HALLOWE'EN comes on Sunday this year, which displeaseth the small boy a heap. His visions of cabbage gardens, hollowed pumpkins, misplaced signs, and the numerous other relics of barbarity with which All-Hallowe'en is associated, must vanish.

Misses' and Children's Genuine French kid button boots, very nice, but a little expensive, at JOHN RIGGS, successor to Roy & Riggs.—11.

IT is likely to be nearly a month yet before the Gas Company can get their works in operation. Meanwhile our dark and muddy streets are anything but inviting after nightfall, no time should therefore be lost in having the lamps intended for coal oil procured.

MERCHANTS and others requiring printed account heads will do well to leave their orders at the STANDARD office, as we are prepared to do work both neat and cheap.

SQUIRREL HUNT.—Listowel sports have arranged for a squirrel hunt, to come off on Thanksgiving day. We understand that there will be twenty or thirty "shoot ists" on each side. Messrs. J. A. Hacking and Jno. Riggs have been selected as the captains. A tremendous "slaughter of the innocents" is anticipated.

HOSIERY. — Women's, Misses' and Pretty Children's Hosiery. A nice lot of new goods in this line. Come and see them, at JOHN RIGGS, successor to Roy & Riggs.—11.

RINK.—We understand that Mr. W. G. Hay has decided to erect a skating rink on his own responsibility. It will be located on Main street, opposite his residence. The building will be on an improved plan, and will accommodate both skaters and curlers. Mr. Hay expects to have the rink ready for opening by the 1st December.

ANOTHER "LIVE" DRUGGIST.—Mr. Hacking wishes us to state that he has been supplying his customers during the past two years with King's Discovery and Golden Compound, and that he is selling the Electric Bitters at 40 cents per bottle. He asks us also to state that he has full lines of all the new remedies, at the lowest prices.—33.

GOUGH.—About twenty persons went to Stratford from here on Monday last to hear John. B. Gough, the great temerance orator. They consider that they were well repaid for going; at the same time they couldn't help inferring from the comparatively meagre audience which greeted the celebrated lecturer, that Stratford was behind the age in the appreciation of intellectual talent. Gough should try Listowel next time.

Boots and Shoes—A large stock of Boots and Shoes, in every line; prices low. Call and see stock. Roy & McDonald.

THE Union Plowing Match, under the auspices of the Elma & Wallace Agricultural Society and the Elma Plowmen's Association, comes off next Tuesday, on the farm of Peter Lillico, Esq., adjoining the town. Considerable interest is being taken in the match, and should the weather be favorable no doubt there will be a large turnout on that occasion. A considerable amount is being offered in prizes for men's and boys' classes.

Dr. Michiner's book and drug store is the place to procure Wall Papers—sole agent in town for English Wall Papers, which are over 3 inches wider than the American Wall Papers, being *a saving of one roll in every eight*. Not "at and below cost," but cheaper than any other dealer in the town or county. Call and you will be convinced that you can get better value for your money than elsewhere.—33.

THANKSGIVING DAY.—The observance of November 3rd as Thanksgiving Day is assured. The Dominion Government issued a proclamation appointing the day; and now the Ontario Government has issued another proclamation, "earnestly exhorting Our loving subject in Our said Province to observe reverentially and devoutly the said day of Thanksgiving." Places of business are expected to be closed on that day.

MANY in Listowel will regret to learn of the death of Levi Moyer, formerly in the employ of Mr. D. D. Campbell and latterly salesman for Messrs. R. McMillan & Co., which occurred at his father's residence near Breslau on the 21st inst. He was a genial, intelligent young man, and was much respected here. He had been for some time afflicted with heart disease, which eventually carried him off at an untimely age.

THANKSGIVING SERVICES.—The union Thanksgiving services will be held in Listowel as usual on Thanksgiving day. In the morning service will be held in the Congregational Church, at 10.30 o'clock, and in the evening in the M. E. Church, at 7 o'clock. Rev. J. W. Bell, M. A., will preach in the morning, and Rev. W. F. Clarke in the evening. Collections will be taken up at the close of both services for the benefit of the poor of the town.

Mr. D. SCOTT, of Winnipeg, and brother of the recently elected member for that city, was in Listowel last week, calling upon some of his friends, and also transacting business. While here, Mr. Scott left a large order with Messrs. Hess Bros. for furniture, which he is an extensive dealer in at the Manitoba capital. Our enterprising furniture manufacturers are likely to develop quite a trade in that quarter, now that the N. P. has opened the way into that market.

PASS HIM ROUND.—A swindler calling himself when here Thompson, and purporting to be agent for the *Illustrated Household Magazine*, visited Oakville about the middle of September. Messrs. Stinson & Co., publishers of the same at Portland, Maine, have been communicated with and know nothing of him. He is stout built, dark florid complexion, black hair and whiskers; had a bunch of ornaments attached to his watch chain, among them a large one of glass. In the receipts he gives his handwriting is bad, scarcely legible.—*Oakville Express.*

FOR MANITOBA.—Wednesday morning another party left here for Manitoba. There were 12 persons in all, among whom were Mr. Alex. Long and wife, who were returning to the North-west after having spent the summer with their friends in Elma. Mr. Long has taken up land in the vicinity of Salisbury, N. W. T., and has his sons located upon it. Mr. Jno. F. Roberts and family, of Howick, were also among the party who left on Wednesday. They went via G. W. R., and connections, Jno. Livingstone, jr., furnishing them with through tickets to Winnipeg.

DR. WILD.—Rev. Dr. Wild, formerly of Brooklyn, now pastor of Bond Street Congregational Church, Toronto, will deliver a lecture in the M. E. Church, Listowel, on Monday evening, 8th Nov., subject: "The Catatysic Quantity in the British Empire." Just what the "catatysic quantity" is, we don't understand; but no doubt the learned doctor will be able to enlighten us to our satisfaction. Those who heard Dr. Wild's lecture on the "Pyramids" will not need to be told to expect something highly interesting, however peculiar some of his ideas may appear to them. The Dr. is sure to have a good house.

The Toronto Telegram says: "Moses Oates, the weather prophet, is in the city. His success since he entered the field of weather prophecy has been greater than that of Vennor, of whom everybody has heard so much. A year ago he made predictions a year in advance, predicting a wet September and a cold October for this year, which has been verified. He has not made out his regular forecast for the coming season, but expects an early and comparatively steady winter. It will be more nearly an average than any winter for the past eight years. The period of sleighing over Western Ontario will average about seventy days, being longer than usual. It is said that Moses Oates is one of the best meteorologists on the continent."

MR. WM. DAMER, lately of Guelph, and well-known in Listowel, has been doing some tall walking in Jersey City. At the Olympic Athletic Club's games there were 25 pedestrians started in the race, Damer handicapped the whole of them, giving them from 40 seconds to 1 minute and 10 seconds the start of him. Before half of the distance had been covered he had gained on them all and was several laps ahead, and came in the winner and won the medal. But the referee decided the race against him as his name had not appeared on the programme, and said he had no right to walk although his entrance fee had been paid and received by the secretary. Mr. Damer was also barred out of the North Side Athletic Club games, which took place at Brooklyn, because he was too fast for the other competitors. He offered to handicap all who had entered for the games, but it was not allowed.

"NOTES from Our Log in South Africa; and On Foot Through the Colonies at the Paris Exhibition," is the suggestive title of a little volume by Harriet A. Boomer, wife of the Venerable Dean of Huron. The little work is compiled from notes taken by this lady while travelling in the Transvaal, also while visiting the Canadian Department at the World's Fair in Paris in 1878. This is not the first venture which Mrs. Boomer has made upon the sea of literature, and her writings are not without merit, as a perusal of the "Notes" will convince. We are pleased to state that this excellent lady has a very worthy object in view in publishing this little volume, namely, the foundation of a Divinity Scholarship in Huron College. The proceeds from the sale of these books is to be devoted to a fund which she has undertaken to raise for this purpose. The price of the little volume is only twenty-five cents, and every Churchman and woman in the Diocese should willingly invest in a copy, and thus help Mrs. Boomer in accomplishing her praiseworthy undertaking. Copies of the volume can be procured from Rev. Mr. Bartlett.

CHURCH OPENING.—For several weeks past there has been no services in Christ Church, as the edifice has been undergoing improvements. The improvements which have been made are quite extensive, and impart a new appearance to the building. The roof has been re-shingled and is apparently an excellent job. The interior of the church has peen re-plastered, and the walls and ceiling having been greatly enhanced in appearance, the former being covered with a fine paper of marble pattern, and the latter being calcimined with a warm tint, which harmonizes with the color of the pews and woodwork, these having been painted and grained in mahogany. All the doors have been grained in oak. A decided improvement has been made in the chancel, which has been raised by a platform of two steps and a third step to the platform at the Communion rail. An extrance door from the vestry has been placed in the side of the chancel. In the place of the unsightly boxes formerly used for pulpit and reading desk, two handsome lecturns, or Prie Dieu desks, have been placed in the front of the chancel. These are made of oak and display excellent workmanship. The pilasters are handsomely carved, and in the fronts of these desks are ornate gothic apertures. Two handsome Prie Dieu chairs, to match the desks, are placed on either side the Communion table. The chairs are also finely carved, surmounted with fleurs de lis, and are upholstered in crimson cloth. The floor of the chancel is covered with a tapestry carpet, and cocoanut matting has been placed in the aisles. The accommodation for the choir has also been much improved, stalls having been erected on either side of the chancel, which are tastefully got up and well suited to the purpose for which they are intended. We believe it is the intention of the congregation to purchase a new organ. When this is done, the choral department of Christ Church will be very complete. New chandeliers have been ordered, but did not arrive in time for the opening. The names of the contractors who have so efficiently carried out these improvements are: Shingling, Mr. E. B. Sutherland; plastering, Mr. Jos. Purcell; painting, papering and calcimining, Mr. Wadsworth. The Prie Dieu desks, Communion chairs and stalls for the choir were made by Messrs. Patterson, Woods & Co., and their workmanship does this new firm great credit. Mr. Wadsworth also deserves special praise for the artistic manner in which he has performed his part. On Sunday last, the day appointed for the re-opening of the church, three services were held, as follows: At 11 a.m., Morning Prayers, Ante-Communion and sermon; 2.30 p.m., Litany and Sermon; 6.30 p.m., Evening Prayers and Sermon. There were large congregations present, the church being well filled both morning and evening. The morning services was conducted by the Incumbent, Rev. H. Bartlett, the sermon being preached by the Very Reverend Dean Boomer, Principal of Huron College. The rev. gentleman took for his text, Exodus xx. 24, "An altar of earth thou shalt make unto me, and shalt sacrifice thereon thy burnt offerings, and thy peace offerings, thy sheep, and thine oxen; in all places where I record my name I will come unto thee, and I will bless thee." The reverend and talented gentleman's discourse was very suitable to the occasion and apparently left a deep impression upon his attentive hearers. The services in the afternoon were conducted by Rev. H. Bartlett, who preached an eloquent sermon from 2nd Samuel, xxiv, 25, "And David built there an altar unto the Lord, and offered burnt offerings and peace offerings. So the Lord was intreated for the land, and the plague was stayed from Israel." In the evening, Prayers were read by the Incumbent, and a most impressive sermon preached by the Venerable Dean, from the 89th Psalm, verses 15 and 16, "Blessed is the people that know the joyful sound: they shall walk, O Lord, in the light of thy countenance. In thy name shall they rejoice all the day; and in thy righteousness shall they be exalted." His discourse upon this occasion, as in the morning, engaged the earnest attention of his hearers, whose listening ears were evidently hearkening to the joyful sound with deep interest as it was proclaimed by the venerable looking preacher in language calculated to shed peace on all within God's holy sanctuary.

McLellan, did not own, and showing that it was a mistake in putting down the number of the lot, as A. McLellan should have been assessed for lot 159, in place of 189.
