GREAT NEW IRISH RUNNER.

Morphy of Dublin University Shows Fine Form in Championships.

Ireland has produced another remarkable distance runner, and the newcomer has jumped into fame rather suddenly. His name is G. N. Morphy and he is a student of Dublin University. A couple of weeks ago he covered the half mile in 1 minute 56 2-5 seconds, which is the best time accomplished for the distance in the green isle. Walter Slade made the Irish record of 1 minute 58½ seconds as far back as 1878. The Trinity man is said to be something after the lines of Tommy Conneff and moves in the same faultless style. At the Irish A.A.C. championships recently he won the half mile and mile, the time for the latter being 4 minutes 29 1-5 seconds, and as he was not extended in the shorter distance he won in 2 minutes 1 2-5 seconds. At the same meeting Dennis Horgan, who is well known on this side of the water, accounted for the 16-pound shot championship. Following are the new Irish champions:

100 yard run—Won by D. Murray, Dublin. Time 10 2-5 seconds.

16-pound shot—Won by D. Horgan, Banteer; distance 44 feet ½ inch.

Half mile—Won by G. N. Morphy, Dublin University. Time 2 minutes 1 2-5 seconds.

Running high jump—Won by C. Leahy, Charleville; height 6 feet.

Running broad jump—Won by C. Leahy, Charleville, 20 feet 2 inches.

220 yard run—Won by D. Murray, Dublin. Time 24 seconds.

120 yard hurdle—Won by D. Carey, Dublin. Time 16 2-5 seconds.

One mile—Won by G. N. Morphy, Dublin University. Time 4 minutes 29 2-5 seconds.

Throwing 16 pound hammer—Won by P. Ryan, Limerick; distance 140 feet 4 inches.

440 yard run—Won by J. McKenzie, Dublin. Time 53 2-5 seconds.

Three mile walk—Won by S. Kernaghan, Belfast. Time 23 minutes 54 4-5 seconds.

Four mile run—Won by J. J. McNamara, Erlia. Time 21 minutes 1 3-5 seconds.

That Game at Little York.

Sporting Editor World:Apropos of the Ontario final intermediate Association football match, Dundas v. Little York, is this not a good reason for the unpopularity of association football in Toronto? Is it not a fact that outside of the Intercollegiate League we no longer see clean football? It is a case of "do the other man before he can do you" here in Toronto. In this match the referee was chosen by the Ontario Association as one who tries to keep the game clean. What is the result? On Wednesday the Little York players objected 1 ungentlemanly language all thru the game—and in one or two cases, in the vilest of language—to being called down for their dirty work. With regard to the four goals (?) not allowed Little York, surely you cannot call them goals if the referee's whistle has blown, which it had in every case, before the ball passes thru the posts.

The Dundas team played ball, took the penalties they incurred and said nothing, as all players must do in Toronto before we can hope to place association football in the same popular position as lacrosse, hockey, etc.

Probably enough has been said of the mud, stick and stone throwing of the crowd both on leaving the field and on taking the car for the city by the referee and Dundas team.

Professional Golf Tournament

New York, July 13.—For the first time in the history of golf in the United States a professional tournament was begun to-day on public links. Fifty-two of the most prominent professional golfers east of the Alleghenies started off in this tournament over the Vancortlandt Park links and 50 of these turned in cards for a double journey of the entire course. The links were so soggy that low scores were not looked for. The feature of the morning round was the excellent work by Martin O'Loughlin, a 17-year-old boy, who learned the game as a caddie at Plainfield, N.J. He negotiated the course in 78 strokes. In the afternoon, however, O'Loughlin seemed to be unnerved by the large gallery which followed him, and fell behind his morning record by four strokes.

Isaac Mackie, the professional from Foxhills, Staten Island, carried off the honors with the low score of 152 for the double journey. Willie Anderson, the open golf champion of the United States, was the next best, turning in 157 for the day's play, while Bernard Nicholls of Hollywood, N.J., tied Anderson with a similar score.

To-morrow the tournament will be completed, the players having to go twice over the course, making in all 72 holes for the two days' play.

Chatham Won This Trophy.

Ridgetown, July 13.—Fine weather favored the Ridgetown Bowling Association for their first annual tournament for the McMaster trophy. Twenty-six rinks contested from London, St. Thomas, Chatham, Dresden, and Essex, Bothwell, Thamesville, Leamington, Blenheim and Ridgetown. The green was in excellent condition. The Taylor rink of Chatham won the trophy and gold medals. Finchamp's rink of the London Thistles was the runners up, winning a set or carvers each. The consolation prize was four dress suit cases, and was won by the Ridgetown colt rink, skipped by Chas. Koehler, trimming everything in sight. Second prize four cut glass water tankards, were won by the London Bowling Club's rink, skipped by Tytler.

Toronto Driving Club.

The Toronto Driving Club hold their big matinee at the exhibition track to-day. There are five brushes on the card, and a good time is assured. Members starting horses are requested to be at the track at 2 o'clock as, there being five brushes, it means promptness in starting in each class. Classes A and B will be called first.

The races at the butchers' picnic, which is to be held at the exhibition grounds July 19, will have thirteen entries in the free-for-all pace to sulky (hobbles allowed), also in the wagon race for trotters there is a large entry. The horse races will surpass anything that has been held at the exhibition track for the past number of years. The entries close on Saturday.

Tennis.

London, July 13.—Holcombe Ward and Wm. J. Clothier, Americans, placed two points to their credit in the preliminary contest for the Dwight Davis tennis trophy in the singles to-day, defeating both the Frenchmen, Germot and Decugis, with the utmost ease. Norman E. Brookes of Australia beat R. Kinsel of Austria three sets to love. The Americans played apparently careless tennis, making many misplays, only coming to their best form when the exigencies of the game called for extra exertion. The weather was extremely hot.

Both Ward and Clothier admitted to the Associated Press that they were somewhat off in their game. They were confident, however, they would be in good condition when they reached the finals. To-morrow Ward and Wright will meet Decugis and Germot in the doubles, and while the result is practically a foregone conclusion, the Frenchmen will be able to put up a fairly interesting game.

Maroczy in the Lead.

Ostend, July 13.—The chess masters engaged in the international tournament resumed play to-day. Maroczy, by winning his game from Wolf, again jumped into the lead with a total of 15½ points to his credit. Blackburne defeated Leonhardt. Janowski won from Marshall and the games between Mieses and Tarrasch, Tschigorin and Schlechter, Taubenhaus and Teichmann and Burn and Alapin were all drawn. At the close of the play to-day, Janowski and Maroczy were still tied for first place.

SELLEY DRAPER MARRIED.

Popular Government Employe Takes Unto Himself a Wife.

Fifty friends and relatives of Miss Alice Lytle and Selby Draper assembled at 62 Isabella-street on Tuesday afternoon to witness their marriage, which was performed by Rev. Dr. Galbraith at the residence of the bride's mother.

The bride was attired in ivory eolienne over white taffeta, and wore an Irish Limerick lace veil, caught up with orange blossoms. She carried a bouquet of white roses.

Her bridesmaid was Miss D. Brown. The groom was attended by Dr. J. E. Black. The bride was given away by her brother, W. J. Lytle of Collingwood.

The presents were elaborate and costly and very much appreciated, but none more so than a massive piece of cut glass in the form of a fruit dish, and two cut glass carving rests, accompanied by an illuminated address from the officials of the department of lands and mines, of which Mr. Draper is secretary. The presentation was made by W. C. Cain, while the address was read and expounded in a very humorous manner by E. S. Williamson.

The young couple left by boat for Buffalo, Cleveland and Detroit. Mr. and Mrs. Draper will reside after their return, on Cottingham-street.

RYAN'S GREAT STROKE.

Will Sell Out Hyde Stock at a Big Advance.

New York, July 13.—Thomas F. Ryan is willing to sell his Hyde stock to the Equitable Assurance Society. The formal proposition will shortly be made. He expects an advance on the price he is said to have paid. The advance will be a sum ranging between $500,000 and $1,000,000.

The Ryan plan is expected to satisfy those who think the Equitable should be mutualized. It is expected to have the approval of Superintendent of Insurance Hendricks, who favors mutualization.

As Mr. Ryan controls the Equitable absolutely, the plan is expected to go thru unless public clamor and legal interposition prevent.

Mr. Ryan under his plan would still control the Equitable, even when he gets back the money he is said to have paid Hyde for the stock. He will, assuming he invested $2,500,000, get back that sum and a handsome profit and still be the master of the Equitable millions.

Wall-street gasped when it heard the news.

A QUESTION OF VERACITY.

Cleveland, July 13.—"John D. Rockefeller did rob me of my Standard Oil stock notwithstanding his denial, made thru his attorney, Virgil P. Kline, of the truth of Miss Tarbell's version of the transaction by which Rockefeller got possession of the certificates," said James Corrigan to-day.

CRYSTAL VERY UNSTEADY WAS POORLY SUPPORTED

Puttmann a Clever Twirler—Montreal 6, Newark 2—Bisons Rough on Hassett.

The strong Providence nine were a bit too strong for the Harleyites on Thursday and the homesters just avoided a shut-out Puttmann pitched great ball and held the game safely all thru. Crystal's support at times was very ragged and at other times his pitching was not steady. All in all it was easy for the Greys. At Buffalo there was trouble over Umpire Hassett's decisions and the official awarded the game to Jersey City. The tail-enders trimmed Newark 6 to 2. It rained at Rochester and the leaders couldn't play. Record:

Clubs.	Won.	Lost.	P.C.
Baltimore	38	26	.593
Jersey City	36	25	.590
Providence	36	27	.571
Buffalo	32	31	.508
Toronto	31	32	.492

Montreal	25	40	.385

Games to-day: Providence at Toronto, Newark at Montreal, Jersey City at Buffalo, Baltimore at Rochester.

Providence 8, Toronto 1.

Puttmann and Crystal were the opposing slab artists and the ex-American Leaguer of the Providence team pitched easily the the better game. At critical points he was invincible. His delivery was clean and fine to watch. He caught on with the bleacherites too. He had perfect control and passed none. He was hit safely in seven of the nine innings. Two hits were bagged off him in the third and again in the eighth. In the ninth three hits were counted and one run resulted.

Crystal for three innings allowed not a hit. In the fourth Dunn developed a daisy, and in the fifth a run was counted. But it should not have been. With Conn gone, Brodie reached first on Carr's misplay. Hynes, b Reade 0
Baines, c Davidson, b Beddow 0
Hancock, b Reade 0
Campbell, c Davidson, b Beddow 8
Wallace, b Beddow 0
Smith, c McIntyre, b Beddow 12

Total for 6 wickets 164
Greene, Ross, McPherson and Beddow did not bat.

Brodie reached first on Carr's misplay. Rock's nice single advanced Brodie to second, Brodie tried to steal third and went out on Sullivan's good throw. Puttmann missed the third strike and Sullivan failed to catch it and get the third out. Then Poland came along with the necessary drive which sent in the first run. In the sixth there was a comedy of errors on the part of the Torontos. Dunn, first up, was passed, Jacklitz had his finger injured by a pitched ball and Thomas took his place behind the bat, Thomas cracked out a single, advancing Dunn. Dillard grounded to Crystal and was safe at first on fielder's choice, Dunn going out at third. Then Conn was passed. Then Brodie was hit, forcing in Thomas. Rock's short fly to Murray scored two runs, Dillard and Conn. Sullivan missed Murray's throw in. Puttmann lined one straight at O'Brien, who muffed it and Brodie came in on the misplay. Murray's good catch of Poland's long fly retired the side. In the seventh it was different. It was hits instead or errors. Ball singled, was advanced by Dunn's sacrifice and Sullivan's passed ball and scored easily on Thomas's fly to Murray. Then with two out Dillard, Conn, Brodie and Rock cracked out singles all in a row and two more runs were tallied.

Toronto's only run came in the ninth on singles by Sullivan, White and Harley.

Crystal's work was poor. He passed three and at critical times he was wild. He was not steady. He was not accorded good support in the field, Sullivan's work being especially mediocre. The score:
