TO JAMES GOOD & Co.,

Gentlemen,—I have no hesitation in recommending ST. LEON SUPERIOR to any other mineral water known to me (not excepting the celebrated Waukesha, of Wisconsin, and the Carlsbad, of Germany) as a remedy for the uric acid diathesis (gout and rheumatism) and diseases of the kidneys, including diabetes, melitus and Bright's disease, when freely used.

To persons in health it is an excellent regulator and health preservative as well as an agreeable beverage.
