"Guaranteed Havana Filler."

The cheapest rubbish made into cigars in many cases is branded on the cigar box or label "Guaranteed Havana Filler." The guarantee may be readily understood when the public are informed, which is a fact, that Havanna fillers can be bought from 12 cents per pound upwards. The only safe guarantee and the only one we offer to smokers, is brands of cigars that have stood the test for nearly half a century, that are recognized as honest goods, and always reliable as is attested by the many millions of Cables, Mungos, El Padres and Madre E Hijos that are sold yearly, and for which the demand is constantly increasing.
