NOTWITHSTANDING the great powers the *Essence of Smoke* possesses in the preservation and smoking of Meat, Fish, &c. it has since its introduction into this Province, been found to possess other properties, which are of higher importance to the welfare of society, viz: its wonderful *Sanative* powers in the removal of *Inflammation*, allaying *Pain*, arresting the progress of *Fevers*, *Mortification* and *Cancers*; consequently useful in a variety of diseases.

Hundreds of respectable persons residing in St. John and in the country, can, and are ready to attest to its efficiency in the following diseases, from the effect it has had in removing their various complaints, viz: Rheumatism, Pain in the back, &c. Inflammations and swellings of every description; sprains, bruises, cramp, spasms, chilblains—Applied warm with the friction of the hand.

Chronic or acute inflammation of the Eyes; ringworm; scald head—Applied cold.

Cancer, gangrene, fever sores, ulcers—Applied warm.

Just Published,

And for sale at the stores of Messrs. M'Millan, Nelson, Sears, Hubbard, and at the Circulating Library:

"Plain Discourses on Church Government:

Being the substance of Sermons on the same subject, by G. T. CHAPMAN, D. D., late Rector of Christ's Church, Lexington, U. S.

These Discourses are SEVEN in number, and will form a pamphlet of about 60 pages 12mo.

As the only object of the Compiler is to place the principal arguments in favour of Episcopacy within the reach of all who may be disposed to inform themselves upon this much debated question, this pamphlet is offered for sale at the lowest possible price.

Should it be so favourably received by the members of the Church, as to satisfy the Compiler that he may do so without a serious loss, he will be happy to take the trouble of preparing in like manner for the Press, other Sermons by the same Author, on the Worship and Doctrines of the Church, which may be printed so as to match with those which are now offered: and should the sale of the whole collection produce any thing more than will pay the expences of publication, the excess will be presented to the "Church Society."

Price of the Seven Discourses—For One copy, 1s. For a Dozen copies, 7s. 6d.; For Fifty copies, 25s; For One Hundred copies, 40s. *Dec. 27.*
