PILES CURED

Writing from Poplar, B.C., Mrs. C. Hanson, proprietress of the Commercial Hotel, says: "I suffered for years with bleeding piles. The pain was so bad at times that I could hardly walk, and ordinary remedies seemed utterly unable to give me any ease. Finally I decided to undergo an operation, and went to the Sacred Heart Hospital in Spokane. There they performed an operation. For a time I was certainly better, but within twelve months the piles became as painful as ever. I tried liniments, hot poultices, various 'pile cures,' and indeed everything I could think would be likely to do any good, but still I continued to suffer, and the shooting, burning, stinging pains, the dull, aching, 'worn-out' feeling that the disease causes continued as bad as ever.

"One day I read about Zam-Buk and thought I would try it. The first one or two boxes gave me more ease than anything else I had tried, so I went on with the treatment. In a short time I began to feel altogether different and better. Well, I went on using Zam-Buk, and by the time I had used six boxes I was delighted to find myself entirely cured. That was three years ago, and there has been no return of the trouble."

Zam-Buk is a sure cure for piles, eczema, ulcers, abscesses, eruptions, chapped hands, varicose sores, burns, scalds, bruises, inflamed patches, and all skin injuries and diseases. Druggists and stores everywhere, 50c. box, or Zam-Buk Co., Toronto, for price.

DOCTORS COULD NOT HELP HIM

BUT GIN PILLS DID

"During August last, I went to Montreal to consult a specialist as I had been suffering terribly with Stone in the Bladder. He decided to operate but said the stone was too large to remove and too hard to crush. I returned home and was recommended by a friend to try Gin Pills.

"They relieved the pain. I took two boxes and went back to the specialist. He said the stone was much smaller but he could not remove it although he tried for two hours and a half. I returned home and continued to take Gin Pills—and, to my surprise and joy I passed the stone. Gin Pills are the best medicine in the world, and, because they did me so much good, I will recommend them all the rest of my life."

CHINESE FAMINE FUND

Within a few weeks there has been organized in Toronto a Chinese Famine Relief Fund, with the Governor General as patron, the Lieut. Governor of Ontario as honorary chairman; R. S. Gourlay, chairman; Joseph Henderson, vice president of the Bank of Toronto, honorary treasurer, and Wm. D. Gwynne, honorary secretary. Up to March 29 they had received from Presbyterian and Methodist sources $8,398.67, and C. H. Keys tells me in his letter of April 3 that they would cable $10,000 to China in a few days.

In this circular they say: "In Asia the 20th century is China's as it is Canada's in America. China is now the scene of a transformation the most marvelous in history, and what is happening there is of importance to us, since in this rapidly shrinking world Canada and China are neighbors. Famine at any time is grievous affliction, but added to political revolution, as in China, it must stir the sympathy of a people as favored as Canadians are with stable institutions and blessed with abounding prosperity. Here there is a unique opportunity to show practically our good will to the new Chinese nation in the time of their sorest need. Scattered contributions are already being sent in through United States channels, but it is the general feeling that our plan of relief should be carried out on a national scale."

$545 of donations received by our local treasurer from New Brunswick and a few places in Nova Scotia, was forwarded on the 8th March to the relief committee in Shanghai through the International Banking Corporation of New York, but, as they have wakened up in Toronto, and have formed a Canadian National Effort for China's relief, the balance of contributions received here will be sent through them. The total received here to date is not quite $300 less than the amount received at the closing of the fund in St. John in July of last year.
