The Toronto Lacrosse and Athletic Association's spring handicaps came off last night under the glare of electric lights at Rosedale before 1000 people, half of them members and the same proportion prettily dressed ladies. The innovation was a complete success, so much so that the association committee have already determined to repeat the program at an early date. All the contestants were local men. Vogt, the Bison, did not materialize. The events all passed off without incident except the mile bicyle race and the fourteen riders were too many for any ordinary track. So a trio came in contact and an ugly spill but nothing serious resulted.

The races were started pretty well on time and finished at 10 o'clock, only half an hour late. The Queen's Own Band stationed on the green sward in front of the stand discoursed sweet music.

Champion Orton gave a grand exhibition of running and spurting in the mile and two-mile events. He captured both and won two of their three races for the Toronto Lacrosse and Athletic Association, Lou Campbell getting the 220 yard. The Athenæum got both bicycle races, the Y.M.C.A. a brace and the Marlboro Football Club one. No records were broken. Hon. John Beverley Robinson and his daughter, Mrs. Forsythe Grant, presented the prizes immediately after the contests. The spectators appeared delighted with the races. The third of a mile track gave them full view of the competitors. The field officers were as follows:

Referee, C. H. Nelson, president A.A.A. of C.; judges of track events, John Massey, George Irving, William Logan; timekeepers, C. H. Nelson, W. J. Suckling, Joe Irving; C. W. A. official timekeeper, George Orr; starter, G. M. Higinbotham; scorer, Charles Robinson; announcer, J. L. Nichol; clerks of the course, H. E. Sewell, Fred Keller, Albert Phillips; handicappers, Messrs Irving, Sewell, Phillips, Wilson, Higgins and Sinclair. Summaries:

FIRST RACE, 100 yard run—First heat, G. Campbell, T. L. C. (scratch), 1; S. Blake (8 ft), T. L. C., 2; J. Morrow, Y. M. C. A., (4 ft), 3. Time 11 sec., won by a yard. Second heat—R. E. Hooper, T.L.C. (scratch), 1; A. Anderson, Marlboros (3 ft), 2; F. B. Moore, T.L.C. (3 ft), 3. Time 11 sec., won easily by 2 feet. Third heat—J. W. Gale, jr., T. L. C. (6 ft), 1; F. Dixon, T. L. C. (3 ft), 2; W. Keading, Harbord-street C. I. (5 ft), 3. Time 11 1-5 sec.; won by 1 foot. Fourth heat—R. Klinch, Marlboros (3 ft), 1; P. Knowles, T. L. C. (4 ft), 2; H. C. Pearson, T. L. C. (3 ft), 3. Time 11 1-5 sec., won by half a foot. Heat for seconds—Knowles 1, Anderson 2, Blake 3. Time 11 sec., won by 3 feet. Final heat—Klinch 1, Knowles 2, Hooper 3. Time 10 4-5 sec., won by 2 feet, half a foot between second and third, Hooper's shoe fell off.

SECOND RACE—George Orton, T.L.C. (scratch), 1; W. H. Hazlitt, Toronto (90 yds.), 2; J. G. Scott, T.L.C. (150 yds.), 3; W. Lake, Y.M.C.A. (115 yds.), 4. Time 4.33. The champion had the race well in hand from the start. On the second last lap he was on the heels of the bunch and came around a winner by 35 yards. Warbrick did not finish.

THIRD RACE, 1 mile, bicycle, 14 starters—L. D. Robertson, Athenæum (scratch), 1; F. Bendelari, Wanderers (scr.), 2; W. R. Hensall, Royal Canadian (10 yds.), 3. Time 2.35. It was a pretty race for two rounds until the field got together at the grand stand, when Bulley of the Torontos was going up on the inside. He touched the Wanderer Young's wheel and went over him, besides bringing Campbell, another Wanderer, down. Bulley was picked up unconscious and carried to the clubhouse, where he soon revived. Hensall led for two rounds. Robertson passed him at the clubhouse on the last round and Bendelari came up at the stand and made the finish look like a dead heat. But the Athenæum rider had it by a foot.

FOURTH RACE, 440 yards run—R. J. Campbell, Y.M.C.A. (12 yds) 1, R. S. Hooper, T.L.C. (12 yds) 2, J. W. Gale, T.L.C. (18 yds) 3, N. King, Toronto (16 yds) 4, D. W. Murray (10 yds) 5. Time 51 3-5. Campbell showed himself to be a plucky runner and won by 7 yards.

FIFTH RACE, 2 mile run—George Orton (scratch), 1; W. H. Hazlitt, Toronto (280 yds.), 2; J. C. Warbrick, T.L.C. (320 yds.), did not finish. Only three started. Time 9.47½. Hazlitt looked like a sure winner until the finish. At the club house on the last round he was 150 yards ahead of Orton. The champion spurted, was even in 150 yards more, passed in a flash, won by 150 yards and gained a whole lap besides his handicap on Warbrick.

SIXTH RACE, 2-mile bicycle, 9 starters—L. D. Robertson (scratch) 1, Hensall (scratch) 2, H. D. McKellar, Athenæum, (100 yards) 3, James Milne, Toronto (75 yards) 4. Time 5.18. Robertson rode a 64-inch wheel, and won an easy race. Hensall could not push his 72-inch machine to advantage, and was 20 yards behind at the finish, and only a few feet in front of McKellar.

SEVENTH RACE—R. J. Campbell (10 yds.), 1; C. Markle, West Association (15 yds.), 2; J. Robinson, Y.M.C.A. (15 yds.), 3; J. Dunn, Toronto (20 yds.), 4. Time 2.10. Campbell walked in an easy winner again. Markle came up at the finish.

EIGHTH RACE, 220 yards run—Lou Campbell, T.L.C. (scratch), 1; P. Knowles, T.L.C. (15 ft.), 2; R. E. Hooper, T.L.C., 3. Time 24 1-5 secs.

Brampton Beats Georgetown.

GEORGETOWN, June 28.—Several hundred spectators viewed an interesting lacrosse match here to-day between the Excelsiors of Brampton, champions of the Central District, and the Ætnas of this place. The game was hotly contested throughout, for previous to this match Brampton and Georgetown were tied for first place, each having gained one victory. The towns sent thoroughly representative teams; and Referee J. D. Bailey kept everything in order. At first it looked as if Brampton boys were to have everything their own way, for they took the first two games in 16 and 4 minutes respectively. Then George town realized that they were getting behind, and putting on a spurt won the next three games in 10½, ½ and 5 minutes. The sixth game started with the match 3 to 2 in Georgetown's favor, and after 11 minutes' fierce play Dawson scored for Brampton. The final game lasted only ½ minute, for the ball traveled from centre to Ed Peaker, Brampton's home player, and he lost no time in scoring and saved the reputation of his flourishing club. It was the closest shave that the Excelsiors have had in some time, as the score, 4 to 3, plainly shows.

NEW LONDON, Conn., June 28.—For the third consecutive time the Yale freshmen to-day won the annual triangular boat race on the Thames by defeating Harvard by 8 and Columbia 13 lengths in the time of 10.23.

General Sporting Notes.

East Toronto Cricket Club will play at London Friday and Saturday of this week against London and London Asylum.

Joe Goddard has gone back to Australia a good deal shorn of his fistic fame. He says he will come back in three months to fight any man in the world.

Hamilton will be represented at home by this cricket team Saturday against Toronto: Marshall, Morris, R. Ferrie, Gillespie, Fleet, Dean, Patterson, Dixon, D. Martin, A. Martin and F. Martin.

A cricket match will be played on the Hamilton grounds to-day against Norway. This team will play for Hamilton: White, Morris, D. Martin, Dean (Capt.), Southam, Marshall, Harvey, A. E. Ferrie, Pattison, Washington, F. R. Martin.

There will be a football competition at the World's Fair, Saturday, July 22. Association rules, 9 men a side, for very valuable prizes; also a prize for place kicks. W. McLincke, 317 W. Monroe-street, Chicago, is the secretary.

Louis Cyr and "Samson," the strong man, have both issued challenges to Sandowe, now exhibiting in New York. The latter will accept if the contests are to be bona fide.

Special interest in the 4th of July regatta will centre in the race between the Dempsey brothers of New York and Van Vliet and Megowen of the Vesper Club, and the eight-oared shell race between the Malta and the New York Athletic Club's "chippie" crew.

The rain did not keep buyers away from the American Horse Exchange on Monday, says The N.Y. World, where W. D. Grand sold consignments of harness horses from D. H. Grand and T. A. McCullough of Canada; W. D. Dodge, Buffalo, N.Y.; E. M. Fulton, jr., J. C. Deyo and others. The horses offered included matched pairs and four-in-hand teams, showy single actors and saddle horses. Prices favored the buyers, for the horses did not bring as much as they would certainly have done a month ago. The horses were disposed of quickly and in the straightforward manner customary at sales conducted by W. D. Grand.

THE TROUBLE IN SIAM.

A French Gunboat Anchored in the River Opposite Bangkok.

BANGKOK, Siam, June 28.—The French gunboat Lutin has anchored in the river opposite the centre of Bangkok and has made preparations to fire upon the city. Siam, though most anxious to maintain friendship with the French, is quietly determined to resist aggression, and is preparing herself for any emergency that may arise.

In order to reduce our excessively large stock we are quoting heretofore unheard-of prices.

A Yonge-street Store in Trouble.

Difficulties Accumulating.

We are tempted to ask: "When will the merchant learn to buy no more goods than he can easily handle?" Every day we hear of cases where failure has followed from reckless buying, from overloading with stock that cannot be realized on, and no one seems to profit by the lesson. Each man seems hopeful in his own case, and inclined to believe that he will escape the fate that has overtaken so many, and keeps on buying till the crash comes. Rumors are not always trustworthy, but from facts in our possession we know it to be certain that the firm of

Guinane Bros., 214 Yonge-street,

who have lately been advertising extensive alterations to their store, find themselves in serious trouble. Owing to certain negotiations which they have not been able to push through as quickly as they expected, they cannot begin the alterations for some time yet. Unfortunately, having been morally certain that by this time their store would be three times as large as it is, they ordered just three times the quantity of goods that they can handle in their present premises. Hence they are

In Trouble.

Their cellars, store-rooms, and every available space are crowded with cases of goods of every description, piled from floor to ceiling, so that it is almost impossible to move amongst them, and really impossible to bring before the public one-third of the beautiful and unique styles of shoe-wear they have on hand. There is only one thing to be done in such circumstances, sacrifice the stock, sell it at any price, clear it away regardless of loss and trust to better luck next time. This firm, though caught this time, through no fault of its own, is too wise to hesitate in such a case, and is prepared to adopt the only feasible plan to free itself from its increasing difficulties. Therefore for the next thirty days they are bound that the citizens of Toronto will be able to get such bargains in shoe-wear that it will be a matter of indifference to them whether the city fathers make the tax rate 16 or 18 mills. When a person can buy men's tan morocco lace boots for $1.25, what does he care for one mill more or less on the dollar, and no one can be without the best and latest when they can buy ladies' white kid strap walking shoes, 65c; ladies' gray, light and dark tan, sage green, brown, slate, blue and pink ooze walking shoes, trimmed with kid of same color, 75c, $1, $1.15 and $1.18. One thing is evident from this, that the public will gain by the forced postponement of the alterations at Guinane Bros., 214 Yonge-street.
