ROBBED THE HOUSE AND BOUND OWNERS

Pittsfield, Mass. June 6.—Three masked automobile bandits at the point of revolvers, early this morning, held up and robbed Mr. and Mrs. Leon Hazelton, in their home at "Jacob's Well," on the state highway, in Becket. After ransacking the house and taking between $75 and $100, the bandits, according to the story told to State Detective Thomas Bligh of this city, bound and gagged Mr. and Mrs. Hazelton in chairs back to back and then left the premises.

STILL DEBATING TARIFF REVISION WITH INDIES

Ottawa, June 6.—The proposals of the West Indian delegation now in conference with the British and Canadian governments in Ottawa concerning a revised tariff have not yet taken definite shape at the end of the first week of the conference. The question of a more favorable tariff preference for the products of the islands is the principal one before the conference, and much time has been devoted to a survey of customs duties.

An announcement of the work accomplished by the conference is expected from the Canadian government early next week. The conference is being held in camera.

LORD'S DAY MUST NOT BE VIOLATED

Strong Plea is Made by Preacher for Quiet Sunday.

A strong appeal for the safeguarding of the Sabbath was made by Rev. D. W. Snider of the Lord's Day Alliance, in an address before a large congregation in Woodgreen Tabernacle, corner of East Queen street and Bolton avenue, at the evening service yesterday. The preacher took for his text, "Thy statutes have been my song," with which he associated the Bible quotation, "The statutes of the Lord are right, rejoicing the heart."

"The Christian is not the grumbler or the groucher, but he delights in the law," said the preacher, "because he loves the Lord and he keeps His commandments. The decalog would be included in the statutes over which he rejoiced. He would rejoice in the fourth commandment, the Sabbath meant for the Jews liberty to rest and to worship. The Lord's Day carried with it the same privileges as the ancient Sabbath by reason of the fact that it keeps the memory of the Lord for the dead and therefore ought to be the more respected or reverently observed.

"The Lord's Day has been called the core of our Christian civilization," said Rev. Mr. Snider, who instanced among some of the problems affecting the observance of the day in Canada—the attempt to commercialize sports, baseball, etc., and to open theatres on Sunday. In conclusion the preacher made an earnest appeal for the safeguarding of the Lord's Day, for the welfare of the people and the nation at large.

Rev. E. B. Lanceley, pastor, preached at the morning service and special anthems were rendered by the choir.

VISITING MINISTERS PREACH.

Two out-of-town ministers conducted the services yesterday in Riverdale Methodist Church, corner of Leslie and East Gerrard streets. Rev. J. Lawrence, pastor New Liskeard church, preached in the morning and Rev. F. L. Brown, Orillia, superintendent of home missions, officiated in the evening. Rev. Dr. Long, pastor, assisted at both services. There were large attendances during the day.

NEED MORE CAPITAL.

The greatest need at Broadview Boys' Y.M.C.A., according to the last annual report, is sufficient capital to provide income-producing facilities, for which the undeveloped resources are available, such as dormitories, additional bowling alleys, billiard tables and filter for the swimming tank. The board of management are looking forward to the near future developments along those lines.

HAD RECORD ATTENDANCE.

Rhodes Avenue Presbyterian Church held the largest attended children's service in the church's history yesterday. Rev. H. A. Berkis, pastor, officiated. During the service the sacrament of baptism was administered to eight babies. The time for Sunday school attendance was changed yesterday to 10 a.m. for the summer months, instead of 3 p.m., the usual time.

Elevator Men at Buffalo Vote to Return to Work

Buffalo, June 6.—Grain shovelers and elevator house men here who have been on strike for two months, voted at meetings held today to return to work tomorrow morning. The shovelers will receive a ten per cent. wage increase, while the house men, waiving their demands for a 20 per cent. increase, will get a flat rate of $6.00 a day, with overtime allowances.

The labor troubles have crippled the elevators since the opening of navigation, altho they have been operating with forces re-collected after the strike.

HIGH PRICE PAID FOR IDLE LAND

Offered for Nine Dollars Few Years Ago, Now Brings Hundred and Fifty.

The Kenwood Garage on Dufferin street is now finished and the shops surrounding it also ready for occupation. A florist, a restaurant and a bakery will open up here. The land upon which this property is built and been lying idle for twenty years or more and was offered for nine dollars a foot until the last year or two, when land values went up to $150 per foot.

Rev. Patrick Denison, an ex-Catholic priest, has been drawing large audiences to the Boon Avenue Baptist Church for the past few days. He formerly had a church out west and is now supplying the Baptist pulpits of Toronto.

A Ford car was in collision with a civic car yesterday at the intersection of St. Clair gardens and St. Clair avenue and narrowly escaped a smash-up which would have occurred but for the promptitude of the motorman, who stopped his car in the nick of time. The fender of the Ford was partly torn off and the street car had some of the paint scraped.

Several Earlscourt British families left last week for the old country on a visit to relatives whom they have not seen for many years. Some of these passengers have been waiting to get across since February, but, owing to the crowded condition of the boats, have been put off until now. As it is, many families have to wait until next year.

Special Sunday school anniversary services were held at the Earlscourt Central Methodist Church on Sunday. In the morning Rev. H. J. Oke, pastor of Prospect Methodist Church, was the preacher and in the evening an address was given by Mr. Ivor Brock of the Sunday School Union. There was a large attendance. This church's Sunday school is said to have the largest membership in Ontario, numbering some two thousand. J. Cryderman is superintendent and M. C. Pritchard secretary. In the evening Pastor E. C. Hunter was the preacher.

DANFORTH

Can Import Tiles Cheaper Than They Can Be Made at Home

Great strides are being made in the Toronto Master Drainers' Protective Association campaign, and, according to the statement of President William Tyler the members enrolled number between 85 and 90 per cent. of the master drain men in the city to date. Mr. Tyler also stated that the association is getting into touch with the drain and tile manufacturers in the old country with the intention of shipping drains and tiles to Canada.

He also pointed out that there are large stocks of these commodities on hand in England owing to the building trade not being as brisk as in other countries. From information already in the hands of Secretary George Tucker drains and tiles can be shipped from England to Canada and sold at a lower price than the local supply people.

"It is our determination to accept the challenge of a certain builders' supply firm who stated we would not be supplied direct by the drain and tile manufacturers," said Mr. Tyler.

Scotchmen Would Revive Their National Games

A well attended meeting of Sons of Scotland Christie Camp was held recently in Playter's Hall, Danforth avenue, when a discussion took place regarding the revival of the Highland gatherings which were held at the exhibition grounds before the war. John Roxbury, grand deputy, was instructed to bring the matter before the grand camp at its next meeting. It was also arranged to hold the annual picnic next month on the grounds at Stop 30, Kingston road. Highland games and sports with the national costume worn by the members will be a feature of the proceedings. John Thompson, worthy chief, occupied the chair and six new members were initiated.

During the evening an interesting address was given on the aims and objects of the association by John Roxbury.

SUGGESTION FOR CONTROLLERS

"If the city is unable to settle upon the personnel of a housing commission I have the following suggestion to offer," said a Danforth avenue builder to The World yesterday. "The board of control to form a body composed of one practical representative from each branch of the building trade with a commissioner at its head, and then you have a sensible housing commission. The houses can be profitably erected with satisfaction to the city and the purchaser," said the builder, who instanced the case of a Greek builder in the Danforth district, who, starting with a capital of $800, built five stores on Danforth avenue and cleared $7,000. "This man leaves for his home in Greece on Wednesday next," he said.

BROTHERHOOD MOVEMENT.

Hope Methodist Men's Own Brotherhood, recently inaugurated under the Dominion Federation, held their first regular meeting in the Sunday school room yesterday afternoon with a large attendance. Dr. K. Campbell, president, occupied the chair, and an appropriate address was delivered on the brotherhood movement by Rev. John J. Coulter, pastor Danforth Methodist Church, who formerly superintended a similar organization at Uxbridge, Ont.

CURE FOR POISON IVY.

"Poison ivy is to be found growing in many places thruout the east end. There is no danger to be feared in handling poison ivy, providing the hands are dry," said A. J. Smith, president of the Riverdale Horticultural Society, to The World. Mr. Smith pointed out that where the ivy grows the antidote is also to be found. Milkweed is a certain cure for the sting, if its stem is broken and the milk smeared over the part affected, the poison from the ivy is eliminated.

Provided the hands and feet are dry, there is no danger from poison ivy, Mr. Smith declared.

FEAST OF CORPUS CHRISTI.

Yesterday the feast of Corpus Christi was observed with special solemnity in all Catholic churches thruout the city.

In St. Joseph's Church, Curzon street, a procession was held in the afternoon around the grounds, in which all the various societies of the parish took part. The blessed sacrament was carried by Rev. Father Kirby, assisted by Rev. Dr. Arthur O'Leary, rector, and Rev. Denis O'Connor, who preached an eloquent sermon appropriate to the feast. The service concluded with benediction.

The church was crowded. Special services were also held at Holy Name Church, St. Anne's, and St. John's, Kingston road.

It is expected that the memorial lectern will be used for the first time. BEACHES

HOME FROM BOLIVIA.

Mrs. John Linton, Methodist missionary home on furlough from Bolivia, South America, gave an outline of her work during the past twenty years there, at the evening service in Beach Avenue Methodist Church yesterday. The mission, which is a small one, is in charge of her husband, and Mrs. Linton will shortly return to join him in the work among the Bolivians.

The Sunday school was held at 12.15 instead of at the usual time, 3 p.m., and will continue at that time for the summer months.

NURSES ARE NEEDED IN YORK TOWNSHIP

An important joint meeting of school trustees of school sections 7, Plains Raod; 15, Fairbank; 26, Second; and 27, Todmorden, was held on Saturday evening in Barrington Avenue School, when several live questions affecting school curricula were discussed.

Andrew Grant occupied the chair, and a deputation of ratepayers brought up the matter of the appointment of nurses for the various schools thruout the township. Many advantages, it was pointed out, were derived by the sections in which the nurses were already established.

Inspector Jordan also spoke favorably regarding the work of the nurses, and after some discussion it was decided to again bring the matter up at a special meeting to be held on July 3 in Second School.

The question of uniformity of action thru the organization of a school board for the township was favorably considered. The chairman pointed out that much overlapping would be eliminated.

Other matters of school government were touched upon by the various members. There was a large attendance.

WEST TORONTO

HONOR MEMORY OF GEN. MERCER

General Williams Says Veterans' Memorial Service Most Impressive.

General Mercer, G.W.V.A. memorial, held last night in the Beaver Theatre, West Toronto, according to Major-general Victor Williams, G. O. C. of M.D. No. 21, was the most impressive he had witnessed since coming back to Canada: President A. S. Burch, of General Mercer, stated that the branch represented from 2,500 to 3,500 enlisted men of whom about 300 had fallen. Exact returns from churches gave St. Cecilia's, 327 enlisted and 33 fallen; Annette Street Baptist, 48 enlisted and 6 fallen; High Park Methodist, 216 enlisted of 39 fallen; Scarlett Plains Methodist, 49 enlisted and two fallen; Runneymede Presbyterian Church 40 enlisted and 21 fallen; St. John's Anglican, 243 enlisted and 22 fallen; Victoria Presbyterian Church, 376, enlisted 43 fallen, and Royce Avenue Presbyterian, 135 enlisted and 17 fallen.

Col. Wm. Beattie, C. M. G., of Ottawa, and Major-General Victor Williams, were the chief speakers. The Salvation Army Band of West Toronto, led the veterans in parade, playing The Dead March in Saul, and, after the introductory remarks of Major A. L. Burch, the invocation was made by Rev. Dr. J. P. Tracy of St. Cecelia's Church.

Comrades First.

Col. Beattie's address was an exposition of the many phases of character of the late General M. S. Mercer, killed at Sanctuary Wood, and in whose honor the West Toronto people had named their branch. The qualities so perfectly developed in General Mercer were also the characteristics of the Canadian soldiers. "Courage, coolness and preference for others first," said the speaker, "was dominant among our boys. In all my experience I never met a wounded man, but who thought of his comrade first." Referring to two returned men, one having been operated upon 11 times, and the other 17 times, who are sometimes spoken of as not normal men, he said, "Let our sympathies be as big as their fortitude and patience."

The chaplain saw all sides of the men. "Men who had kiddies back here found it a bit hard to be cheerful after a year. Yet there was a humor, too, that joked men about the duration of the war. Men of such spirit could not be beaten by any Hun that now drew the breath of God."

The religious fervor of General Mercer, who always attended two services a day, if possible, was fondly remembered by his men. "I will not say that every man who went overseas was a saint," said the speaker, "but with very few exceptions the men were deeply religious. Religion was a mighty factor in their lives. These men did not wear their religion on their sleeve. They wore it in the citadel of their soul, in the place where it makes men mighty.

"I believe that after war days are dawn days," the speaker concluded. "I believe that God is not going to let this sacrifice go unrequitted."

Personality of General Mercer.

Major-General Williams, who was with General Mercer at the time of his death, but had been wounded and was unconscious and later taken prisoner, spoke reminiscently of General Mercer and his outstanding personality on the battlefield. "You will not hear a returned man tell what he did," said Williams, considered it his duty to work in the interest of the returned men. "Whenever I see a man wearing a button I want to talk to him," he said.

An offering was taken to start a memorial fund for a hall, and $109.53 was received, Manager Spears of the Bank of Montreal being charged with trust, assisted by Messrs. Bradford, Ford and Secretary W. H. Brown, whose office is removed to 15 Macaulay street.

Gen. Rennie, Col. Royce and many others were present, along with Mr. F. Mercer, brother of the late general.
