## COMMON COUNCIL REGULAR MEETING

### Accept Award of Police Conciliation Board — Increase for City Marshalls — Will Prepare a Bill in Power Company Matter — Other Business.

The city council yesterday ordered the advertisement of the paving of parts of Prince William, Duke and Germain streets, under the local improvement act; accepted the award of the police conciliation board; ordered the preparation of a bill for presentation to the legislature in the Power Company matter; confirmed the appointment of Kenneth Clawson as district commissioner at $1,200 per year, and granted city marshals an increase of twenty-five cents on each paper served.

Mayor Hayes presided and Commissioners Thornton, Bullock, Jones and Fisher were present.

The committee of the whole recommended the acceptance of the award of the police conciliation board; the awarding of tenders for life belts to A. W. Adams and Estey & Co.; granting of permission to John Shing and J. A. Marvin Ltd., to erect electric signs; the sale of a city property to Andrew D. Armstrong for $1,500; the preparation of a bill giving the city power to fix rates, participate in the affairs of and to take over in whole or in part the New Brunswick Power Company.

Commissioner Fisher thought the fixing of rates should be left in the hands of the Public Utilities Commission. The report of the committee was adopted.

The commissioner of public works reported as follows:

"Regarding the letter from Mr. W. E. Lane, complaining of water coming into the cellar of his house, No. 160 Wright street, your commissioner begs leave to report that he has paid attention to this matter in the past, has made an improvement on the sidewalk and has been assisted by the water department in improving conditions by the placing of two catch basins at the end of Spruce street, this being opposite Mr. Lane's house. Wright street is lop-sided, being on a side hill, and all of the surface water on the roadway, excepting such as soaks into the ground, flows to the side of the street on which Mr. Lane lives.

The gutter and sidewalk have been properly constructed, but now need some repairs, and these will receive attention when the asphalt season opens.

Your commissioner considers that the city is not responsible for the trouble of which Mr. Lane complains." Adopted.

A communication from the city council of Toronto, asking the St. John city council to protest against the adoption of certain legislation, now pending in the Dominion Parliament, consolidating the Railway Act, unless there was included sections safeguarding the rights of the municipalities to the control of the highways within their borders. The communication was referred to the committee of the whole.

The council then went into committee to hear chairman of the board of assessors in connection with the appointment of Kenneth Clawson as district commissioner.

While waiting for Mr. Olive to arrive Commissioner Thornton made an explanation in regard to the appointment of Frank Killen to the police force. He stated the matter of appointment and dismissal was in the hands of the chief. He, the commissioner, had made some enquiries and found that when Mr. Killen was appointed there was on file three applications from returned soldiers, two of them were reported by physicans to be physically unfit for the duties of a police officer, and the third had not been discharged from the army.

Commissioner Fisher brought up the matter of paving, and moved that Germain street, from King to Union streets, estimated cost $10,210; Duke street, Germain to Charlotte, estimated cost, $7,450; Union street, Waterloo to Brussels, estimated cost, $9,380; Prince William street, Princess to St. James, estimated cost, $33,540, be paved under the local improvement act, the paving, with the exception of Union street, to be of asphalt surface with concrete base; Union street to be paved with granite blocks. There was some objection on the part of the commissioners to the use of granite blocks, and the Union street matter was laid over. The other three were adopted, and the common clerk ordered to advertise these streets under the act.

Chairman Olive was asked about the appointment of Kenneth Clawson as district commissioner. He said that before making the appointment he had offered the position to Mr. Frame, who had preferred to keep his old position. Mr. Clawson was a very capable official.

After Mr. Olive had retired the council decided to confirm the appointment and make the salary $1,200 per year.

Commissioner Fisher presented a draft of a letter which he had prepared to send to Premier Foster, in connection with the Currier report. Commissioner Jones expressed the opinion that the bill which was to be prepared provided for all contingencies and there was no need of any further action. It was decided to take up the question again on Thursday.

On motion of Mayor Hayes the city marshals were granted an increase of twenty-five cents on each paper served.

## POLICE COURT CASES YESTERDAY

### Lemon Extract Drunks Remanded—Frank Godin Sent up for Trial—Lloyd Miller Out on Suspended Sentence—A Young Woman Thief.

Two drunks who appeared in the police court yesterday morning on the charge of drunkenness pleaded guilty and were remanded. Lemon extract was responsible for their arrest.

Frank H. Godin appeared for final hearing on the charge of assault. After evidence had been completed, the accused was sent up for trial. W. R. Scott is appearing for Godin.

The case against Harry Wetmore, a coachman, charged with violating a city bye-law, governing coachmen at the depot, will be resumed later, as Policeman Pieroe, who laid the information, did not appear yesterday.

Lloyd Miller, charged with wearing the king"s uniform unlawfully, and with wearing a military decoration unlawfully, was allowed to go on a suspended sentence of $300 or six months in jail. Captain Gooday, A. P. M. of the district, and Captain G. Earle Logan, assistant judge advocate, appeared for the militia. Lloyd was arrested under civic law, as he was a discharged soldier and does not come under the military law.

In the afternoon a youth appeared to answer a grave charge. After evidence had been taken the accused was remanded to jail again.

A young woman was charged with receiving goods, knowing the same to have been stolen. After evidence had been taken she was allowed to go with the proviso that she appear in the near future to continue the hearing of the case.

Evidence was given by the detectives who told of finding the goods in possession of the accused, a suit case was presented in court filled with the goods, which had been found in the woman's possession.

Alexander Rangartin, who was arrested some time ago on the charge of non-support of his wife and family, appeared for further hearing. Mrs. Rangartin and her husband had a conversation in court and it is believed they will settle their little difficulty amicably.

HAD SEVERE COLD
AND TICKLING SENSATION IN THE THROAT.

This trouble is most distressing, and is caused from a cold that has settled in the throat.

How many people have lost a good night's sleep by that nasty, tickling, irritating sensation in the throat?

The dry, hard cough keeps you awake, and when you get up in the morning you feel as if you had had no rest at all.

Dr. Wood's Norway Pine Syrup, which is composed of the most soothing and healing expectorant herbs and barks, combined with the lung healing virtues of the world-famous Norway pine tree, will give you almost instant relief in all cases of this nature.

Mrs. G. C. Routley, Bright, Ont., writes:—"I take great pleasure in writing you of Dr. Wood's Norway Pine Syrup.

"For several weeks I was troubled with a severe cold and a tickling in the throat. I tried numerous remedies, but found no relief until I used Dr. Wood's Norway Pine Syrup, which I had heard so much about, and on taking one bottle got instant relief. I highly recommend it to those who need a quick cure."

So great has been the success of "Dr. Wood's" in curing coughs, colds, bronchitis, etc., it is only natural that many imitations have been placed on the market. The genuine is put up in a yellow wrapper; three pine trees the trade mark; price 25c. and 50c. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
