A Desponding Lady RESCUED.

A. W. Adams & Co., 313 Spadina avenue, dealers in all kinds flour, feed, grain, groceries and St. Leon Mineral Water.

Dear Sir, - Last summer I was down in a low typhod fever, was sent by my medical adviser to the General Hospital. After one month's treatment I returned somewhat better, but remained in very poor health, unable to stand straight up. as I had a constant pain in my stomach. Got your St. Leon Water one week ago, drank freely, felt it do me good at once; three days pains all gone; to-day, sixth day, feeling well and can stand straight up

Very gratefully yours,
Mary Anderson.

Does not snap add close like a match or tobacco box It has not got a paper dial, nor have you to sit up late at night and get all the family to help you give it the necessary 150 turns to coax it to go, but a regular watch dial, spring and winding like any other watch Thousands of them have been sold at $5.
