National Baseball League.

BUFFALO, N. Y., March 3.—At a meeting of the National baseball league in New York this afternoon it was decided to increase the number of games each club shall play with every other club on its home grounds from 16 to 18 games. The Kansas City and Washington club were formally admitted to membership. The schedule committee consisting of Messrs. Smeltz, Wright and Marsh will report to-morrow morning the list of games to be played during the next season. Mr. Marsh objects to having any games played in Detroit between July 20 and 24, claiming that the racing meeting will prevent a satisfactory attendance. The Hines case has not yet been formally considered.

The Manufacturers' Baseball League—Section II.

Editor World: There being a number of trades in the city not having sufficient representation in any one shop to form a shop team to enter the Manufacturers' baseball league, as it first constituted, the league at its meeting Tuesday night, provided for such an emergency by dividing itself into two sections, section 1 to be known as the shop section, section 2 as the trades section, which permits the trades before spoken of to pick a team from as many shops in their business as they see fit. The two sections are to have their own executive committees and arrange their own games, but are to be under a grand head composed of an equal number of representatives of each section.

In the shop section there are eight clubs. In the trades section there are but four clubs entered so far and it is hoped the trades, who by the reasons given above were unable to join, will do so at once in order to equalize the two sections. The shop section has been completely organize and immediate action on the part of the trades section is desired in order not to retard the others, as the season is rapidly approaching.

A meeting of the trades section will be held over Milligan's cigar store, King street west, Saturday evening, 13th inst., sharp at 8 o'clock and it is suggested that meetings of the trades not yet represented should be held before that time and an accredited representative sent to the meeting. Any further information required can be obtained by addressing. T. R. WILLIAMS.

196 Queen street west.

[In accordance with the foregoing a meeting of those in the confectionery trade to organize a club will be held on Saturday evening at 8 o'clock in Wiggins' hall, St. David street.]

General Notes.

Serad, pitcher of last season's Buffalos, is a fireman at Chester, Pa.

The Binghamtons play the Meridians at Meridian April 26 and 27.

The Harvard College nine was the first to get on the field this season.

Jack McAuliffe wants to fight Harry Gilmore for a $500 purse in New York.

The schedule committee of the New York State league meets at Rochester, March 15.

Single wicket is to be developed and encouraged by the Philadelphia cricketers this year.

Tom Moffatt, of Montreal, is en route to Chicago to run an unknown 600 yards for good money.

Manager Bancroft, of Rochester, has engaged Walter Hackett, late of the Bostons, to play shortstop.

Fred. Stone, the sprinter, offers at any time to make a match at 100 yards with L. E. Myers for $1000 a side.

Of the thirteen men of the Hamilton nine, nine are left-handed batsmen. What a picnic for Devine!—Syracuse Standard.

The play "Lorna Doon" has been rewritten under the title of "Terry the Fox," and a part introduced for Paddy Ryan, the pug.

The regular monthly meeting of Toronto Dog Sports club will be held at the Dog and Duck Colborne street, to-morrow evening at 8 o'clock.

E. L. Skinner, an Ogdensburg sprinter, offers to run M. K. Kittleman, M. J. Slattery or L. E. Myers 100 yards for $1000 a side, and has posted $100 as a forfeit.

W. Perkins, ex-champion walker of England, died at Guy's hospital, London, Eng., of Bright's disease Feb. 14. He was 33 years of age, and held the records for one, sixteen, seventeen, eighteen, nineteen and twenty miles.

John C. Chapman, manager of the Buffalo baseball club, has signed Holsberger, the pitcher last year for the Binghamton club. Chapman has orders not to exceed $11,000 for his team.

The Grand International hurdle race at Croydon on Tuesday was won by the Duke of Hamilton's b. h. Bolero, 6 yrs., by Bonnie Scotland—Waltz, with Colths second and Xema third. Twelve horses started.

A gentleman in this city has expressed his willingness to back two native-born citizens of Toronto to row a double scull race, for one or two thousand a side, against two native-born citizens of any other city in the world.

The price paid by John Hauch, the Cincinnati brewer, for the Cincinnati baseball club, was $40,000. The time has arrived seemingly when a baseball club, and even a player, is as much a commercial commodity as a horse or a cow.

A new and improved baseball bat will make its appearance with the present season. It will have granulated handles which will enable the bateman to keep a firm grasp no matter how much the hands perspire. It is claimed it will not chafe the hands.

The catcher's chest protector came out last season and filled a long felt want. A westerner, solicitous for the welfare of base-runners, has invented a pad for the benefit of base-stealers. It will be worn on the hip, and will protect base-runners when sliding to the bases.

The annual meeting of the Active Baseball club was held Tuesday evening, when the following officers were elected for the ensuing year: President, F. W. Dunning; vice do., Jas. McIntosh; manager, J. B. Nethery; secretary, D. McIntosh; committee, E. A. Lye, W. B. Hallam, T. Clarke.

Mr. W. J. Gordon reports that Clingstone is in finer form than ever, and will beat 2.14. Mr. Gordon is ready for a match with Harry Wilkes. All Mr. Gordon's other horses are well, and a surprise is looked for from Guy, by Kentucky Prince. A brother and sister of Clingstone are in the same string, and are very promising.

President Sleeman has called a meeting of the Canadian Baseball league for Friday evening next. It will be held at the Rossin house, this city, and Mr. McCann of London will attend. Mr. Sleeman states that London and Guelph were the only clubs that filed their bonds as required by the constitution.

There is trouble in the New York athletic club owing to the brutal slugging entertainments that are frequently held and the amount of drinking that takes place. Two or three members have been knocked senseless and horribly battered by professional sluggers who have been engaged. Malcolm W. Ford has resigned his membership and joined the Brooklyn athletic club.

A telegram dated Melbourne, January 10, gives the following important information relative to the composition of the team to visit England this summer: "The Australian team of cricketers to be sent to England under the auspices of the Melbourne Cricket club will include Horan, Blackham, Bruce, Spofforth, Palmer, Bonnor, M'Ilwraith, Scott, Jarvis and George Giffen. The advice of these ten will be taken in other selections for the team."

Secretary White of the New York state league recently wrote to Secretary Byrne of the arbitration committee, asking if, in his opinion, the contracts made by the Toronto and Hamilton clubs would hold good in the event of the admission of these teams into the state league, and whether the name of the State league could be changed to an International league. Secretary Byrne, in his reply, states that the Canadian players will not have to be resigned and that the name can be changed.

Erastus Wiman has introduced a new element into baseball besides his money, his land and his electric light, namely the courts. The American association has decided that one Burch, a left fielder, belongs to Brooklyn and not to the Metropolitans, who claim him. Straightway the announcement is made that the matter will be fought out in the courts. If baseball disputes are always to be fought out in the courts it will be a great relief to the umpires, but the number of judges will have to be increased.

Admirers of a really first-class athletic entertainment will have an opportunity of indulging their tastes on Saturday evening, March 13, at the rooms of the Toronto Fencing club. When the name of this enterprising club is connected with anything in the nature of indoor sports it is a sufficient guarantee that the program will include the very best talent in fencing, boxing, single-stick, club swinging, etc. As the rooms will not accommodate more than 250 persons, the friends of the members should make early application for tickets.

The first annual curling competition at points for the "Goulding" gold medal was played Tuesday evening on Moss Park rink, 14 members competing. The game was played on virgin ice without any preparation, and according to the new points diagram. The medal was won by James G. Malcolm with a score of 13, the average of the whole competition being a fraction under 9, and this with several young players, who never played the points game before. This being the first game ever played on Moss Park rink according to the new diagram will be considered a grand average score.

Amusement Notes.

The Mikado retains its grip on the amusement public. Yesterday two immense audiences were at the Grand. The engagement closes with the week.

Advance Agent Barney reports that Rosina Vokes and her talented company have taken Ottawa by storm. They will be at the Grand all next week, the opening program being Our Bitterest Foe, My Milliner's Bill and A Pantomime Rehearsal. The sale of seats begins to-morrow.

At the Yonge street opera house two good performances are given daily by the Leonzo Bros.' company, which includes two clever dogs.

A football match will be the attraction at the Princess roller rink next Thursday night, and an amateur three-mile race Friday night, March 12.

There is Nothing Like It.

—There is no one remedy offered to suffering humanity whose use is so universally and frequently required as Hagyard's Yellow Oil, for rheumatism, neuralgia, colds, sore throat, deafness, croup, lumbago, and aches, pains, lameness and soreness of all kinds, when internally and externally used. 246

Up and Up.

Despite all fictitious reports that are being raised against the Canadian Harness Co.'s work by their fellow tradesmen, they are selling more harness to-day than ever before. Three dozen set sold in the last two days, which is sufficient proof that their harness is what they represent them to be. All intending purchasers will save money by calling and examining stock at warerooms, 104 Front street east. 246x

Pooh-Bah.

—Pooh-Bah was the Mikado's high-cock-a-lorum in Japan fifteen centuries ago. He had the power to cut off the head of any subject, or to expel any rebellious merchant from the flowery kingdom. If Pooh-Bah reigned in Canada he would boycott all inferior cigars and compel his subjects to smoke none but "Our Brave Boys" and "General Middletons." w. c. dobson, manufacturer, 159 King street east. 246x

Another Big Strike.

—At the Canadian Harness Co., 104 Front street opposite Hay market, is the place where they will strike you off a set of harness for $18 that you can't buy in any retail store for less than $22. Call and examine for yourself. They are not glued together as some of our *Friends* would try to make you believe. But are guaranteed in every respect. 246x

New Embroideries.

—Ladies will find the latest styles in Swiss embroideries at the Waterloo House, Mr. McKendry having made a very special purchase at less than the cost of production, also big bargains in new white cottons—see the splendid yard-wide bleached for 6c and 7½c. —"What is good for a cold?" is a question often asked, but seldom satisfactorily answered. We can answer to the satisfaction of all, if they will follow our advice and try Hagyard's Pectoral Balsam, a safe, pleasant and certain throat and lung healer. Sold by all druggists. 246

"A and B."

One afternoon said A to B,
"It puzzles me to tell
How you make everything agree
While everything goes wrong with me
In all we buy and sell."

Said B to A: "I always read,
And also advertise;
I therefore find what people need,
And through The World I tell indeed
The list of my supplies.

A BIG BOSTON FAILURE.

Nickerson & Co., Large Shipping Merchants of 50 Years' Standing, Assign.

BOSTON, Mass., March 3.—F. W. Nickerson & Co., large importers, West India traders and commission merchants, who have been in business between forty and fifty years, announce their failure to-day, assigning to Jos. B. Russell, a confidential employe. Their liabilities are $600,000 direct and $300,000 indirect. Their nominal assets are good. The firm is the agent of the Boston and Savannah Steamship company, which is not affected at all. The Eastern Steamship line, running to points in the provinces, is owned in great part by the firm, and is, therefore, affected by the failure. The cause of the assignment is the general dullness of the business in which the firm is engaged.

REPRISALS THREATENED.

The Chinese of Canton Furious Over the Treatment of their Countrymen in America.

WASHINGTON, March 3.—The following cable has been received by the Chinese minister from the governor-general of Canton: "A cablegram has been received from Chinese merchants at San Francisco stating that the Chinese in the United States have been most outrageously attacked. Hearing of this news, the Canton people are furious and retaliation is threatened. How did the American government act in this matter? Can you not ask the president to adopt measures for the protection of Chinese there and for the prevention of these inhuman acts, in order to preserve the friendship of the two countries. Otherwise the consequences here may be serious."

A War Against the Knights

SPRINGFIELD, O., March 3.—There is great excitement over the dismissal of a big force of Knights of Labor from East street Champion reaper works. It is claimed that the number discharged will reach 600 or 700. There are 3,000 Knights at work in various shops in this city. If the affair develops into a general strike, it will be serious.
