RUTH BLANKED THE LEAFS---BEAVERS WERE BEATEN ONE RUN

NO BREAKS FOR KNOTTY'S BEAVERS

Champions Win Second Game of Series With One Run to Spare.

A failure to get any of the breaks and a little bad baseball beat the Beavers yesterday, Ottawa taking the second game of the series with a 3 to 2 score. Both clubs used two pitchers, but despite this the twirling was good. Kane started for Ottawa, and while not of the best, his work was fair. Peterson, who relieved him, pitched fine ball to the end. Kirley was the first Toronto man on the mound, and he was only taken out to let Moseley hit for him in the eighth. Roberts finished the battle.

Both teams put across two runs in the first inning and the champions squeezed across one in the second. The Beavers entered the ninth one behind, and with any kind of luck should have at least tied it up. Killilea was the first batter and after waiting the length of a three and two count offered at a bad one and lost a chance to get on. Trout followed by tripling to left, and was thrown out trying to make the home base. Isaacs poked a single into left, and then was thrown out stealing. It was a grand chance wasted.

The Ottawa champions play the last game of the series with the Beavers today. This will be Ottawa's last appearance here this season.

NEW PITCHER WAS GIVEN DRUBBING

PETERBORO, June 23.—(Special)—The Petes fell on Nickell, the South Michigan hurler, who made his debut today, for fourteen pokes, and beat the Brants in easy fashion by a score of 8 to 3. Schettler was master of the situation in all but the sixth and ninth, when the Brants bunched a couple of hits. Fast work by both infields and clouting by Miller, Stewart and Rooney featured the struggle. Score:

WEIRD EXHIBITION TO THE COCKNEYS

HAMILTON, June 23.—In a weird game of baseball, which went an extra innings, and which was featured by the extra-base hitting of both teams, the London Cockneys beat out the Athletics by a score of 8 to 5 here today. The visitors had the game on ice at the end of the fourth, when the score stood 5-2 in their favor, but Steiger weakened and was yanked in favor of Hammond, with the bases filled and only one out. Hammond started off badly and forced in two runs, which, with Baldwin's tally, tied the score. London came strong in the tenth, however, and counted three. Donohue was hit for fourteen safeties during the game, including a home run and double by Whitcraft and triples by Bierbauer, Linneborn and Steiger. Cunningham rapped out a three-bagger for Hamilton in the first. Score:

OTTAWA'S FINAL APPEARANCE.

Ottawa and the Beavers will wind up their series this afternoon at the Stadium at 3.15, and incidentally this marks the last appearance of the Ottawa team here this season. Lill will likely work for the visitors and Roberts for the locals.

ST. THOMAS, June 23.—Erie made it two straight victories over the locals by taking today's game in handy fashion by the score of 3 to 1. BRADLEY IS FINED.

CHICAGO, June 23.—President Gilmore of the Federal League today suspended Manager Bradley of the Brooklyn team for five days and fined him $100 for delaying the game at Indianapolis yesterday. He refused to leave the bench when ordered to do so by the umpire. Pitcher Seaton of Brooklyn was suspended for three days and fined $50 for using abusive language to the umpire.

BEER WAS WELL HIDDEN.

It took two plainclothesmen and thre constables two hours to unearth a stolen keg of beer at 82 George street last evening. Those arrested for its theft are Colin McKinnon, Joseph Meyer and William Foster, all of whom are put on the register as having no home. The beer was originally taken from a delivery wagon, and altho the officers had a pretty good idea where it was, they were forced to search the house from cellar to garret before the keg was finally located underneath some rubbish in the basement.

COULDN'T HIT BABE RUTH LEAFS BLANKED BY BIRDS

Baltimore Pitcher Tied Kelley's Brave Boys in a Neat Bundle — Herbert Was Steady, But Was Not Backed Up With Hits.

BALTIMORE, Md., June 23.—(Special.)—With Babe Ruth pitching fine ball, Toronto was coated with whitewash this afternoon to the tune of 3 to 0, in the opening game of the series. It was played as the first half of a three-cornered double-header. Cincinnati opposed the Birds in the second set-to, and the Orioles won to the jingle of 5 to 4.

Ruth was knocked from the box in his previous time out, but he was a different man today and had the Leafs at his command thruout the entire game. Herbert was his opponent and did not pitch bad ball, either, against Ruth it did not shine, and the Orioles really won eased up. Manager Kelley objected to the announcer passing the balls to the umpire, and was finally sent to the bench. He continued his nagging from the bench, and was sent to the showers by Umpire Daley, the incident costing Manager Kelley the automatic fine of $10.

The Orioles broke the ice in the second round after two were down. Gleichmann rapped a one-baser to centre, and came all the way home when Egan slashed a three-sacker to right, Ben Egan was the driving power behind the Orioles' counter in the fourth. Ball doubled, with one down, and, after Gleichmann lifted to O'Hara, Egan sent Ball home with a one-baser to right. Singles by Midkiff and Cree and an infield out gave the Birds their last tally in the eighth.

The Leafs had but two real chances to score—in the fourth and ninth rounds—but the punch was not there. Fisher opened the fourth with a single past short. Pick beat out a bunt past Ruth. Sullivan fanned. Jordan forced Pick, Gleichmann and Ball. Fisher taking third. On an attempted double-steal, Jordan fell asleep and was run down.

In the ninth, with one down, Prieste was dead-headed. After Fisher had fouled to Egan, Pick singled to right, sending Prieste to third. Sullivan fanned. The calibre of ball that Ruth pitched is attested by the fact that but two Leafs reached third in safety, and but one other got as far as the midway.

A double-header is booked for tomorrow, and another will probably be carded for Thursday.

BREACH OF IMMIGRATION ACT.

John W. Hahan, 150 Mutual street, was arrested by Acting Detective McConnell last evening, charged with a breach of the Immigration Act in operating an intelligence office without a license.

REFUSED TO GO TO HOSPITAL.

John Gillard, 195 Glenwood avenue, was run down by a delivery wagon on Van Horne street yesterday afternoon and may have sustained internal injuries. In spite of the fact that he was badly injured and the police ambulance men advised him to go to a hospital, Gillard insisted on being removed to his own home.

ACCIDENTAL DEATH.

A verdict of accidental death was returned at the morgue last night at the enquiry into the death of Albert Baker, the painter, who died as a result of a sixty-foot fall from his scaffolding.

IRONING BOARD.

Cover an ordinary board with several thicknesses of cotton or flannel (an old blanket it best, writes a Monitor reader), then add half a roll of cotton batting; cover this with half an old sheet or a width of new cotton, pinned tightly on the under side. This makes a firm, thick, soft surface that will be a joy to the laundress.

VAGRANCY WAS THE ONLY CHARGE

Responding to a wireless message from the steamer Cayuga, while the ad men were joy-cruising on Monday night, Inspector Dickson of No. 1 police station and a squad of men waited at the dock for the steamer's return, prepared to arrest an alleged gang of pickpockets who are said to have separated $500 from the legal owners.

The police boarded the steamer, where they were directed to a hatchway, in which Jack Sheehan, William Cunningham, Edward West and Allan Tuttle were standing. They placed the quartet under arrest.

Daly, who was attracted by the disturbance, then came on the scene and asked what the trouble was. The reply of an officer was to grab him in spite of his protestations that he knew nothing of the others. All the accused were searched, but none of them had more than a dollar in their possession. As a result the charge in the police court yesterday was merely the nominal one of vagrancy, on which all were remanded a week. Daly and Sheehan were at once admitted to bail of $500 each.

According to a statement made to The World the five men were not wearing official badges and this led to their being suspected and handed over to the police.

PLATINUM WEDDING RINGS.

The up-to-date bride is married with a band of platinum, which has taken the place, at many fashionable weddings, of the band of gold. To the bride who cherishes tradition, the platinum wedding ring is not welcome. For generations the ring has been of gold and, to the traditional bride's mind, for generations more it should be of gold. It is this sort of bride who prefers a solitaire diamond to everything else for an engagement ring.

In spite of her sentiment for the old and accepted, the platinum ring has advocates among the brides who are seeking change.

SQUEAKING SHOES.

To cure squeaking shoes take a large plate and pour just enough oil on it to cover the bottom. Then stand the shoes with their heels propped up that the soles rest in the oil. Let them stand overnight, and in the morning wipe off any excess of oil there may be.

WARM TIME FOR SCHOOL CONTRACTOR

A strenuous meeting was held by the advisory industrial committee of the board of education yesterday afternoon.

Secretary Wilkinson presented two lengthy letters and a number of photographs sent in by the Fred Armstrong Company protesting against the complaint of the architects and engineers that they had delayed the work at the Central Technical School by employing too small a staff of plumbers.

J. B. Carswell, representing the architects, charged the plumbing contractors with having delayed the work.

Engineer Woodman said they had written fifteen hurry-up letters to the plumbing contractors.

Mr. Armstrong asserted that the complaints were unreasonable as weather conditions had made it impossible to proceed with the plumbing at certain periods. He said his firm had now 40 plumbers on the job, and there would be no ground for further complaint.

A claim from the father of W. T. Kincaid, who had a finger cut off in the manual training class at the Technical School was sent to the solicitor for a report.

WILL RAISE FUND TO LIGHT BUSINESS WORKS

A fund of $100,000 is to be raised by the Canadian Credit Men's Association, to be used in the prosecution of cases of fraud, the fund to be raised by the subscription of 1000 wholesale houses of $100 each. The announcement that this had been decided upon by the National Council caused enthusiasm at the annual banquet held at the Ontario Club last night.

The National Council will meet next year at Vancouver.

CLEAN WITH MEAL.

Stenciled scrim curtains can be freshened very effectively by this method: After taking down the curtains, shake well, then spread out one at a time on a sheet of clean wrapping paper and sprinkle with fine corn meal. Then take a clean whisk broom and brush well to remove corn meal, as well as dust. If curtains are wrinkled they may now be pressed, and will be found to be almost as fresh looking as if laundered.
