TUESDAY ON THE TURF.

RACING IN ENGLAND AND AMERICA.

Opening Day of Royal Ascot—Some Grand Sport at Coney Island—The Proposed Banquet to Edward Hanlan.

The tickets for the "welcome-home" banquet to the ex-champion, it is gratifying to be able to state, are going off wonderfully well, and everything points to a success worthy the reputation of a man who for nearly eight years held the title, and to dispose of it had to travel to the ends of the earth and give his opponent every possible advantage. Beach not only will not, but *dare not*, pursue the same course. He knows the title is his income, means in fact a life of ease and plenty, and will value it accordingly. In short his countrymen, he knows, appreciate a man who distinguishes himself, and having once grasped the laurels he intends to guard them jealously until some desperate foreigner has the good luck to take them from him. Such a policy may appear selfish and to partake more of the cunning shrewdness of the gambler than of the sportsman, but an oarsman has to make his living by his muscle and his wits, and is thoroughly justified in using every means to further his object, providing only that those means are legitimate and honest. Hanlan would not be satisfied until by practical demonstration he had the whole world at his feet. As a result he tempted fate too often, and was beaten. But still his fellow countrymen cannot fail to admire his pluck, and it would be a disgrace to them did they not in some practical way show their appreciation. To-night the adjourned citizens' meeting will be held in the city hall, as per the following circular:

"JUNE 15th, 1885.

"DEAR SIR.—An adjourned meeting of citizens called for the purpose of tendering Edward Hanlan a ceremonial, will be held in the city hall on Wednesday evening, 17th inst., at 8 o'clock. It is the desire of the committee to make the reception a thoroughly representative one, and we would be pleased to have your co-operation. Kindly attend the meeting.

"Yours truly,
"C. A. B. BROWN,
"Hon. Secretary.

"ALDERMAN DEFOE,
"Chairman of Committee."

Hamilton Sports.

HAMILTON, June 16.—Fred Wood will catch for the Clippers in their match with the London team to-morrow.

It looks odd to see the Toronto papers paying so much attention to baseball. It is to be hoped that they won't let up on it when the Toronto team suffers defeat.—Spec. Then there's not much hope of rest for the weary reporter.

Stapleton & Rainey of Detroit will play with the Clippers to-morrow. Looks as though the Clippers were more frightened of this London team than the home papers care to acknowledge.

Arrangements are being made for another Clipper-Primrose match on Saturday, June 27.

Jerry Moore, late with the Detroits, and Campau, formerly of the Toledos, have signed with the Primroses.

The Prims ought to cease making changes now, otherwise their best players will be forsaking them to take positions where they won't run such risks of getting sacked.

The Guelph Herald finding that the Spec. man could bat his humor quite easily, has resorted to new tactics and is trying the effects of his rank poetry.

McLean and Goldsmith, of London, are to be put on the list of Canadian league umpires.

Racing at Coney Island.

NEW YORK, June 16.—There were 5000 people at Sheepshead bay to-day. Betting of all descriptions was allowed by the authorities and the liberty was fully taken advantage of. The weather was delightful and the track was in excellent condition. During the day not a favorite won. First race, ¾ mile—Brita won, Drone 2d, Lulu 3d; time 1.17. Second race, the Surf stakes for two-year-olds, 5 furlongs—Dwyer Bros.' br. c. Portland, by Virgil—Firework, won, Electric 2, Leterlia 3d; time 1.03¾. Third race, the Tidal stakes, for three-year-olds, 1 mile—The judges declared this race to be a dead heat, and much dissatisfaction was thereby caused. Each of the head horses had its champions. Many persons without money on the result who stood at the finish, agreed that Kittson's ch. c. Pardee by Alarm—Sister of Mercy, had won by half a head. Pardee and Joe Cotton divided the stakes. Brookwood 3d; time 1.44¾. Fourth race—a mile and 3 furlongs—Heel and Toe won, Euclid 2d, Wallensee 3d; time 2.26¾. Fifth race—a mile and a furlong—Elgin won, Executor 2d, St. Paul 3d; time 2.01¾. Sixth race—one mile—Ligan won, Manitoba 2d, Carley B. 3d; time 1.45. Mutuals paid $50.90.

Ready at Saratoga.

SARATOGA, June 16.—The advance guard of the army of thoroughbreds expected here for the race season reached "horse haven" yesterday. They included Gov. Bowie's lot, in charge of Tom Costello, viz.: Bald Hornet, 5 years; Bessie, 5 years; Marylander, 3 years; Lord Lorne, 3 years; Vesta, 3 years; bay gelding by Catesby—dam Australia, 3 years; Cassatt, Cato and a chestnut colt by Catesby, dam My Maryland. Alexander & Hoffman's stable, in charge of Joseph Schellinger, also arrived. It includes Mamie Hay, Georgie H., Malaria, Virgie H., Maggie A., Siddons and Golden Phebe. The other arrivals included Davis & Hall's lot in charge of A. Joyner, viz.: Fernleaf, Vinton, Rosiere, Enigma, Kenita, Rosette and Bess; L. Dunneman's, in charge of H. Dunneman, including Middlesex, Tallyman, Trousseau, Bridget Keaton and Footprints. Costello also brought a two-year old filly by Virgilian; also Brophy's two-year-old filly Noxubee, and C. Touda's Egotist. The track in "horse haven" has been put in good condition and the painters and other mechanics are putting the stand and buildings on the main track in order. The betting inclosure will be remodelled and it will be paved with 35,000 bricks and the town waterworks have been connected with pipes at the track for sprinkling and the fountain.

General Notes.

A race meeting is to be given at Gates' race course on the civic holiday.

The Maple Leafs and the Torontos play ball on the Jarvis street grounds at 4 o'clock this afternoon.

Phallas trotted a mile in 2.16½ at exercise the other day. Maxy Cobb's best time this year so far is 2.22.

The association football match, played at Galt yesterday between New York and Galt, resulted in favor of Galt by four to one.

At the great sale of yearlings at Madison Square garden last week J. R. Keene's beautiful colt by Spendthrift out of Doubt, said to be the very image of his "awful dad," fetched $6100.

At Manchester on May 28, 29 and 30, Lancashire beat Kent at cricket by 42 runs. Score: Lancashire, 108 and 288; Kent, 141 and 213. Briggs contributed 58 and 115 to the winning score.

Walter Noble, one of Hamilton's enthusiastic baseballists was in town yesterday. Mr. Noble predicts a victory for the Clippers over the Torontos Saturday. That remains to be seen. He held up their end in great shape last night.

The double sculling match that was to have taken place Monday night between Messrs. Babington and Manley and Messrs. Boulton and McGee had to be postponed on account of Babington's non-appearance.

Mr. Morphy, the bow of the Argonaut crew, now in England, writes his brother as follows:

LIVERPOOL, June 2.

DEAR GEO.—Just arrived. Pleasant voyage, bar fog for two days. Only two rough days. Hogg, Thompson and McKay were sick. I wasn't. We go direct to Henley from here. O. M.

The Peninsular cricket club of Detroit played against the Guelph cricketers yesterday. The game was not finished, and will be continued to-morrow. When wickets were drawn for the day the score stood: Guelph, first innings, 54; Peninsulars 73 for nine wickets.

The directors of the Detroit baseball club were informed by Secretary Young yesterday morning that the Indianapolis team could not be signed over until the expiration of the ten days' limit. The entire club was immediately started on a trip through Canada and down the St. Lawrence river, to prevent any tampering with them by other clubs.

H. V. Bemis, the proprietor of the Chicago Horseman, wants $25,000 from the Turf, Field and Farm for alleged libel in charging that a jockey known as "Jovial Splan" had been guilty of "backsliding" from his high perch as a rider for Commodore Kittson, and riding Mr. Bemis' horses for the good of the pools. Action has been begun in the superior court.

A game of lacrosse was played Saturday on the Exhibition grounds between the Central and Eastern lacrosse clubs, the two crack junior teams of the city, the first game being taken by the Centrals after 25 minutes of fine playing, the second by the Stars while a scuffle was in progress, and the third by the Stars after 40 minutes' play. This game was disputed by the umpire, but was allowed by the Centrals, who had to stop playing on account of five of their men being badly used up.

On Saturday a large gathering of sportsmen assembled at the Woodbine park to witness a shoot at Peoria blackbirds between J. P. Moore and Wm. McDowall. The weather was all that could be desired, and the birds flew nicely. The match was made to shoot at 25 birds, but at the twentieth bird Mr. Moore withdrew, seeing that he could not win. After the shoot another match was made between the same parties for $100 at 50 pigeons each, to take place July 4 at the same place. Saturday's match was for $15 a side. Mr. Moore is evidently not only enterprising, but persevering.

Alfred Shaw, the English cricketer, writes to a New York player that he, with Arthur Shrewsbury and James Lillywhite, contemplate bringing to America this season the strongest English professional team that has ever left England. He says that negotiations are now pending with the Philadelphia committee, which, if favorable, will enable him at once to set about organizing the eleven. He proposes to visit the United States early in the autumn, and after playing in New York, Philadelphia and central New York, make a tour of Canada, and perhaps visit several western cities. "I am informed," writes Mr. Shaw, "that cricket is much stronger in Philadelphia than on our previous visit several years ago, and that it would require a very strong English eleven to meet an eighteen of that city."

BIG FEELING PARSONS.

An Anglican Missionary's Address on the Workingmen.

At St. George's church last night Chas. Powell of London, Eng., secretary of the church of England workingman's society, spoke on the good the society had done, and the successful manner in which it had disseminated the truths of the gospel among the working classes. Ten years ago, he said, the society began with a membership of five, and, in spite of the coolness with which the parsons of the church had looked upon the society as means of evangelizing those who toiled daily for their bread, it now had a membership of over 9000 orthodox episcopalians. The object of the society was to reach those people who are too low down to meet the grasp of the parson. They went into the lowest of slums—places where no parson by would go, and, by making themselves sociable, were able to lift up the most degraded of men and women to decency and respectability. He believed converted workingmen could be utilized to better advantage than erudite and classical persons in spreading the tidings of truth among their own classes. One feature of the society, he said, was that it did not allow long winded sermons, and therefore suited the taste of the laboring class generally. They brought people to the church by missionary meetings and handed them over to the church where he said the parson's responsibility began. He felt there should be more brotherly feeling between the clergy and the laity especially the working classes, and thought it would stimulate a desire on the part of the workingmen to attend church.

Rev. S. R. Fuller and John Hague followed in five minute speeches, expressing their endorsation of the ideas which he enunciated.

EPPS'S COCOA.

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast table with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—*Civil Service Gazette.*
