WIRELESS IN PULPIT

TO BE USED TO CARRY MISSION SERMONS

Pittsburgh, November 21.—A wireless telephone installed in the pulpit of Old St. Patrick's Church will carry the sermons preached during the mission to be given there by the Rev. Bertrand L. Conway, C. S. P., and Rev. David W. Kennedy, C. S. P., to hundreds who find themselves unable to attend the services. The wireless will be connected with a central station and the sermons will be heard by all those having wireless telephone attachments.

Questions asked by people of various creeds also will be answered over the wireless. The question boxes will be placed near the door of the church and the answers will be sent out broadcast.

In order to accommodate those who do not care to come to the church, but who wish to learn something about the Catholic faith, a series of noonday talks has been arranged for at the Harris Theater. The mission will start November 25 and continue until December 12.—N. C. W. C.
