The Conception-Bay Man.

"TRUTH—EVER LOVELY SINCE THE WORLD BEGAN,
"THE FOE OF TYRANTS AND THE FRIEND OF MAN."

VOL. 1. HARBOUR GRACE, NEWFOUNDLAND, WEDNESDAY, APRIL 1 1857. NO 2

PROSPECTUS

OF A WEEKLY NEWSPAPER,
TO BE ENTITLED
"THE CONCEPTION-BAY MAN."

THE Subscriber intends publishing a Weekly Newspaper at Harbor Grace, in Conception-Bay, about the last of the ensuing month of July.

It is unnecessary for him to make any observations upon the convenience and usefulness of a Local Journal in so populous and wealthy a district as that of Conception-Bay. This is admitted by everyone. But it is necessary to state the political principles which shall guide such a Journal.

1st,—The Conception-Bay Man shall be a strong advocate for the perpetuation of the true principles of Responsible Government.

2ndly.—Equality of political rights and privileges among all religious creeds.

3rdly,—We shall maintain Native Rights, above all, when character and qualifications are equal.

4thly,—This Journal shall be the strenuous advocate, first, of the Fisheries—next of Agriculture.

5thly,—It shall in all matters of local interest, maintain a perfectly independent course.

Its Motto shall be TRUTH.

"Truth ever lovely since the world began,
The Foe of Tyrants and the friend of Man."

We shall at all times speak of ourselves as we think proper—we shall enunciate our views of Constitutional Responsible Government and if these views be not in accordance with the views of others, we shall endeavor to listen to them in the spirit of free discussion—but, do what interest shall incline us to think the great end of responsible rule—

"The greatest happiness of the greatest number."

We shall endeavor by every means in our power to make the Conception-Bay Man an interesting weekly visitor, a political Instructor to the rising genius of the colony, and a welcome general miscellany.

As an advertising medium it will offer great advantages, circulating as it will a few hours after publication among a population of upwards of 50,000 people.

The price of the Conception-Bay Man will be fifteen shillings, per annum, half in advance.

It will be published on a demy sheet, and will contain sixteen columns.

The first number will be generally distributed, and those who feel desirous to support the establishment of a newspaper in Conception-Bay, by becoming SUBSCRIBERS, will please notify the undersigned now, or after they shall have received the first number, their intention of doing so, and to whom all correspondence must be addressed.

We are promised considerable support in St. John's, and anticipate nothing like disappointment.

LET US REASON TOGETHER.

HOLLOWAY'S PILLS.

WHY ARE WE SICK?

It has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are specially adapted to the relief of the Weak, the Nervous, the Delicate, and the Infirm, of all climes, ages, sexes, and constitutions. Professor Holloway personally superintends the manufacture of his medicines, and offers them to free and enlightened people, as the best remedy the world ever saw for the removal of disease.

THESE PILLS PURIFY THE BLOOD.

These famous Pills are expressly compounded to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

DYSPEPSIA AND LIVER COMPLAINTS.

Nearly half the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorder of the liver, dyspepsia, and stomach complaints generally. These soon give a healthy tone to these organs, however deranged, and when all other means have failed.

GENERAL DEBILITY—ILL HALTH

Many of the most despotic Governments have opened their Custom Houses to the introduction of these Pills that they may become the medicine of the masses. Learned Colleges admit that this medicine is the best remedy ever known for persons of delicate health, or where the system has been impaired, as its invigorating properties never fail to afford relief.

FEMALE COMPLAINTS.

No female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to children of all ages, and for any complaint; consequently no family should be without them.

MARVELOUS REMEDY FOR A MARVELOUS AGE.

HOLLOWAY'S OINTMENT.

The Grand External Remedy.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part.—Disease of the Kidneys, disorders of the Liver, affections of the Heart, Inflamation of the Lungs, Asthmas, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone of meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

Erysipelas and Rheumatism, Scorbutic Humours.

No remedy has ever done so much for the cure of disease of the Skin, whatever form they may assume, as this Ointment. Scurvey, Sore Heads, Scrofula, Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

Sore Legs, Sore Breasts, Wounds and Ulcers

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swelling, stiffness or contraction of the joints, even of 20 years standing.

Piles and Fistulas.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:—
