It was observed of a celebrated physician that he never said in company, "drink your health," but "my service to you."

A Mr. Hen has started a paper in Iowa. He says he hopes by hard scratching to make a living for himself and his little chickens.

Josh Billings says he has "seen some awful bad throte diseases completely cured in 3 days by sinaply jineing a temperance society."

HEALTH IS STRENGTH.—To prevent or conquer disease is one of the grandest attainments ever aimed at by man; and Bryan's Pulmonic Wafers will as sure cure coughs, colds, tickling in the throat and pulmonary complaints, as war and pestilence will destroy. Severe colds if not attended to sooner or later lead incurable consumption, and the strength of the strongest soon fails if neglected. The wisest and best means known for the cure of these complaints is. "Bryan's Pulmonic Wafers," which have been thoroughly tried for the last twenty years, and have never been known to fail. Singers and public speakers will also derive great benefit from the use of them. Sold by all medicine dealers, at 25cts. per box.

Perry Davis' Pain Killer.

We clip the following from the *Providence General Advertiser*:

"At this season of the year when cholera, cholera morbus, dystentery, and other kindred complaints are sure to prevail, everybody should be liberally supplied with Perry Davis' Vegetable Pain Killer. Persons leaving home, whether it be for a days excursion or a trip to Europe, should be in a position to place their hands on it in a moment's warning. Many diseases in incident to the summer months, which will prove fatal if not immediately checked, can be promptly cured by one or two doses of the Pain Killer. On more than one occasion have we been relieved of intense suffering by the timely use of the above named preparation."

Sold by all Druggists, grocers, and medicine dealers.

MONEY TO INVEST.

THE Canada Landed credit company have money to invest on improved farms

ADVANTAGES TO BORROWERS.

By borrowing of this Company, there is no possibility of the borrower ever being called on suddenly or unexpectedly to pay off the debt.

He pays to the Company in all 10 percent per annum—8 per cent. being for interest and the expenses of management, and 2 per cent. his own money, he pays into a sinking fund, at compound interest, and which cancels the debt in 16 years.

He has, however, always the privilege of liberating his estate from the mortgage at any time on giving six months' notice, whilst the Company remains bound to the end of the term of twenty-six years, and the amount he has paid into the sinking fund, with compound interest, is then allowed in settlement.

He has the privilege, as he may find it convenient, of paying into the sinking fund, over and above his regular contribution, any even sum above $100 in reduction of his mortgage, and for which he is allowed 5 per cent. compound interest.

No Commissions charged—no shares required to be taken—no fines to pay, and no expenses of renewals.

MOTHERS, READ THIS!—HOLLOWAY'S WORM LOZENGES are a certain and safe remedy for Worms in Children and Adults—As it is a well-known and melancholy fact that one great cause of death among children is from Worms alone, it cannot be too deeply impressed upon the minds of parents the necessity of closely watching their children. By so doing, and understanding the symptoms and true cause of the disease, thousands of children might be saved from early graves. SYMPTOMS OF WORMS:—The following are a few of the very numerous symptoms and diseases which are caused by Worms: Deranged appetite, emaciated extremities, offensive breath, frequent picking at the nose, grinding of the teeth during sleep, hardness of the belly, with frequent slimy stools, and sometimes convulsive fits; pain in the head and stomach, unquiet sleep, faintings, trembling, coughs, indigestion, low spirits, frightful dreams, and a gradual wasting away of flesh.

They are palatable and self-administered to the child—drive out the worms thoroughly without pain and completely cleanse the stomach—thereby doing away with the necessity of administering Castor Oil or other un pleasant cathartics—as is the use of other Worm Medicines.

Each box contains the fac-simile signature of NORTHROP & LYMAN, Newcastle Ontario, who are the sole proprietors.

N.B.—Ask for *Holloway's Worm Lozenges*, and take no other. Sold in Goderich by Parker & Cattle and F. Jordon; Gardiner & Co. Bayfield; James Bentham, Rodgerville; J. Pickard, Exeter; J. H. Combe, Watts & Jebb, Clinton; Second, Lucknow; E. Hickson, Seaforth, and all Medicine Dealers. w43

A YEAR'S TRIAL.

Montreal, 1868.

The Montreal Tea Company:

GENTS.—It is nearly a year since I purchased the first chest of Tea from your house. I have purchased many since, and I am pleased to inform you that the Tea in every case proved most satisfactory, as well as being exceedingly cheap. Yours very truly,

F. DENNIE.

Montreal Tea Company:

GENTLEMEN.—The Tea I purchased of you in March has given great satisfaction, and the flavor of it is very fine. It is very strange, but since I have been drinking your Tea I have been quite free from heartburn, which would always pain me after breakfast. I attributed this to the purity of your Tea, and shall continue a customer.

Yours respectfully,
FRANCIS T. GREENE,

ANOTHER WONDERFUL CURE OF CONSUMPTION IN CANADA.

Messrs Young & Chamberlain:

SIRS,—I feel it a duty I owe to you, as well as to the public, to inform you of the most wonderful cure of Consumption, accomplished in my person, by the use of the Great Shoshonees Remedy and Pills. I coughed a great deal day and night, expectorating large quantities of matter and had a great pain about my left lung. I had cold chills every day, and severe night sweats every night and between the racking cough and great sweating, I was almost deprived of sleep. By these miseries, as well as the loss of appetite, I was so reduced that I could hardly stand alone. I was under the care of a physician for a length of time, but finding no relief, I tried different receipes, but all without any good effect. Squire Patterson, of Bath, recommended me to use the Great Shoshonees Remedy; I procured three bottles at once with the Pills. So soon as I commenced using it I began to get better, and when I had finished this compliment, the cough, expectoration of matter, pain about the lung, chills, sweating, &c., left me, and by continuing to use I became strong and healthy. It is now over two months since I quit the remedy, and there have been no symptoms of the disease returning, and I have been, and am now, healthier and better than I have been for many years. I trust you will make this known to the public that they may be aware of the peculiar virtues of this truly wonderful Indian Remedy

THE following remarks on Testimonials of most wonderful and extraordinary cures in Canada by the GREAT INDIAN REMEDY. They are stern, undeniable and incontestible facts, sufficient to convince the most skeptical that the Great Medicinal Compound earned after for ages is now accessible in the Great

for Diseases of the Throat, Lungs, Liver, Digestive Organs, Kidneys, &c., as well as Scrofula, the various Skin Diseases, Humors, and all diseases arising from Impurities of the Blood, we boldly state that this great remedy has NEVER BEEN EQUALLED. Where was there ever such a cure as that in the person of Wilson Storms of Brighton, C. W., of Consumption; or that of Peter C. V. Miller, Earnestown, C. W., of Consumption, or that of Ambrose Wood, of Cameron, C.W., of Dyspepsia and Liver Complaint, or that of John Hosey, of Napanee, C. W. of Rheumatism, who had actually been on crutches for years, in spite of all treatment heretofore, and is now well. Scores of such cases might be mentioned had we space.
