SILENT SORROW....CERTAIN HELP!

Numerous Extraordinary, Anatomical, Explanatory, Coloured, Engravings. In Six Languages. Fifty-third Edition. Price 2s. 6d. in a sealed envelope, through all Booksellers, or sent post free from the Author for 12 Postage Stamps.

THE MEDICAL ADVISER on the physical decay of the system produced by delusive excesses, infection, the effects of climate, &c.; with remarks on the treatment practised by the Author with such unvarying success, since his settlement in this country. Rules for self-treatment &c.

By WALTER DE ROOS, M. D., 34 Ely Place, Holborn Hill, London, where he may be consulted on these matters daily from 11 till 4. Sundays excepted.

Sold also by Gilbert, 19 Paternoster-row, London; Watt, 11, Elm Row, Edinburgh; Powell, 15, Westmorland-street, Dublin; and through all others.

Dr. De Roos from long practical experience in the most celebrated institutions of this country and the continent, has had, perhaps, unusual opportunities of observing the peculiarities relating to the physiology, pathology, and general treatment of the disorders referred to in the above work, and having devoted his studies almost exclusively to this class of diseases, he is enabled comfortably to undertake their removal in as short a time as is consistent with safety.

PERSONS IN ANY PART OF THE WORLD, may be successfully treated by forwarding a correct detail of their case, with a remittance for Medicines, &c., which will be returned with the utmost despatch, and secure from observation.

The Concentrated GUTTÆ VITÆ, or Vegetable Life Drops,

are recommended to all those who have injured themselves by early excesses, and brought on Spermatorrhœa, Nervousness, Weakness, Languor, Low Spirits, Aversion to Society, Study or Business, Timidity, Trembling and shaking of the Hands and Limbs, Indigestion, Flatulency, Shortness of Breath, Cough, Asthma, Consumptive Habit, Dimness of Sight, Dizziness, Pains in the Head &c.

Their almost marvellous power in removing Contamination, Secondary Symptoms, Eruptions, Sore Throat, Pains in the Bones and Joints, Scurvy, Scrofula, and all other impurities, must be felt to be believed. 4s. 6d., 11s., and 33s. per bottle. The 33 Packages, by which 11 Ozs. are saved: and the £10 packages, by which a still greater saving is effected, will be sent from the Establishment only, on receipt of the amount per draft on a London house, or otherwise.

PAINS in the BACK, GRAVEL, LUMBAGO, RHEUMATISM, GOUT, Indigestion, Bile, Flatulency, Headache, Nervousness, Debility, Diseases of the Bladder and Kidneys, Stricture, &c.

THE COMPOUND RENAL PILLS, as their name denotes, for the Kidneys in issues, are a most safe and efficious remedy for the above dangerous complaints, Discharges of any kind, and Diseases of the Urinary Organs generally, which if neglected, frequently result in stone in the bladder and a lingering painful death. They agree with the most delicate stomach, strengthen the digestive organs, increase the appetite, improve the general health, and will effect a cure when other medicines have utterly failed. Price 1s. 6d., 11s., & 33s. per Box, through all Medicine Vendors.

GUARD AGAINST the recommendation of spurious or vile compounds by unprincipled vendors, who thereby obtain a larger profit. To protect the Public against FRAUD, Her Majesty's Hon. Commissioners have directed the words "WALTER DE ROOS, LONDON," to be printed in white letters on the Stamp affixed to the above, to imitate which is felony.

Sold by Von Lentzgy, Lall Bazaar, Calcutta; Ashton, Richardson, & Co., Mount Road, Madras; Hulsebusch, Bombay; Teacher & Co., Poonah and Kurrachee; Rogers, Scinde; Dodsworth & Co., Penang; Leonard & Co., Ceylon; and Kandy; and obtainable through all Medicine Vendors, of whom also may be had "THE MEDICAL ADVISER;" or should difficulty arise in procuring any of the above, enclose the amount by draft, or otherwise, to 35, Ely Place, Holborn Hill, London, and they will be sent securely packed per return. July 18.

THE 18th Annual General Meeting of this Company was held at Liverpool on the 16th February last, when the following Report of the business of the Company during the past year was submitted:—

"The increase in the Fire Insurance Business must be satisfactory to the Proprietors, as showing the rapid and safe progress which the Company is making. The receipts for the past year have increased considerably over those of 1852, while the losses have materially diminished.

	1852.	1853.
Receipts,	£108,651	£113,612
Losses,	59,091	42,846
Profits,	£39,563	£70,766

These results show, notwithstanding the very numerous and destructive fires that have occurred both in this country and especially in America, that great caution has been exercised in taking risks, on the part of those on whose judgment the Directors must necessarily in a great measure rely. The reserved surplus fund now amounts to £143,712.

The Officers for the current year at Liverpool are:
