Drygoods.

Business all this week has been brisk. Goods have been coming forward rapidly and passing through the custom house, and orders taken during the last few weeks are being filled. Those having placed orders a month or two ago are urging wholesale houses to forward the goods. Indications generally point to a lively fall trade. From all sections of Ontario reports are favorable as to the crops and prospects in general. Millinery houses are not being visited by many customers just now, as they are holding off for the openings which will take place on the 27th. Prices are firm and rumors are heard of impending advances not only in Canadian goods but in all kinds of imported textile fabrics. Payments are moderate.

Groceries.

There is a fairly active trade doing in groceries. Valencia raisins are very scarce, and before the arrival of new fruit about Sept. 20, it is likely that there will be more on the market. The sugar market is strong but sales are very few. The refiners are keeping prices up by keeping their refineries idle. Jobbers quote granulated at 9c for under 15 barrel lots, and 8¾ for 15 barrel lots and over. Yellows are quoted at 8¼ and 8¼. Canned goods of all kinds are firm. Teas and coffees are steady. Payments are firm.

Leather.

There has been a fair trade doing in leather during the week. A large number of moderate sized lots have been sent to Quebec and to the west. It is felt that the situation will gradually improve and that there will be a steady demand from now on through the fall. Quotations are unchanged. Prices: No. 1 slaughter, B.A. Spanish, 25c to 28c per lb; No. 1 ordinary Spanish, 21c to 23c; No. 2 Spanish, 19c to 21c; No. 3, 17c to 19c; heavy No. 1 slaughter, 24c to 27c; medium slaughter, 22c to 24c, No. 2 slaughter, 20c to 22c; No. 1 harness, heavy 27c to 32c; medium harness, 26c to 27c; upper, 32c to 35c; grained upper, 29c to 32c; splits, 16c to 19c.

Hides, Skins and Wool.

Receipts of hides and skins are fair and the demand for cured goods rather dull. Dealers are paying $4.75 for No. 1; $3.75 for No. 2 and $2.75 for No. 3. They are selling at 5½c for No. 1. Shearling and lamb skins are quoted at 30c. Wool is dull. Fleece wool is quoted at 20c to 20½c; 22c to 23c for Southdown; unwashed fleece at 11c; unwashed Southdown at 14c; rejects at 16c; supers at 27c to 28c and ext ras at 28c to 29c.

Live Stock.

There were 35 loads of stock offered at the Western Cattle yard this morning, including 600 sheep and lambs and 100 hogs. Export cattle were rather weaker owing to lower cables, but there was a fair amount of business done. Prices ran from $4.50 for good to $4.72½ for choice. Choice butchers' cattle were wanted at 4c with inferior to good wanted at from 3½c to 3 1-2c. The offerings of hogs, almost exclusively fats, were sold at 5 1-4c to 5 1-2. Stores were dull and unsought. Export sheep sold actively at 4 1-2c for ewes and 4c for rams. There was a light offering of calves, about 25, and all were sold. Prices ranged from $2 to $10.

Horses.

Business in horses is very dull. Only 20 head of stock were offered at Grand's yesterday and only 10 were sold. Work horses brought from $80 to $100.
