LIFE ASSOCIATION OF SCOTLAND.
NINETEENTH REPORT.

THE Nineteenth Annual Meeting of the Association was held within the Head Office, on the 3d August, current, in terms of the Charter and Act of Parliament—Sir JAMES FORREST, BART., of Comiston, in the Chair.

There were submitted to the Meeting the Annual Report by the Directors on the Progress of the business; the Report of the Auditor, Mr. W. Wood, Accountant; and the Balance Sheet, of the Accounts, certified in terms of the Act of Parliament; with other statements of the affairs, as at 5th April last, the date of balance.

Notwithstanding the general depression of commercial affairs, the progress of the Association during the past year has been *greater than in any other year*, with only one exception.

The applications for new Life Assurances during the year were	1247 for	£666,483
Of which the Directors accepted	1007 for	550,244
The Annual premiums being		18,811

Annuities on 24 lives were purchased for 875*l.* 19*s* per annum at the price of 9487*l.* 7*s.*

The Policibs that became claims on the Assocation by deaths during the year amounted to 85 for 43,065*l.*

The Total Assurances since the commencement of the business amount to nearly *five million pounds*.

The Annual Income is now *one hundred and thirty-eight thousand pounds*; upwards of £50,000*l.* being collected through the London Branch.

The Policy Holders entitlop to participate in the Profits, who completed their fifth year before the date of balance, will be entitled to a REDUCTION of 35 per cent. (7*s.* per 1*s.*) from their next Annual premiums.

From the increasing wealth and importance of British North America, as well as the example of other Assurance Offices, the Directors have for some time entertained the idea of establishing Branches there. They have been enabled since last meeting to accomplish this. A deputation from the Directors visited the chief towns, and secured the co-operation of influential gentlemen in each Province. Although the Branches have been in operation only for a few months, the transactions have already been considerable, as well as of a most satisfactory description Special thanks are due to the gentlemen acting as Directors, Agents and Medical Officers, who have already interested themselves much in the Association's affairs, and through whose exertions there is every prospect of permanent success.

The Report by the Board of Directors was unanimously approved. The vacancies in the Board were then filled up; and after special votes of thanks to the Directors at the Head Office and Branches, and the Agents, Medical Officers, Manager, &c., the meeting separated.

THE GREATEST
Medical Discovery,
OF THE AGE.
Dr. KENNEDY, of Roxbury, has discovered in one of our *common pasture weeds* a remedy that cures
EVERY KIND OF HUMOR
from the worst scorfula down to a common pimple.
He has tried it in over eleven hundred cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificatef of its value, all within twenty miles of Boston.
Two bottles are warranted to care a nursing sore mouth.
One to three bottles will cure the worst kind of pimples on the face.
Two or three bottles will clear the system of biles.
Two bottles are warrnted to cure the worst canker id the mouth and stomach.
Thre to five bottles are warranted to cuse the worst case of erysipelas.
One to two bottles are warranied to cure all humor in the eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and running ulcers.
One bottls will cure scaly eruptions on the skin.
Two or three bottles are warranted to cure the worst ease of ringworm.
Two or three bottles are warranted to cure the most peperate cose of rheumatism.
Three or four bottles are warranted to cure the salt rheum.
Five to eight bottles are warranted to cure the worst case of scorfula.
A benefit is always experienced from the first bottle and a yerfect cure is warranted when the above quantity is taken.
Reader, I have peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in everycase. So sure as water will extinguish fire, so sure will this cure humor. I have never sold a bottle of it but that sold another; after a trial it always speaks for itself. There are two things about this herb that appear to me sueprising; first that it grows in our pastures, in some places vuite plentiful, and yet its value has never been known until I discovered it in 1845—second, that it should cure all kinds of humor
In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it, and sold abiut six bottles per day—in April, 1354, I sold over one thousand bottles per day of it.
Some of the wholesale Druggists who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise from all quarters.
In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.
Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will ;rove effectdal in all cases of that awful malady—there are but few who have seen more of it than I have.
I know of several cases of dropsy, all of them aged people cured by it. For the various diseases of the liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases os the Spine, and particularly in diseases of the Kidney's, &c. the discovery has done more good than any medicine ever known.
No change of Diet ever necessary. Eat the best you can get, and enough of it.
DIRECTIONS FOR USE.—Adults one table spoonful per day—Children over ten years dessert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.
The Principal Office for the *State of Maine* and the *British Provinces*, is at the *Drug and Medicine Store* of H. H. Hay, 15 and 17 Market Square, Portland, (Me.) to whom all orders should be addressee.
Sold by all respectable Druggists throughout the United Stater and British Provinces. Price $1 00.
