henderson (2), guards; Rayner (2) sub.

Guelph—Buckland (5) and Hamilton (5), forwards; Richardson (2), center; Grierson (2) and Dickson (2), guards; Schneider, Kelly (2), Brown (4) and Gordon (2), subs.

FACULTY FIVE WINS.

In a close and exciting basketball game the faculty team of Western University defeated the representatives of the Business Men's Club of the Y. M. C. A. by the score of 25 to 18 last night on the 'Y' floor.
