Hopewell Hill News.

Hopewell Hill, April 2—On Friday evening of last week a donation and tea in aid of the Methodist preacher's salary was held at the residence of Mr. and Mrs. Joseph M. Robinson. The proceeds amounted to over $20.

The following officers of the Methodist Sunday school have been elected for the year: Miss Martie Smith, superintendent; Mrs. Alex. Rogers, assistant superintendent; Miss Mary Newcomb, secretary; Helen Newcomb, assistant secretary; Robert E. Stewart, librarian; Miss Martie Smith, treasurer; Miss Lizzie Peck, organist; teachers, Ilbert Newcomb, teacher of Bible class; Miss Julia Brewster, Miss Ethel Peck, Miss Amy Peck.

Walter Killam, who bought the farm belonging to Howard Stevens at Memel last year, has sold the property to Sears Steeves, of Salem. Mr. Steeves took possession last week.

The death occurred last week of Mrs. John Cameron Milton, of Albert Mines, the sad event occasioning very deep regret throughout the community. The deceased, who was formerly Miss Alice Martin, leaves her husband and four children, the eldest sixteen years of age.

Lump Jaw

The first remedy to cure Lump Jaw was

Fleming's Lump Jaw Cure

and it remains today the standard treatment, with years of success back of it. Known to be a cure and guaranteed to cure. Don't experiment with substitutes or imitations. Use it no matter how old or bad the case or what else you have tried—your money back if Fleming's Lump Jaw Cure ever fails. Our new plan of selling, together with exhaustive information on Lump Jaw and its treatment, is given in

Fleming's Vest-Pocket Veterinary Adviser

Most complete veterinary book ever printed, to be given away. Durably bound, indexed and illustrated. Write us for a free copy.

FLEMING BROS., Chemists,
75 Church Street, Toronto, Ontario

City Island, April 2—Bound south, str Silvia, St John's (Nfld) and Halifax; schs Calabria, St John; Fanny, do; Helen, St George.

Marine News.

The fishing schooner James R. Clarke was damaged $1,000 by fire at Yarmouth Saturday. The crew started a fire to clean the hold, but lost control and it reached the forecastle, which it gutted. The Clarke is owned by Oliver Killam and others of Beverley (Mass.), and has been fishing out of Yarmouth.

The schooner Carrie Easler, of Liverpool (N. S.), which left Canso for Yarmouth Feb. 27, has not been heard from. Her crew consisted of Capt. John Rafuse, of Liverpool (N. S.), captain; Edward Bushen, 23, of Port Mouton (Que.), mate; John McCormack, 24 of Charlottetown, formerly of the steamer Amethyst, steward; Walter Cameron, 20, of Sydney, formerly of the Amethyst; Thomas Harvey, 24, of Newfoundland, formerly of the schooner W. R. Huntley; James Gadson, 23, of Wentworth, Australia, formerly of the W. R. Huntley.

The Canadian lighthouse department has sent out notice that about March 31, the whistling buoy in the Yarmouth fairway, ten miles S. 62 degrees W. from Cape Fourchu lighthouse, will be replaced without further notice by a combined Wilson gas and whistling buoy, moored in the same position. The new buoy is of steel, cylindrical, with a curved top, surmounted by a pyrmidal steel frame supporting a whistle and a lantern. The buoy is painted in black and white vertical stripes, with "Y'm'th S. W. Fy" painted on the deck. The light will be a red light automatically occulted at short intervals. The illuminant will be acetylene, generated automatically. The whistle is sounded by the motion of the buoy on the waves. The buoy carries an attachment for installing a submarine bell and it is expected that one will be placed at a future date.

The following charters have recently been made: Schooner Charles Prescott, 468 tons, Philadelphia to Calais, coal, $1.25; British steamer Bessborough, 3,800 gross, Sydney (C. B.) to Montreal, coal, then to load deals at Quebec for West Coast of England, private terms; bark Freeman, 1,067 tons, from Boston to Buenos Ayres, lumber, $8; Norwegian bark Valentine, 703 tons, Bridgewater (N. S.) to Bahia Blanca, lumber, $8; British steamer Gena, 1,795 tons, from St. John to Bristol Channel, 35s., June.

1,700 standard steamer, Miramichi, first open water, 38 shillings; 1,000 standard steamer, St. John, May loading, 35 shillings.

It is thought that the coal strike will have the effect of throwing considerable steam tonnage already engaged for West Indian business on the market, as the bulk of the outward cargoes consist of bituminous coal. Most of this business is handled on contract terms, and tonnage is usually taken on time basis and put in for single trips as wanted.

A survey was held at Meteghan on Wednesday on the Norwegian bark Darby by Capt. Anderson, of Moser's River; James Mulcahy, of Weymouth, and Capt. J. W. Boyd, of Yarmouth. The vessel was condemned and ordered to be sold.

Steamer Caribbee left Bermuda at 6 a. m. Sunday for St. John. She has 950 puncheons of molasses to be landed here.

Albert Notes.

Albert, N. B., April 2—W. Alder Trueman, barrister, of Campbellton, arrived here on Saturday on a business trip.

Mrs. H. D. Cleveland left for Boston on Thursday on a visit to friends.

Mrs. Geo. H. Beaman, of Nova Scotia, is visiting relatives here.

Gillespie Bros. have opened a meat shop at the stand formerly occupied by the late Wilder Keiver.

Eight candidates have been received for baptism as a result of the special meetings conducted in the Riverside hall by Dr. Brown.

McClelan Bros.' portable saw mill has been removed from Midway to Wire Brook, where they have a large cut. It is estimated that between ten and twelve million feet of lumber will be shipped out the Shepody river this season.

Mrs. McLeod of Albert, and Miss Hunter, of Riverside, have returned from St. John.

"IT'S ONLY A COLD, A TRIFLING COUGH"

Thousands have said this when they caught cold. Thousands have neglected to cure the cold. Thousands have filled a Consumptives grave through neglect. Never neglect a cough or cold. It can have but one result. It leaves the throat or lungs, or both, affected.

Dr. Wood's Norway Pine Syrup

is the medicine you need. It strikes at the very foundation of all that ails lung complaints, relieving and curing coughs, Colds, Bronchitis, Asthma, Croup, Sore Throat, and preventing Pneumonia and Consumption.

It has stood the test for many years, and is now more generally used than ever. It contains all the lung healing virtues of the pine tree combined with Wild Cherry Bark and other pectoral remedies. It stimulates the weakened bronchial organs, allays irritation and subdues inflammation, soothes and heals the irritated parts, loosens the phlegm and mucous, and aids nature to easily dislodge the morbid accumulations. Don't be humbugged into accepting an imitation of Dr. Wood's Norway Pine Syrup. It is put up in a yellow wrapper, three pine trees the trade mark, and price 25 cts.

Mr. Julian J. LeBlanc, Belle Cote, N.S., writes: "I was troubled with a bad cold and severe cough, which assumed such an attitude as to keep me confined to my house. I tried several remedies advertised but they were of no avail. As a last resort I tried Dr. Wood's Norway Pine Syrup and one bottle cured me completely."

WILL INCREASE FERNHILL RATES

More Revenue Found Necessary and Plan is Adopted at Annual Meeting

TO ASK MUNICIPAL COUNCIL FOR GRANT

Sinking Fund Also to Be Provided For—Charge for Perpetual Care Raised from $80 to $100—Directors Elected.

The fifty-eighth annual meeting of the Fernhill Cemetery Company was held Monday afternoon in the board of trade rooms. The president, H. D. McLeod, occupied the chair, and there was a goodly number of lot holders present. The annual statement read by the secretary showed:—

Balance on hand from last year		$ 630.78
Annual care of lots season 1905	$1,294.65	
Arrears	299.75	
Advances	15.00	
Pro. of grant received from marine fisheries	300.00	1,909.40
Burial removal fees		1,138.50
Sale of lots (31) less 4 surrenders		1,612.00
Sale of slate vaults		156.70
Rents		33.00

		488.30
Deposit fees returned		43.00
Slate vaults purchase Can. loan		629.51
Petty cash on hand		1.11
		$7,844.70

The Directors' Report.

His recommendations were embodied in the annual report of the board of directors, which was as follows:—

In presenting their 58th annual report your directors beg to report that during the year they have taken into consideration the various matters discussed and referred by our last annual meeting to the incoming board of directors and as far as possible the recommendations have been carried out. The resolution that the incoming board look into facts and figures and report on the cost of a new receiving tomb at a meeting of the lot holders called for that purpose was acted on.

Your directors secured plans and specifications and looked at the sites recommended for its location, but after due consideration decided that in the present financial condition of the company it was not advisable to go to the large expenditure necessary, especially as at a moderate cost the present tomb could be enlarged sufficiently for all requirements (except in exceptionally severe winters like this last, which may never occur again). The alterations in the old tomb have been made and in his report you will notice the superintendent says it has been more than sufficient for the past winter's needs. Your directors carefully examined the routes of the proposed roadway to enter the cemetery from the Marsh Road and after going over the proposed line and duly considering its advantages and cost decided that it was not advisable to proceed with it at present.

Appreciating the desire of the lot holders to have the grounds present as pleasing an appearance as possible the working staff was largely increased during the summer and a great improvement was made in the cemetery in many respects. Some pretty flower beds were arranged in prominent positions, a great deal of cleaning up of lots and removing of unsightly brush and dead trees, gravelling avenues and paths as well as necessary drainings and culvert work done. This has called for a considerable increase of expenditures but much of it is permanent and will not have to be done again.

The marine and fisheries department acceded to our request for an additional grant of $1,000 towards recouping the cemetery company for expenditures made on the marine lot; $500 of this has been put in perpetual care fun for this lot. The remainder has gone into the general fund.

There are some suggestions made by our superintendent in his report that are worthy of your consideration, as on account of the increased cost of wages, sods and other causes it is questionable if some of the work therein mentioned is not done at a loss and the rates charged should be increased to correspond.

The residence of the superintendent and the barn were in such a state of dis-repair that it was necessary that a considerable sum should be spent to put them into habitable condition. They are now in excellent repair and should not need any further expenditures for a long time.

By the secretary-treasurer's report it will be seen that we have overdrawn our bank account $1,137.61. This is offset by a carload of slate vaults on hand. $629.51, and amount due by the perpetual care fund of $200.

Your board would recommend that in view of the increase in wages and cost of materials that the annual care of lots be increased from $3 to $4 per annum and for the same reason, and the added expenses of opening graves in the winter season, they recommend the charge of opening graves from the first of December to the first of May be $7.50.

They also recommend that the cost of grading and sodding lots be increased to $7.50.

That owing to the increased cost of caring for lots in perpetual care and the low rates of interest secured on investments the board would recommend the price of perpetual care be advanced from $80 to $100; this regulation to go into effect May 1, 1907.

Your board would recommend that they be authorized to set aside one-third of the proceeds of the sale of lots to the creation of a sinking fund to retire outstanding bonds as they mature and to create a reserve fund; such sum shall not be less than $500 per annum.

The board would ask for authority to memorialize the county council for a grant to enable the board to place the almshouse of session ground in proper condition and to place the same in perpetual care.

Your board would recommend that authority be given the directors to apply to the legislature for authority to issue new bonds to retire old bonds as they mature. They would also recommend they be authorized to erect a wire fence and plant a hedge along the Marsh Road to replace the present dilapidated fence.

H. D. McLEOD,
President.

The report of the auditor was also read. The superintendent's annual report dealt with general conditions in Fernhill which, he said, were never better. He referred in terms of appreciation to the repairs made to his residence, which had tended to the comfort of himself and family. Some recommendations were made along the lines of increase for digging of graves, sodding and levelling, etc.

Hon. J. G. Forbes, dealing with the report, said the increase of cost for labor made it necessary to increase these charges. At the present time the company were not getting the revenue they should from the rates. On motion the report of the superintendent was read section by section, and passed.

The directors' report was also passed.

Reference was made by Judge Forbes to that part of the report that recommended asking for a grant from the county council. He urged the pressing of the matter, as he thought it right that the municipal body should do their share when they had this portion of the cemetery. He also spoke of the other features of the report.

The following were elected directors: H. D. McLeod, G. S. Fisher, Col. E. T. Sturdee, C. M. Bostwick, Hon. J. G. Forbes, D. J. McLaughlin, Dr. James Christie, Peter Campbell, J. R. Stone, C. E. Scammell, J. H. McAvity, and Captain Peter McIntyre. The officers will be elected at a meeting of the directors.

ST. JOHN MEN MADE GOOD IMPRESSION

More About the Montreal Dinner at Which Messrs. Stockton and Daniel Were Guests.

Referring to the Lafontaine Club dinner to which reference was made in Monday's Telegraph, a Montreal newspaper says:

Dr. Daniel, Dr. Stockton and A. A. Maclean, M. P.'s, were the guests of honor at a dinner given by the Lafontaine Club of this city on Saturday night. Among those present were Hon. A. Desjardins, L. O. Taillon, Ls. Beaubien, H. B. Ames, M. P., and other leading members of the Conservative party. J. G. H. Bergeron, M. P., introduced the guests in a eulogistic utterance.

Both of the St. John members paid a tribute to the worth of the Acadian pioneers. Their reference to Montreal as the summer port of Canada and to St. John as the winter outlet was well received, especially a passing exposition of St. John's unaided financial efforts to develop her harbor facilities. The suggestion on the part of Dr. Stockton that both Halifax and St. John harbors be nationalized was enthusiastically received. Dr. Stockton was in particularly good form and regularly captivated his audience by an eloquent and patriotic effort.

LETTERS TO THE EDITOR

[The opinions of correspondents are not necessarily those of The Telegraph. This newspaper does not undertake to publish all or any of the letters received. Unsigned communications will not be noticed. Write on one side of the paper only. Stamps should be enclosed if return of manuscript is desired in case it is not used. The name and address of the writer should be sent with every letter as evidence of good faith.—Ed. Telegraph.]

Saw No Drunks in Moncton.

To the Editor of The Telegraph:—

Sir,—In Wednesday's Telegraph the question is asked: "Would St. John under the Scott act be any better than Moncton?" In my opinion if St. John under the Scott act could be as good as Moncton it would be a great blessing. Quite recently I left Moncton after having lived there nearly three years. I often heard of liquor being sold there, but never once to my knowledge saw a drunken man.

I have often been in St. John, but I don't think I have ever been there a day without seeing one or more drunken men staggering about the streets or being led by the policemen to the lock up.

A MOTHER.

St. John, March 29.

Miramichi Presbytery.

Chatham, April 2—The Presbytery of Miramichi met in St. James' hall, Newcastle, Rev. James Wheeler, moderator, presiding. The ministers present were Rev. J. Morris MacLean, Rev. J. M. McLeod, Rev. Dr. Carr, Rev. J. F. McCurdy, Rev. H. Arnott, Rev. J. Myers, Rev. J. H. Fraser, Rev. J. Kirk, Rev. M. J. McPherson, Rev. A. D. Fraser, Rev. R. Stavert, Rev. C. Tature, Rev. S. Mitchell, Rev. D. Henderson, Rev. H. Kent, Rev. J. G. Colquhoun, Rev. J. Stewart, Rev. J. B. McKay, Rev. J. B. McLean, Rev. A. D. Archibald and Rev. James Ross, superintendent of home missions, and Elders Geo. J. Dickson, H. Lamont, John Sinclair and W. Carruthers. Rev. D. Henderson tendered his resignation as interim moderator of the sessions of Nelson and Douglastown which was accepted and Rev. H. Arnott was appointed. Rev. Messrs. McPherson, McKay, Townsend and Henderson, ministers, and Messrs. Lamont, Henderson and Dunn, elders, were appointed commissioners to the general assembly, which meets in London (Ont.) in June, and Rev. Mr. McPherson was appointed the Presbytery's representative on the general assembly's committee on bills and overtures.

The Presbytery nominated Rev. Dr. Falconer, of Pictou (N. S.), for moderator of the general assembly.

Applications were made by the sessions of Black River and Tabusintac for students during the summer months, which were referred to the Presbytery's home mission committee. It was decided to apply for a student to work in the congregation of Tabusintac under the supervision of Rev. J. H. Kirk and also to apply for D. R. McLean, student for Mill Bank and Bartibogue. Rev. Mr. Kent was appointed to the mission field of Douglastown and Bonaventure for another year and Rev. Mr. Sutherland to New Bandon and Caraquet. Kouchibouguac will have student supply during the summer.

The following grants to augmented congregations will be asked for: Black River, $100; New Carlisle, $150; Escuminac, $350; Millerton, $200; Tabusintac, $100, and Harcourt, $250.

Rev. D. Henderson presented a call from Douglastown and Nelson to Rev. W. W. Rainnie. It was largely signed, heartily sustained and ordered to be forwarded to the Presbytery of St. John. Encouraging reports from the home missions, church life and work, Sunday schools and young people's societies were presented by Revs. J. M. McLean, A. D. Archibald, J. F. McCurdy and H. Arnott.

The statistical report by Rev. J. W. Wheeler showed a marked increase in contributions. Adjourned.

Rev. J. Morris MacLean has returned from Halifax, where he was attending a meeting of the general assembly's home mission committee.

Jerusalem Notes.

Jerusalem, March 28.—The funeral of the late Mrs. Alice Selfridge, whose death took place at Glenwood on the 24th, was on Tuesday at the Baptist church. Rev. Mr. Robinson conducted the services. One son and four daughters are left to mourn.

David Smith, of Boston, is visiting his brother.

Mr. and Mrs. T. L. Short entertained a large number of their young friends last evening.

A. T. Harrison has returned from Inglewood.

The death occurred on the 22nd inst. of George H. Hamilton, aged 77 years. Deceased was a prosperous farmer and followed his occupation up to about two years ago when he became enfeebled, which gradually grew worse until his release came. A family of two sons, David and Gilbert H., and two daughters, Mrs. Geo. Machum, and Mrs. S. L. Webb, residing here, and Mrs. J. C. Machum, of St. Marys (N. B.), are left. Very early in life he united with the F. B. church of this place and was always a consistent worker and about twenty-five years ago was apointed Deacon. The funeral took place on Sunday, the 25th, Rev. C. B. Lewis conducting the services.

THE CENTAUR COMPANY, NEW YORK CITY.

DECIDE FOR WATER SUPPLY AT ST. STEPHEN

Meeting Yesterday Agreed on System Which Will Cost About $145,000.

St. Stephen, N. B., April 2—(Special)—Engineer F. A. Barbour was present this evening at a joint meeting of the town council and citizens' committee charged with matters in connection with the proposed new system of water supply under municipal ownership.

After a lengthy discussion on the advisability of adopting the system of pumping from the wells at Maxwell's crossing to a reservoir on St. David Ridge, and then supplying the town by gravity; or a less expensive method of supplying for domestic purposes by a gravity system and for fire purposes by a by-pass and pump, it was voted to recommend that the council adopt the pumping and reservoir, or more expensive system recommended in Mr. Barbour's report.

An amendment in favor of a modified system was offered by Frank Todd and seconded by F. M. Murchie, but received the assent of only those two gentlemen and E. G. Vroom.

Mr. Barbour was instructed to prepare specifications for pipes for which tenders will be asked at an early date. The system will cost about $145,000, and will be for St. Stephen alone, as Calais has declined to join in the project, and Milltown has not so far agreed.

CALL REV. MR. CAMP

Leinster Street Baptist Church Congregation Want Him for Pastor.

The members of the Leinster street Baptist church Monday extended a formal call to Rev. Wellington Camp, of Sussex, to their pulpit, which has been vacant since the departure of Rev. Christopher Burnett for Winnipeg.

Rev. Mr. Camp is a native of Queens county, and a graduate of Acadia and Newton Theological Seminary. After ordination he was stationed three years in Fairville. He was also twelve years in Hillsboro, and eight years in his present charge in Sussex.

Kent County News.

Harcourt, April 2—Mr. MacPherson, of Springhill (N. S.), occupied the Presbyterian pulpit yesterday. He preached to a large and very attentive audience. He is a student at Pine Hill theological school at Halif
