Good Night, Midland! St. Mikes Win by 4 Goals to 1

ST. MIKES PUT IT ALL OVER THE HOCKEY CREW AT MIDLAND

McCamus, Laflamme, Richardson and Gordon Are Specially Mentioned in the Despatches — Rink Just Comfortably Filled.

—By D. L. Sneddon.—

MIDLAND, Feb. 18.—(Staff Special.)—St. Michaels should win the senior semi-final with something to spare. The second home-and-home series to find an opponent for T. R. & A. A. in the final was started here tonight, and St. Michaels did the unexpected by gaining a three-goal lead for next Friday's game. Without the services of Frank Rankin it was thought the best the Saints could do would be to hold Midland close. The St. Mikes were all over the Midland crew in the first half, and more than held their own in the last set-to. Jack McCamus, who subbed for Rankin, played the best game of his career, and, along with Laflamme, checked the Midland line to a standstill. The final score was 4 to 1, and it just about tells the story. Richardson and Gordon checked well all the way, and the defence did all that could be asked of them. Bricker put up a stellar article in the nets. Beatty failed to shine, as Dutchy Richardson held him at all times. Macey and Levereau played good hockey, but the hard checking kept them from getting thru.

The rink was just filled comfortably, and the noisy Toronto crowd was missing. Only 150 made the trip up from the Queen City, and it was a very orderly gathering. Frank Rankin's shoulder is still very sore, and, with the bump he got here on Friday, he was a sick boy. He will play in the return game at Toronto. McCamus was at rover.

Midland presented the same line-up as last week. The ice was all that could be asked for, with the betting even on the round.

First Half.

The game started fast, and the play was at centre ice for the first few minutes. Jimmy Dissette broke up a Midland rush headed by Nicholls, and carried it down, but his shot was wide. It was a roaring game, with St. Mikes showing a lot more speed than they did last week. Jack McCamus gave the natives something to look at with his speed and brilliant stick-handling. Jerry Laflamme was playing a wonderful game. He checked from side to side and end to end. The dentist centre tore thru all alone from a face-off and fooled three Midland men, finding the net for the first goal of the game. Time 8.50.

The St. Michaels broke up every Midland rush and had all the better of it in the first fifteen minutes. The Saints checked so hard that Midland could not get past centre, and the St. Michaels front line kept boring in. Dissette and Richardson had a chance, but Dutchy missed by inches only. Laflamme stole the puck from Beatty and landed it in the side of the net from the left side. It was a nice piece of work. Time 3.30.

With a two-goal lead, the St. Michaels kept up their aggressive play, and Bricker was practically idle. It was a big change from last week's encounter, and the Saints were better at all times.

Gordon took the count when he was jammed between Dissette and Macey on the boards. He got some bruised ribs.

Bricker Draws Penalty.

Bricker tried to trip Macey at the same time and drew a penalty. Midland had a two-man advantage a minute later when Laflamme drew a penalty for sticking out his skate. It went for nothing, as St. Mikes checked like fiends. The pace told, and the Midland forwards hoisted the distress signals. Jack McCamus was playing the best game of his career. Nothing could stop him and he showed something new in a back checking game that counted.

Laflamme uncorked another of his lone rushes and the puck bounded off the goal post.

Chase shoved one in from a face-off two feet out from the St. Michael's goal. It looked as if it was on the outside of the net, but the goal umpire said no. Time 16 minutes. The half ended: St. Mikes 2, Midland 1.

St. Michael's speed was what beat Midland in the first half. They broke fast at all times, and this, coupled with their close checking, had Midland bewildered. McCamus and Laflamme were the stars, and both played grand hockey. Richardson and Gordon checked all the way, and Dutchy looked after Beatty in great style. Lavigne started some nice rushes, but Dissette and Murphy were like a stone wall. Bricker had not much to do during the first half, while McCamus, Laflamme, Richardson and Gordon peppered Scott. He made some nice stops.

Second Half.

It was not a minute after the start whe Laflamme made St. Mikes' lead two goals again. Jerry rolled it in from the side with three Midland men checking him. St. Michaels were playing the same kind of game as in the first period, and it rattled the homesters. Nicholls was trying his long end to end lifts and it looked foolish. Gordon got thru, but Scott came out and toog the lift on his chest. Laflamme was lying in the goal mouth for Richardson's pass from the corner and he just batted it in. Time 6.30.

Midlnd were checking in better style, but St. Michaels still had them on the defensive. Jerry Laflamme was a horse for work and was tearing all over the ice handing out his telling poke check. It was nice clean hockey with St. Michaels always the better team. Laflamme looked after Chase and Richardson never let Beatty away for a second.

Midland took a spurt and put Murphy's boys on the defensive. Murphy took it down time after time, but Lavereau and Chase brought it back. Bricker, who was having an easy time early in the night, had to clear some hot ones. The forward line broke up the combination, and St. Mikes drove a few at Scott. Never for a minute did it slacken. The game ended without further score, and the final was St. Mikes 4, Midland 1.

HOCKEY GOSSIP

All players of the Woodbine Hockey Club are requested to be out to practice tonight at Kew Gardens at 7 p.m. sharp, as the Woodbines must win all their remaining games to tie up the district, and they cannot expect to win if they do not practice.

The Kingston Frontenacs are preparing their hockey team to visit Syracuse Feb. 21 and 22.

Hancock will referee tomorrow night's game between Dominion Bank and Bank of Toronto. This is bound to be a stiff game, as a win for either team practically gives them the honors in the series.

Murphy and Gordon seem to take kindly to lots of work. Playing at Midland last night, with Dominion Bank tomorrow night, and with St. Michaels again on Friday night sort of makes a busy week.

The Old Boys' Hockey Club will go to Newmarket on Thursday night. The old boys' players: J. J. Kelly and Tom Kelly, Brantford; Epworth Brothers, Oshawa; Cal. Hartford, Hespeler; Matt Mulroy, Preston, and Fox, Martin, W. Trivett, C. Pipher and Frank Doyle of Toronto. The team leave North Toronto on the 5.30 p.m. train.

Markham Hockey Tournament.

MARKHAM, Feb. 18.—The hockey tournament opened here last night with Brougham v. Outlaws of Markham, and Stouffville v. Highland Creek as the contestants. Both games were hotly contested, Brougham winning by 6 to 2, and Stouffville defeated Highland Creek by 4 to 1. Referee Stanley Burgoyne has been engaged to handle all the games during the tournament, which means that only real hockey will be played. The tournament continues Wednesday to Saturday night, having been canceled tonight to permit of the local hockey enthusiasts going on the special train to Whitby.

Woodstock and Stratford Tie.

WOODSTOCK, Feb. 18.—(Special.)—Which is the better team, Woodstock or Stratford juniors? The question is still undecided for the teams played a tie here tonight, 5 goals each. VARSITY SQUAD TURNED TABLES

Trimmed T. R. & A. A. After a Great Battle, But Lost on Round—College Boys Play to Form.

Varsity defeated T. R. & A. A. last night at the Arena by the score of 5 to 4, but lost on the round, as the black and white squad had a three-goal lead, having won on Saturday by the score of 7 to 4. The total score on the round was 11 to 9 in favor of T.R. & A.A.

Varsity certainly surprised the fans by their sudden display of form, and before T.R. & A.A. knew what had happened the blue and white had the Queen City septet hustling for all they were worth to escape a severe trouncing.

The Queen's Park boys opened up right from the start, and it looked as if T. R. & A. A. would be crying for help very soon. The college boys used their weight to good advantage and checked their opponents off their feet. The black and white's defence were very much off-color and time after time the Varsity forwards ripped right thru them, while German and Frith were like a stonewall and gave Parker great protection.

T.R. & A.A.'s forward line were certainly chewed up some, and they found themselves outskated and outchecked all the way, and they did not take kindly to the rough going. This was the first real hard game that the black and white have had, and it put them in rather a bad light.

When Varsity had succeeded in tying up the round and were leading in the game by the score of 5 to 2, T.R. & A.A. showed a sudden spurt of life, and things hummed for a few minutes. The play became rougher, and three Varsity men were banished from the ice for roughhouse tactics. With four men to seven, the college boys were helpless, and Meeking notched two while they were absent. It looked rather lucky for T.R. & A.A., but the penalties were certainly due the offenders.

For Varsity, Wilson was a whirlwind, and his work compares favorably with either McCamus or McKenzie, and he has more speed than either of them. Frith showed up well, too, and he opened some brilliant rushes. All the other Varsity boys were very aggressive and checked back like fiends. For T.R. & A.A., Meeking and Hunter were the stars, but the former rather spoiled his good work by his continual loafing and underhand work. "Ack" Hunter was a tower of strength, but was unable to get away very often. Hyland was given a try-out at rover, but did not show anything.

The teams:

T.R. & A.A. (4)—Goal, Addison; point, Hunter; cover, Heffernan; rover, Hyland; centre, Meeking; right, McLean; left, Brown; substitutes, McKenzie, Birrell.

Varsity (5)—Goal, Parker; point, German; cover, Frith; rover, Wilson; centre, Webster; right, Knight; left, Aird.

Referee—Lou Marsh.

The first half was played under O.H.A. rules, and both teams had several changes on their line-up. Hyland replaced McKenzie at rover, German took Hanley's place at point, and Wilson replaced Sinclair at left wing.

Play opened at a terrific clip, and T.R. & A.A. ran into some pretty stiff checking, and Varsity began to forge ahead. McLean was benched for tripping. Webster rushed and passed to Aird at the goal mouth, who scored easily. Aird off for tripping, and Frith followed soon after. When they returned to the ice, Webster and Aird combined for another in two minutes and a half. Birrell replaced McLean, and McKenzie took Hyland's place. Penalties were handed Webster, Aird and Heifferman. Meeking went thru and bulged the net. Knight, however, came right back and made it 3 to 1 in favor of Varsity. Hyland replaced McKenzie. Addison was called upon to stop all kinds of shots just before half-time was called, and he was very lucky in clearing some of them. Half-time score: Varsity 3, T.R. & A.A. 1.

The second half was played under Intercollegiate rules. Birrell was shifted over to rover, replacing Hyland when McLean came on. Meeking scored a lucky one from a face-off at the side of the goal. Meeking was given five minutes for slugging Webster. Wilson doubled in a score a half-minute later on a nice rush. McLean nearly crippled Knight when he broke his stick across Frank's ankle. Frith made it 5 to 2 and tied up the round when he went right thru the whole team and scored. Score on round, 9—9. Aird was hurt and McLean was dropped to even up. McKenzie replaced Birrell, Webster, Aird and Knight were all benched within a minute, and, with seven men to four, T.R. & A.A. secured another when Meeking went thru. He scored another a half-minute later. All of Varsity's men returned right afterwards, and Varsity began to press, but were unable to beat Addison again. Game over. Final score: Varsity 5, T.R. & A.A. 4. Score on round: T.R. & A.A. 11, Varsity 9.

GAGE, WILLIAMS LEVY AND RANKIN

Boxers Who Qualify at Varsity Tournament—The Wrestling Bouts.

The annual boxing tournament at Varsity was opened yesterday and provided many good bouts. In the afternoon five bouts were run off and the rest were staged in the evening. Some of the boys displayed considerable cleverness and as usual, hard and fast hitting were the features. The winners of the respective classes will meet last year's champions this afternoon in the finals. The champions will all be entered in the Intercollegiate tourney on Saturday, and from the calibre of the padded glove exponents on exhibition, Varsity should have a grand chance to win another championship.

Referee: Prof. Williams. Judges: Messrs. Boyce, Scholes and Willison.

The results:

145 lb. class—Harriman (Dents) got the decision over Seale (Trinity), as he did most of the leading. Both boys were very evenly matched.

125 lb. class—Armstrong (S.P.S.) secured a clear lead over Brethover (Trinity), and won after having had the better of the last two rounds.

115 lb. class—Rankin (S.P.S.) beat Blatz (Vic.) after a grueling contest. The first round was very even, but in the second Blatz began to use his science with damaging effect, and had a good margin at the close of the round. The third round furnished some very clever work by both boys, but Blatz weakened badly in the final minutes and had difficulty in staying the limit.

145 lb. class—Lefroy (Arts) received a decision from Hayes (Trinity) in a red hot struggle. Lefroy had a far superior reach and displayed some cleverness. Hayes, however, had his man covering up most of the time, and the decision was not popular. The judges maintained that the winner was far the better boxer.

145 lb. class—Flesher (Trinity) gave Robinson (Wycliffe) an awful drubbing and shot right and left jolts to his head and body repeatedly thruout the bout. In spite of the severe punishment the latter received he kept on coming back for more and he exhibited a nice cross counter with telling effect.

158-pound class—Levy (S.P.S.) was given the decision after a minute's fighting in the second round over Beaver (Trinity), who was no match for the powerful School man.

145-pound class—Burgess (Arts) all but put Harriman (Dents) away in the first round, but the bell saved him. Harriman was unable to come up for the second round.

145-pound class—Williams (Trinity) had an easy time with Rogers (Trinity), and allowed his schoolmate to last the limit. Williams never had to exert himself to stay the limit.

Heavyweight—Gage (S.P.S.) refused to put a sleep-producer across, altho he had several opportunities. He was given the decision over Martin (Wycliffe) soon after the third round opened.

115-pound class—Rankin (S.P.S.) beat his man up pretty badly in the third round after the two former ones had been drawn. His opponent was Sayers (S.P.S.).

145-pound class—Lefroy (Arts) won from Flesher (Trinity) in the final minute by some nice boring in, that had his opponent puzzled.

125-pound class—McClinton (Meds) had to go four rounds before he finally got a decision over Armstrong (S.P.S.). After each had scored in the first two rounds, they came up for the third and started a ding-dong battle, with both men giving and taking with a will. The judges ordered another round, and the winner fought cautiously and made his blows tell more. This was the best bout of the evening.

The bout between Burgess and Lefroy in the 145-pound class will be staged today, and the winner will meet Davidson, last year's champion, for the title.

Levy, Rankin, Williams and Gage thus qualified to meet the present champions this afternoon.

Wrestling.

The wrestling bouts resulted:

Heavyweight—Mahaffy (Educ.) v. Curtis (S.P.S.). In the first bout neither were able to secure a fall. Mahaffy in the second spasm downed his man in two minutes.

145-pound class—Uffelman (S.P.S.) v. Davidson (S.P.S.). Davidson, a novice, did extremely well in downing Uffelman in 4½ minutes in the first bout. He secured another fall in the second bout in fifty seconds.

135-pound class—Tomlinson (S.P.S.) v. Crawford (S.P.S.). Tomlinson secured a fall with a reverse chest hold in the first bout, and secured another with a half-Nelson and crotch.

"Now, Alice," said Mrs. Bounce to her newest domestic, "whilst I'm out just pare the potatoes, and put them ready. I shall not be long gone."

About an hour later Mrs. Bounce came back from her shopping expedition, bringing the meat that was destined to accompany the potatoes to the dinner-table. Alice was calmly seated on the floor, and around her a goodly collection of the delectable tubers.

"Good gracious!" exclaimed the horrified mistress; "what in the name of all that's wonderful are you doing?"

"Doin', ma'am?" replied the fair maid-of-all-work. "Doin' what ye telled me indeed. I've done the best I could, too."

Then she pointed to the potatoes. "I've paired off all of 'em, ma'am," she mumbled, "but, try as I will I can't find a mate for this little beggar!"—Pearsons.

by the appointment of Gen. Huerta to the provisional presidency was proclaimed.

Prior to this, however, Huerta's attempt to communicate with Diaz precipitated one of the sharpest engagements of the day. The fire from the rebel rifles and machine guns was long sustained. It was by no means certain at that time that the coup which had been carried out meant the end of hostilities. At 3.30 in the afternoon the cannonading was on still heavier than before and the rattle of machine guns was heard in various quarters. At that time San Francisco street was being cleared by Huerta as if he were expecting an attack.

A half hour later the order to cease firing was sounded, and the battle was over.

Some federal soldiers who tried to join Diaz were caught, disarmed and marched back to the national palace, where they were summarily shot. In one instance more than 30 federal soldiers were lined before the firing squad at the same time.

No Faith in Madero.

First reports that Madero had agreed today to the appointment of a president ad interim would have been received as welcome news by the administration leaders here, but, recalling the repudiation by Madero last week of the promise to De La Barra to resign if called upon to do so by the senate, they considered the news with caution. They were fearful that in this instance Madero had attached impossible conditions to any promise of withdrawal.

Ground for this apprehension was found in the peculiar statement that Madero had accepted "in principle" the idea of a president pro tempore, which was taken to mean that he reserved the right to prescribe the details of the plan, such, for instance, as the designation of his own successor. Later news that Madero had offered only to end the administration of his cabinet and vice-president, prompted the conclusion here that he was only sparring for advantage and that the disintegration of his forces, understood to be going on constantly, would soon force him to an understanding.
