Special Telegram to the Tribune.

$100,000 Fire at Ottawa.

OTTAWA, Nov. 21.

A heavy fire is ragins on Sussex st. Four blocks are destroyed already. The loss is $100,000.

There is no political news. The Ministers have gone, except Dorion and St Jalst, about running elections.

Circuit Court.

The jury, yesterday afternoon, in the case of Burpee et al vs. Carvill, et al., returned a verdict of $1,300 for the plaintiff. Several points are reserved for argument in the Supreme Court.

The next case taken up was Smith vs. Gerow. S. R. Thomson, Esq., appears for the plaintiff, and A. L. Palmer, Esq., for the defence. Smith entered into a contract with the Corporation of St. John Wharf. Before the work was commenced he was obliged to find sureties for the performance of it, and Mr. Gerow became security, and arranged with Mr. Smith that he should draw the money as the work was done, and, previous to the work being done, $200 was advanced by the defendant. The work went on and the money was drawn by the defendant and paid over. The plaintiff claims that the defendant did not pay over to him all the money, and sues to recover the balance. The plaintiff gave his testimony, and B. Lester Peters, Esq., was called to prove the contract.

The court adjourned at 12.30 to give counsel for the plaintiff time so prepare an affidavit.

We are assured that the anecdote attributed to Mr. Flaherty in yesterday's TRIBUNE has no foundation in fact, and that the conversation which was said to have taken place was purely imaginary. It was got up in perfect good nature, and was not intended to be applied to any one. Mr. Flaherty, who is conducting a large and prosperous safe-manufacturing business, feels very much aggrieved at the use made of his name by the writer of the anecdote.

Action for Damages.

We learn that Mr. Charles O'Donuell has brought an action by his attorney, Mr. McMonagle, Esq., against the N. B. & C. Railway Company, to recover damages for injuries Mrs. O'Donnell sustained at Wickham Station. It appears that the platform at the station was out of repair and Mrs. O'Donnell broke through a plank and received severe bodily injury, which, we are informed, her medical adviser considers will be permanent. Mr. O'Donnell lays the damages at $10,000.—*Courier.*

Nova Scotia News.

A manganese mine has been discovered at Wallace by Mr. John Ross.

A Lodge of the I. O. Odd Fellows is to be instituted this evening at Dartmouth.

Reuben Scott had his leg crushed on Monday while coupling cars at Richmond.

Alex. McDonald, accused of stabbing and killing Hall in Pictou on the 1st inst., has been committed for trial.

Mr. and Mrs. J. W. Lanergan appeared at the Temperance Hall, Halifax, Thursday evening. The entertainment is highly spoken of.

What was known as the old Grammar School House, in Centreville, Hillsboro, having been enlarged and improved, has been reopened. The event was celebrated by a dance and supper, originating with the young folks, and participated in by the youth and beauty of Hillsboro, Hopewell and Bridgedale.—*Times.*

A countryman named Alex. McKenzie was robbed on the railway on Monday evening, between Windsor Junction and Halifax. At the Junction McKenzie scraped acquaintance with a man named George Cunningham (an individual well known in police circles), and the two had a drink together. On the way down McKenzie fell asleep in the train, when his fellow-passenger and boon companion very adroitly went through his pockets, taking his wallet, two pocket handkerchiefs, and some other articles.

The house of Mr. E. Turner was burned at St. Stephen, on Friday last.

St. Stephen has had a case of Cerebro-Spinal Meningitis, and the *Courier* complains that the public health is not very good.

The latest advices from Jackson Brook represent the damage to the Shaw tanneries much less than was at first reported. Only the sheds over the vats were burned and some $30,000 worth of leather stored in the sheds. The total loss will not exceed $40,000. The fire was undoubtedly incendiary.—*Bangor Commercial.*

VINEGAR BITTERS
VEGETABLE — FREE FROM ALCOHOL
PURELY — CALIFORNIA
DR. WALKER'S
VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
