BICYCLE BRIEFS.

On July 28 the R.C.B.C.'s team races will be held on the Woodbine track.

It is said that Lougheads' father cleared $350 on his son's victory over Cooper in Port Huron, taking every bet in sight. The two will likely meet again in Detroit.

A match bicycle race has been made between Walker of Peterboro and Johnson of Fort Hope, mile heats, best 2 in 3, to take place in Port Hope July 23.

T. B. McCarthy, paced by two tandems, on the Island track Thursday rode a mile in 1.49 1-5. Greatrix brothers paced him for the first half and Sparling and Hancock for the last.

The Athenaeums had a club run last night to the Woodbine, there being about 35 members in line. After a light supper a musical evening was spent and a good program gone through.

The Civil Service Bicycle Club hold their annual races at Woodbine track on Aug. 21. In every way this meet promises to eclipse all previous ones.

At the promenade concert to be given by the Wanderers' crack band on the Toronto Athletic Club's lawn on Monday evening next, Lomas, the trombone soloist, will play several selections. Judging by the rush for tickets, an immense crowd will be on hand, for which there will be ice cream and refreshments in plenty.

There will be a club run of the Wanderers to Weston to-day, leaving at 2.30 p.m.

The Ramblers will hold the first of their series of 10 mile handicap races on the Woodbine, Friday, July 23. The following gentlemen will act as officials: John Mathers, referee, John Simpson and J. D. Kelly judges, John McL. Hartley starter, F. H. Doley timer.

The team bicycle race was awarded to the Toronto Bicycle Club.

## TEN EYCK WINS THE SCULLS

### Blackstaffe Beaten Rather Easily in the Finals.

### DR. McDOWALL TO TRY AGAIN

### Leanders Beat New College for the Stewards' Challenge Cup.

**Ten Eyck Got the Best of the Start and Never Lost the Advantage—His Cool Style Reminded the Umpires of the Old-Time Tactics of Ned Hanlan.**

Henley-on-the-Thames, July 16.—All the finals were pulled off to-day and the diamond sculls go to America. Young Edward Hanlan Ten Eyck won his semi-final and final in rather easy style and over here his win was not a popular one. Dr. McDowall was knocked out in the semi-final.

The third day was favored with beautiful weather. Light breezes, generally up the course, are blowing from the Bucks shore.

In consequence of the death of Lord Cameys, late president of this year's Regatta Committee, many flags are at half mast.

The ninth trial heat for the Diamond Sculls was won by H. T. Blackstaffe, Vesta Rowing Club, who beat Dr. McDowall by one and a quarter lengths. His victory proved very popular. He was greeted enthusiastically, with shouts of "Good Old England." The result has also increased the belief of the Englishmen that he would ultimately defeat Ten Eyck. McDowall and Blackstaffe started off together and in fine style. At the ton of the island McDowall was leading by a quarter of a length, rowing a 38-stroke to the minute, as against Blackstaffe's 40. This lead he maintained until they had passed the quarter-mile stake, when Blackstaffe forged forward and pushed the nose of his boat to the front. At the Rectory Blackstaffe led by half a length. At the half-mile stake, which the former reached in two minutes and 54 seconds, the Chicagoan appeared done up. A little later Blackstaffe collided with the piles, and McDowall gained some, but it did no good. In his excitement he caught a crab, and at the three-quarter distance stake Blackstaffe was ahead and rowing easily. He kept this lead without much effort, as McDowall did not seem to have any "go" left. Blackstaffe beat the record. Time 8m. 34 1-5s. After the race, McDowall said: "I shall come again next year and every year until I win. After I caught the crab I lost my gait and could not pick it up. Mr. Blackstaffe rowed in great form. Anyway, I was within two seconds."

The tenth trial heat for the Diamond Sculls was won by E. H. Ten Eyck, Washington Boat Club, Mass., who beat H. H. Howell, Trinity Hall, Cambridge. Ten Eyck got away promptly, rowing easily, and when the top of the island was reached he led Howell, both rowing a stroke of 32 to the minute. The Massachusetts oarsman led throughout. Evidently he had Howell's measurement by time. The half-mile stake was reached in three minutes and five seconds. Ten Eyck was then a length ahead, and though Howell spurted gamely, he could not overtake the leader. But it was a close race, Ten Eyck winning by half a length in 8m. 36s., which, prior to Blackstaffe's achievement this morning, was record time. The three-quarters stake was reached in 4m. 49s., and the mile stake in 6m. 27s.

Ten Eyck's victory was received in almost ominous silence. He has fatally prejudiced the Henleyites against him by his alleged-secret trials, and by the suspicion of professionalism.

Howell, whom everybody knows to be an American, was encouraged by applause, cheers and wild yells from the start to finish.

In the final race for the Grand Challenge Cup, New College, Oxford, beat the Leander Club by two feet.

The event of the regatta thus far has been this race. It was highly exciting, and the spectators everywhere showed the most intense interest. At the finish the two boats were so close that the exact result was not known until the judge announced the time, which was 6m. 18s.

In the final race for the Visitors' Challenge Cup, Trinity College, Oxford, beat Jesus College, Cambridge.

In the final race for the Thames Challenge Cup, the Kingston Rowing Club beat Christ Church, Oxford.

In the final for the Ladies' Challenge Plate the Eton College eight beat the eight of Emmanuel College, Cambridge.

The final for the Wyfold Challenge Cup was won by the Kingston Rowing Club, beating Jesus College, Cambridge.

The final for the Nickalls Challenge Cup was won by E. R. Balfour and Nickalls, Leander, who beat A. S. Bell and W. J. Fernie, Trinity Hall, Cambridge.

Ten Eyck won the final for the Diamond Sculls, beating Blackstaffe. Ten Eyck got away first, slightly in advance of Blackstaffe, an advantage which he never lost. Half way up Temple Island he led by a quarter of a length and at the Rectory by a full length, where Ten Eyck tried to take Blackstaffe's water, but was driven out.

Ten Eyck, measuring his man, now adopted the tactics of keeping just a length ahead all the time. There was no more effort than was necessary to do so. The umpires said he reminded them of Hanlan. He rowed beautifully. At the half-mile he was using 30 strokes to the minute, but he started at 34, as against Blackstaffe's 39.

There was one solitary yell to encourage Ten Eyck, while a continuous roar of cheers rose from both banks for Blackstaffe. At Fawley Court boat house Blackstaffe seemed to be suffering from the effect of the first quarter, but he was still making a splendid race. The half mile was reached in 3m. and 8sec. The three-quarters stake in 4m. and 40sec., when Ten Eyck led Blackstaffe by a length and a half.

The mile was passed in six minutes and 22 seconds. Ten Eyck leading by two lengths. Then Blackstaffe made a spirited attempt to collar his rival, who was now fairly in the Bucks' water, though he started from the Berks' station. But though the wild encouragement of the crowds spurred on the Vesta man, it was useless, for the Worcester boy had his measure and maintained his position.

Ten Eyck kept his pace with perfect composure and apparently without special effort, finishing in 8m. 35s.

He is the first American winner of the Diamond Sculls. When Blackstaffe finished Ten Eyck rowed up to him and shook him by the hand, while there was some applause, but the victory is on the whole highly unpopular, the more violent section asserting that it is only an old trick of professionals coming over as amateurs.

## OFF FOR CORNWALL.

**Toronto Lacrosse Club's Team to Meet the Factory Town Twelve This Afternoon.**

The Toronto Lacrosse Club's representatives left on the Grand Trunk last night at 9 o'clock for Cornwall, where they play a senior championship game this afternoon. Burns was unable to go, owing to his injuries in the recent Capital games, and Wheeler is also off the lists. Tansey, late of the Shamrocks, will make his appearance in a Toronto uniform this afternoon. He will take Burns' place on the home, while it is expected Moore or Shea will replace Wheeler on the defence, although the T.L.C. gave out last night they would play none of the ex-Caps. The team will thus be made up as follows:

Allen, goal; Patterson, point; Moore, cover point; Griffith, Murray, Gale, defence; Reid, centre; Downey, Moran, Tansey, Smith, Nolan, home; McCullough, captain.

THE CORNWALL TEAM.

Cornwall, Ont., July 16.—The championship lacrosse match here on Saturday, between the local team and Toronto's aggregation of imported stars, is exciting a great deal of interest, not only because a close, hard match is expected, but more particularly because despatches from Ottawa and Toronto say that Shea, Devine, Carleton and Murphy, the four expelled Capital players, will make their appearance here wearing the Toronto jerseys. Of course Cornwall objects to these men playing. Even if their expulsion is considered as a release from the Capitals they cannot possibly have been members of the Toronto club for 30 days. The local team have been practising steadily this week, and are determined that last Saturday's defeat shall not be repeated again this season. James Broderick has a sprained ankle, and will not be able to play. To replace him, one of the other defence men will be moved back between the poles, and William Black will be placed on the home field. Black is a very fast junior, and has much of the sand of his brother, Alexander Black, who was the star of the Cornwall home in their palmiest days. W. Munro, a promising junior, was also taken home last night with a sprained leg. The team was picked to-night, and will be as follows: Louis White, Riviere, Crites, John White, Degan, W. Broderick, Wm. Black, P. White, J. Broderick, O'Callaghan, Robin and Turner. The team had their last practice to-night. The officials for the match have not yet been decided upon, as the Torontos, who should have taken the first step in this matter, proposed no one till to-night, when the names put up were refused.

DID WE WANT THE QUARTET?

From yesterday's Ottawa Citizen.

Much talk was occasioned in sporting circles yesterday by the announcement in The Citizen that the Toronto Lacrosse Club had asked the permission of the Capitals to play the four expelled players against Cornwall in the Factory Town on Saturday. It was generally agreed that the application reflected anything but credit on "the oldest lacrosse club in Canada."

During the day Aid. Powell, president of the Capitals received the following telegram in answer to his enquiry of the night before as to whether the application for permission to play the expelled players was made on behalf of the Toronto Lacrosse Club:

"Would like answer to-night. My telegram confirming Boyd's message sent to Stuart. Team here badly crippled. Yes.

James McDonald.

(Signed)

The signer, it is learned, is secretary of the Toronto Lacrosse Club.

Ald. A. B. Powell, ex-M.P.P., Ald. F. W. Carling, Mr. P. H. Wall and other members of the executive urged Ald. Powell to wire back the Torontos an answer that would shame them for what the Capitals consider anything but sportsmanlike conduct. Should the Torontos undertake to play the four expelled players in defiance of the Capitals' objections, the Cornwalls will no doubt protest them under the 30-day rule, which stipulates that 30 days must elapse before a player who leaves or is expelled from one team can play with another.

THE CAPS WILL PROSECUTE.

Ottawa, July 16.—The executive of the Capital Lacrosse Club has at last completed arrangements to arraign the "outside principals" in connection with the Toronto-Capital match in Toronto, and the case will come up in the Police Court here on Monday. The summonses will be issued to-day. The parties against whom information for conspiracy to defraud has been laid are Frank Bissonnette, an old player on the team, and at one time captain, and also Joseph Troy of the business department of The Free Press. The expelled players will give evidence in the case.

The Free Press says: "And what about the Lacrosse Club? Well, the Lacrosse Club is cowardly endeavoring to shield themselves behind the police in the matter. Before the case is finished, however, we will know just who of the Executive are moving in the case. They were afraid to take the case because of certain exposures which would be made of the club and players, but they are not out of the deal yet, you may depend upon it. We will have something to say to the Capital Lacrosse Club before the case is over."

TECUMSEHS OR QUEBEC?

Ever since the opening of the lacrosse season there has been much discussion as to the comparative merits of the Tecumsehs and Torontos. The lacrosse men from Rosedale have had an opportunity to display their prowess, and this afternoon at 3 o'clock the red-shirted Indians from Hanlan's Point will endeavor to demonstrate to their many friends and admirers that the Tecumsehs are stronger than last year, and even better able to cope with the best of them. Quebec has never before this season been enabled to place their full team on the field, but the aggregation representing the Easterners this afternoon is complete, and the Tecumsehs recognize that they have to battle with foes worthy of their steel, and are prepared to play the game of their lives. The game is called for 3 o'clock. A large detachment of Epworth Leaguers have signified their intention to enjoy a trip to Hanlan's Point and witness one of the fastest games of lacrosse played here this year. Admission is only 25c, the grand stand being 15c extra. Boats leave Yonge-street wharf every 10 minutes. The Tecumsehs will line up as follows: McGibbney, Yorke, Grimes, Davis, Lozier, Hartley, Gamble, Murphy, Peaker, O'Meara, McVey and German, Harry Etwell, spare. P. C. Knowles will act as captain.

INDIANS BEAT SIMCOE.

Simcoe, July 16.—The Six Nation Indians lacrosse team came to town to-day to do battle with the locals, and succeeded in carrying off their scalps, winning the game by 6 goals to 1. The home team played well, but the visitors were too speedy. A good crowd witnessed the match, and much enjoyed the excellent sport furnished.

LACROSSE POINTS.

At Hastings yesterday an exciting and close game of lacrosse was played between the Peterboro and Hastings teams, resulting in a score of 7 to 4 in favor of Hastings. For the visitors Galley, King, Craig and McDonogh played the best game.

At Madoc in the scheduled C.L.A. match yesterday between Marmora and Madoc after full time being played the result was 4 goals each. This game will be played some time in the near future.

The Elms II. will send the following team to Aurora to-day to play a championship game in the York Junior series, train leaving the Union Station at 12.50: Pratt, Neal, Bain, Penstone, Hicks, White, Whalen, Lennox, Hallett, Kyle, Creelman, Wardrobe, J. Kyle, G. F. Soules; F. C. Waghorne, field captain.

The single defeat of the home twelve was at the hands of a senior aggregation and one of the very best teams in the major leage, viz., the Toronto Tecumsehs. What Guelph is to Canadian baseball, are the Tecumsehs in the lacrosse world; they are in a class by themselves.—Berlin News-Record.

ANOTHER RACE FOR PERSIMMON.

London, July 16.—The tenth renewal of the Eclipse Stakes of 10,000 sovs., was won at the Sandown Park second summer meeting to-day by Persimmon, the 4-year-old bay colt of H.R.H. the Prince of Wales.

Lord Rosebery's b.c. Valasquez was second and Mr. T. Phillips' colt Bay Renold ran third.

The team to represent St. Alban's against the Garrison to-day will be selected from the following players: Dr. Dawson, Dr. Pepler, Spagnolette, Palmer, Hamilton, Till, McMaster, Hilliard, Field, MacMillan, Houston, Mathews, Ledger (captain) and Newton.

## TORONTO DROPPED A GAME.

### Springfield Won With Woods On the Slab.

### THE SCORE WAS 7 TO 5.

### The Ponies Only Earned Three Runs Off Pitcher Williams.

**The Summary Shows That Snyder Allowed No Less Than Six Stolen Bases—Providence Beat Buffalo, Rochester Won From Scranton and Tailenders Defeated Syracuse Stars.**

Springfield, July 16.—The pitching and batting of Woods were the features of to-day's game. In four times at bat he made three singles and a double, batting in three runs. He gave the Torontos but three hits in eight innings, and would have shut them out up to the ninth but for errors. In the ninth the visitors batted in three runs. Score:

At Providence: Providence again trimmed the leaders. Buffalo bunched hits in the first innings and scored one run, but that Hodson was invincible. Providence had to hustle for every run scored, Weigand's homer being the only easy one, and that was fairly drive. There was a great deal of kicking against the umpiring on both sides, and several runs were imposed. Score:

LONDON BEAT THE LEAFS.

London, July 16.—Devlin, the London's new pitcher, went into the box this afternoon against the Maple Leafs in the first innings and was touched up for three two-baggers. Sharp fielding by the home team prevented more than one run being scored. After that Devlin steadied down and kept the hits well scattered, only one run being made after this innings by the Leafs. ROCHESTER GRAND STAND BURNED.

Rochester, July 16.—Fire broke out at 5 o'clock this morning in the grand stand of the Rochester Baseball Company at Riverside Park, and in less than an hour had completely destroyed all the stands, leaving only a mass of ruins. It is thought that the fire was either the work of an incendiary or caused by some tramp who had entered the ground during the night. It is probable that this will end baseball in Rochester for the season and that no more Eastern League games will be played by the Rochester Baseball Club. President Buckley estimates the damage at $9000, about half covered by insurance.
