Track Managers Fined.

PATERSON, N.J., Jan. 28.—Clifton race track managers George Eggeman, John Eggeman, William Engeman, A. H. Battersby and Charles Sass were each sentenced to-day to serve one year at hard labor and to pay a fine of $500 each for maintaining a disorderly house at Clifton. The offence was in permitting betting at their track. The races were postponed to-day.

The cases will now go to the upper courts. The Passaic County Agricultural Association was fined $500 on each of the two indictments charging it with maintaining a disorderly house at Clifton.

Charles W. Thomas, the well-known poolseller, was fined $500 for keeping a pool-room here, and committed until the fine and costs are paid. It is thought Thomas can not raise the amount of his fine.

Counsel for the managers asked the judge to fix the amount of bail in error. Bail was accepted in each case for $5000 and the managers were allowed to depart.

The Bookmakers' Harvest.

NEW YORK, Jan. 28.—The bookmakers at Guttenburg had a royal time yesterday plundering the public. It must have reminded some of them of the good old sandbagging days on the Bowery, only yesterday there was no necessity for violence. The public walked up freely and presented its money without a murmur.

In the first race the public played Young Duke at 7 to 5. The bookmakers gleefully took in the money in handfulls. Of course Young Duke lost. Major Tom, a horse nobody knew anything about, at 30 to 1 shot in the betting, won. Young Duke very properly finished five lengths away.

In the second race Emma J. carried the public money. It came in so fast that the bookmakers could hardly count it. Emma J. went down with a sickening thud, not getting home among the first three. Frances S., at 7 to 1, bore the hopes of the gamblers and just won from Guildero, another one of their favorites at 20 to 1.

The public tried to wrench some of their money from the bookmakers in the third race by playing Deer Lodge, but Chancellor, at 4 to 1, was doing business for the ring, and Deer Lodge was neatly beaten.

In the fourth and fifth race it was just the same. Al Farrow, a bookmaker's horse, beat Now-or-Never, the choice of the unfortunate public. In the last race a bone was thrown to the public in the shape of Guarantee and they won enough to get home on.

The track was a sea of mud, and the poor brutes were driven through the half frozen slush, ankle deep, with whip and spur. The "sport" continues at "honest" Clifton to-day.

Warren's Norway Won.

The match trot on the Humber Bay ice track yesterday resulted in a victory for Norway. The ice was too soft for fast going. The summary:

John Warren's Norway	1 1 1
James Morrow's Humber Boy	2 2 2

Best time 3.10.

Topics of the Track.

The Gates Bros. will enter La Blanche and My Anna for the Queen's Plate.

Jockey Flynn was suspended at Clifton Tuesday for his queer riding of Emma J., the favorite in the second race. She finished fifth.

One of Toronto's well-known bookmakers yesterday made a big bet at even money that there would not be 12 starters for the Queen's Plate. Allie Gates thinks that about 10 will go to the post.

BICYCLING TO BOOM.

A Brilliant Season Before the Toronto Club—Their New Officers.

The Toronto Bicycle Club will have a genuine boom next season. Cycling, the club's mirror, says: "Everything so far promises well for the success of the club during the coming summer. The incorporation scheme is about completed, the new club house is in the hands of an energetic committee, and the success of the team last season on the road are all incentives for further endeavor on the part of its members, and everything points to a brilliant season."

The regular monthly meeting of the Toronto Bicycle Club will be held in the Club House on Monday evening next at 7½ o'clock sharp. The nominations of officers for the ensuing year are made at this meeting and a large amount of other important business will be brought up. The annual meeting and election of officers take place Feb. 9. Mr. A. F. Webster will likely be re-elected president, and Lieut. W. Robins will most probably succeed Capt. Chandler.

The conversazione next Tuesday evening in the Academy of Music will be of a kind to suit everybody, the program consisting of an excellent concert under the direction of Mr. R. Hall. After the concert refreshments will be served, the balance of the evening to be spent in dancing to the music of Corlett's band.

The dress for the evening is either evening dress or club tunic. The concert commences at 8 o'clock p.m. Carriages may be ordered for 2 o'clock a.m.

The Ring.

Grand double attractions Saturday evening, Jan. 31, at Olympic Gymnasium; the only licensed sporting house in Canada. Mike Rowe and Tim Boldin will go eight rounds. The bitterest feeling exists between those two men, and it will be a red-hot mill. Billy Bittle will also go Paul Pattillo four rounds. Watson, the champion jumper, will try and beat the world's record in the high jump, also a tug-of-war between Seaton Village and Brockton butchers. Fred Fay, the baritone singer, will preside at the piano. Lots of sparring, club swinging and athletic exercises. Three hours' excitement. Johnston, the Scottish dancer, will trip the light fantastic.

Important Item.

Everybody to-day realizes the importance of taking a little exercise every day, either through the chest machine, clubs, dumbbells, fencing or otherwise, as it is necessary in order to keep the system invigorated. For a varied assortment of the apparatus required for such recreation you should call on Messrs. H. P. Davies & Co., 81 Yonge-street.

They Will Row April 28.

SYDNEY, N.S.W., Jan. 28.—The details of the fourthcoming match between McLean and Stanbury for the championship have now been arranged. The race will take place over the Parramatta course on April 28 next, the stake being £200 a side.

Fred. Mossop's Hostelry.

There has been a marked change at "Head quarters" since Mr. Fred Mossop took hold of the ribbons. The entire establishment has been decorated and finished in handsome oiled woods, with plate-glass electric-reflecting mirror bars, which are without a doubt the most brilliant in Canada. The best brands of liquors and cigars are always kept in stock. F. W. Mossop, proprietor. 246

Goodwin's Good Guide.

"Goodwin's Official Turf Guide for 1890" will be welcomed by every follower of the bang tails in America. It is by far the largest racing annual ever published in this country, its 1100 pages containing the results of over 6000 races run in the United States and Canada. It also gives the names, with full pedigrees, of over 5000 horses; the betting rules now in vogue, the new eastern rules and racing, fastest time on record, horses whose names have been changed, horses that have died in 1890, table of jockey mounts, largest paying five dollar mutuals, racing fixtures for the different clubs for 1891, jockeys' names, lowest weight and to whom engaged for 1891, the dates of the principal English races for 1891 and the scale of weights for the United States. P. C. Allan, the King-street newsdealer, is Goodwin's agent here.

Baseball Contracts.

COLUMBUS, Jan. 28.—American Association contracts are beginning to arrive at the office of President Thurman, and the first lot is announced as follows:

With Columbus Club—Mark E. Baldwin, Warren H. Wheelock, Charles Crooks, Frank Knauss, John Easton and Elton Chamberlain.

With Athletic Club—John Milligan, William Sharsig and William J. Bradley.

DIAMOND GOSSIP.

President Thurman's First Batch of Contracts—Several Items.

John M. Ward has signed Hemming and Kinslow for his Brooklyn Club.

Buffalo, Toronto, Rochester, Syracuse, Troy, Albany, Hartford and New Haven is the favored circuit for the new International League.—N.Y. Herald.

Jimmy Galvin is now the proud papa to nine bouncing boys. The last arrived this week. The New York Herald credits him with 12, but "Jeems" is content with the team.

Alonzo A. Stagg, Yale, '88, will organize a baseball team among the Christian Workers at Springfield. If he trains them as well as he did the football team they will make it warm for some of the college clubs.

The management of the New York Club is in a quandary as to which three of its five outfielders should be retained. The club has Tiernan, Slattery, Gore, O'Rourke and Johnston to choose from. The selection is to be left to Buck Ewing, who is shortly to be sent for.—N. Y. Herald.

Jack Horner, the pitcher of the New Haven team, who is coaching the candidates for the Yale nine, has begun his work in earnest. He says there is plenty of good material, though most of it is green. He expects to be able to develop a pitcher who will prove a worthy successor of Stagg.

The Pittsburg Club will carry 15 men next summer. The men thus far selected are Berger and Mack, catchers; Staley, Galvin and Smith, pitchers; Beckley, first base; Bierbauer, second base; Miller, third base; Carroll, left field; Hanlon, centre field; Maul and Laroque, extras.

Manager J. C. Chapman of the Louisville Club in speaking of the situation says: "There is not a particle of danger of the Milwaukee Club taking our place in the American Association. The little opposition among our stockholders to paying a proportionate share of the Association's recent outlay of money will be overcome without any trouble. Then all will be plain sailing. The owners of the club would not forfeit the franchise for $50,000, let alone $3000."

The Pavilion Will Be Crowded.

The Wanderers' snowshoers wish to remind their friends that very few tickets are left for the at home in the Pavilion Friday night.

GENERAL SPORTING.

Fitzsimmons to Tour in England With Parson Davies—Yachting, etc.

Mr. George Briggs of Toronto makes an excellent referee.—London Free Press.

W. Alexander, '87, stroke of the '88 crew and coach of the '93 and '92 crews, is to be at Harvard for the next two weeks and will coach the Varsity and class crews for that period.

There will be a general meeting of the Toronto Cricket Club on Monday evening to appoint delegates to the Ontario Cricket Association, which will be held on Tuesday night at 8 p.m. at the Walker House.

Pittsburg, the champion lightweight, has been enjoying an "outing" at the Pearson Hotel, Moulinette. George L. Tilton, the proprietor, was the only man in town who could keep Pitz in check.

Toronto Gun Club is well represented at the London shoot, among those from the Queen City being Messrs. G. H. Briggs, C. Charles, D. Blea, A. Tymon, J. H. Orr, J. Bell, P. Wakefield, T. Sodden, W. Felstead and W. McDowell.

A New York cable to the English papers after the recent big prize fight says: "Fitzsimmons, the Australian pugilist, will shortly make a tour in England, under the management of 'Parson' Davies, and will try to arrange a match with Pritchard or Burke."

Evan Lewis threw Hugh Leonard three times in 40 minutes at Buffalo Tuesday night, catch-as-catch-can, strangle hold barred. The agreement was to throw Leonard three times in an hour and a half or forfeit $200. Leonard says Lewis is the greatest man on the carpet to-day.

The second-class yacht Scud, owned by V. H. Ketcham of Toledo, has been purchased by Detroit people. She was built in Buffalo and once stood as the rival of the Fanchon of Toledo and Josephine of Detroit. The Scud will be put in sailing trim for the coming season.

The final deposit has been posted in Seattle, Wash., for the international jig dancing match for $500 and the championship of the world, which takes place in San Francisco on Feb. 10 between Jimmy O'Neil of San Francisco, James Patterson of Australia and Mike Tracey, the champion of New York. The Eastern boy is the favorite.

Sport, a Philadelphia fighting dog, was killed at Allentown yesterday by Dixon, an Allentown dog owned by Joseph Gorman. At the very outset the Allentown dog seized Sport by the throat and held him for 45 minutes, being the longest single hold on record. Of the 39 falls the Philadelphia dog gained only one. Three cock fights preceded the dog fight.—Philadelphia Record.

Still Drags Its Weary Length Along.

The counsel for the city continue to call witnesses at the street railway arbitration, and the end appears to be about as far off as it was on Saturday, when Mi Blake said he had only three more. Yesterday morning Mr. Charles D. Warren, president of the Metropolitan Street Railway Company, was examined on behalf of the city. He testified that since the introduction of electricity on their road business had increased 100 per cent. Their road is 27¼ miles long and cost $14,000 to construct. They had carried 60,000 passengers during the last four months and their cars ran 12 miles per hour. After the examination of C. L. Fellows Mr. E. P. Roden testified that the contractors who paved Queen-street west were paid $3000 extra for doing the work in such a way as not to interrupt the company's service. James C. Hardie was recalled and gave testimony in regard to the horse account.

A Cash Prize.

The proprietors of Burdock Blood Bitters will give a prize of *Five Dollars* for the cleverest and best essay (not to exceed 100 words) upon the merits of B.B.B. as a cure of disease. The competition will close Jan. 1st, '91, after which the successful essay will be published (with the author's name if desired.) They will also pay $1 each for any of the essays they may select and publish. No restrictions. Try your skill, and address. T. MILBURN & Co., Toronto, Ont.

A Paper Horseshoe.

The latest horseshoe is of paper. It is elastic and durable. It is the invention of a German. A number of thin sheets of parchment paper saturated with oil and turpentine are glued together and the mass subjected to a strong hydraulic pressure. The holes for the nails are then bored, after which the shoes are trimmed ready for the market.

It is said that the shoes wears in such a way that the surface is always rough, thus adapting it particularly to smooth pavements.

Keep off the Chaps.

Wet wintry weather causes chapped hands, sore throat, croup, colds, pain in the chest, swellings, etc., for which a certain cure exists in Hagyard's Yellow Oil, the best pain expeller for internal or external use. Keep it on hand in case of emergencies. Every bottle is a little giant in curative power.

62 Cows Burned.

WINNIPEG, Jan. 28.—The cattle sheds of Duncan McDonald at St. John's were burned this morning with 62 cows. The loss is very heavy, with only $2300 insurance.

Holloway's Corn Cure destroys all kinds of corns and warts, root and branch. Who then would endure them with such a cheap and effectual remedy within reach?

CHILI'S REVOLUTION.

Successes of the Rebels and Desperate Straits of President Balmaceda.

LONDON, Jan. 28.—Despatches received in this city from Chili via Buenos Ayres bring further particulars concerning the revolution in Chili. The rebel Chilian war vessel occupied the roadstead at Porto Coquimbo on a day not specified. The war vessels also fired shots into the town, probably at the troops defending the coal depots. Troops from Valparaiso are occupying La Serena in force. Coquimbo, or Porto Coquimbo, it may be stated, is some distance by rail from La Serena or Coquimbo City. The Balmaceda troops were quartered in the hospital and schools of La Serena and are supposed to have been driven out of Porto Coquimbo.

The insurgents have blockaded Tongoy, on Tongoy Bay, about 30 miles from Coquimbo. Tongoy is connected by rail with Tamays and Ovalle, the latter town being, in turn, connected by railroad with Coquimbo. Torbarallis is also announced to be blockaded by the rebel forces. Three thousand government troops have been sent to reinforce the garrison at Tongoy. Later advices state that it is reported that a battle has been fought at Tongoy. The rebels have occupied Limache Alto, a town only 25 miles from Valparaiso. At Limache Alto the rebel forces took possession of the national factories and expelled the director and adherents of President Balmaceda from the town. The rebels have also occupied Quillota, in the province of Valparaiso, 50 miles from Santiago, on the Aconcagua, 20 miles from the Pacific.

The property of foreign residents is suffering considerably from the rebellion in spite of the efforts of the representatives of foreign powers to protect the interests of the various countries they represent. The action of the diplomatic representatives has been so discouraging to those officials that they have formally informed the Chilian Government that they will embark on board the vessels of the fleets of the foreign powers if the conflict continues. President Balmaceda, in reply, has asked the Ministers and Consuls to delay taking any action for a few days, as he hopes to be able to suppress the rebellion within that time.

The Austrian Empress.

[From The Galignani Messenger.]

The Empress Elizabeth has derived great benefit from her long sea voyage and is looking as young and as captivating as ever. Her Majesty devotes her time to visiting the various learned and charitable institutions which are under her protection. Her visits are generally unannounced and she is accompanied only by one of the ladies of the Court. Her villa at Corfu, which is now advancing toward completion, is at her express wish to be made ready to receive her by September next year, when Her Majesty intends passing the autumn and part of the winter there. The Emperor has ordered Lieut. Bukovich, who served on board the Imperial yacht Miramar during the Empress' last trip, to remain at Corfu to superintend the furnishing and final decoration of the new villa, which, like most of the Imperial residences, will be characterized by the chasteness and simplicity of its decorations.

Its Labors Finished.

After being in session 18 days the delegates to the second annual convention of the Bricklayers' and Masons' International Union completed their labors last night. The election of officers was continued yesterday with this result: Thomas O'Dea, Cohoes, N.Y., secretary; Patrick Murray, Albany, N.Y., treasurer. John Heartz of Denver had been elected president and Jeremiah Herrington of Boston vice-president the day before. The convention next year will be held in Indianapolis, Ind. This city was chosen in preference to Buffalo and Rochester, N.Y.; Grand Rapids and Detroit, Mich.; Baltimore, Md., and Chattanooga, Tenn. An evening session was held last night and the convention was closed at 9. The officers will remain in the city until Saturday, when a detailed account of the more important actions taken by the union will be ready for publication.

Struck by a Train.

ST. THOMAS, Jan. 28.—Mr. and Mrs. Southcomb of St. Mary's and Arthur Clark, nephew of Mr. Scott, attempted to drive across the Talbot-street crossing of the L. & P.S.R. yesterday when the rig was struck by the engine of an express train. The buggy was slewed around and the three occupants thrown out in the middle of the track in front of the moving engine. Engineer Richardson applied the air brakes, reversed and pulled his train so short that eye-witnesses say the engine seemed to quiver and almost bounded from the rails. The three were stunned, but escaped with slight injury.
