SOLEMN AND IMPRESSIVE

Was the Wedding of Rev. Lenox Ingall Smith With the Daughter of Bishop Hamilton.

Cacouna, Que., Aug. 24.—The marriage of Lillian Margaret, daughter of the Bishop of Ottawa, and Lenox Ingall Smith, curate of St. John's Church, Montreal, at St. James' Church, Cacouna, took place to-day. The rev. bridegroom and nearest friends met together at holy communion at 8 a.m. The marriage service was appointed for 2.30 p.m., when the little church was filled with a reverent and attentive congregation. The bride was met at the west door by the Bishop of Ottawa and six clergymen now enjoying their vacation in the clergy house of rest. The Bishop was vested in his scarlet robes and mitre, and carried his beautiful staff. The clergy were all in surplices, hoods and stoles. The procession hymn was "How Welcome Was the Call." At the chancel steps the bridegroom and the bride pledged their troth either to other, and made their solemn vows to love, honor and cherish each other until death.

The service ended, the Bishop and clergy preceded the happy couple to the western entrance, as the choir sang "Thine for Ever, God of Love." The bride was given away by her brother, Hubert Valentine Hamilton, on whose arm she entered the church. The bridesmaids were Miss Alice Hamilton's adopted child, and Mrs. Kerwin Martin's daughter, Vera. They looked very charming and discharged their responsible duties in a very attractive way. The bridegroom was supported by his brother, Mr. Goldie Smith of Toronto. All then hastened to the Bishop's cottage, where the Rev. Lenox and Mrs. Smith, and the Bishop and Mrs. Hamilton received the kind congratulations of their friends.

Miss Hamilton has been an untiring, loving church worker, and will prove a true helpmate to her husband in his parish. The many beautiful and costly presents testified to the numerous warm friends whom Miss Hamilton has attached to herself, and by whose wishes she is attended on her entrance upon her new life in her husband's home.

New Blood

We want to impress upon you the fact of newness—new ownership, new management, new methods, new everything. We employ none but Canadian graduate dentists, whose work we know we can safely stand back of, recommend and guarantee. We have the finest mechanical laboratory in Toronto, and are equipped most fully for perfect work in every department.

Every patient is met by Dr. Knight, every operation is under his supervision, and no work ever leaves the office without his inspection and approval.

We are aiming at perfection, and want that kind of a record only.

COLLISION AT THE TUNNEL.

Circus Excursionists Narrowly Escape Death—Cars Turned Over.

Port Huron, Mich., Aug. 24.—While pulling out of the tunnel station yards last night the Almont train of the Flint and Pere Marquette Railway, with a baggage car and six coaches heavily laden with circus excursionists, was run into by a train of the Saginaw division of the same railway. The four rear cars of the Almont train were turned on their sides with their load of human freight, while the engine of the other train was derailed by the collision. It is estimated that at least 200 passengers were on board the outward passenger trains, all of whom were more or less injured. Fortunately no one was killed. For a few minutes after the accident there was considerable shrieking among the passengers, especially the women, many of whom were injured in the rush for egress. Both trains were running at a low rate of speed, otherwise the accident would no doubt have been of a serious character.

Gigantic Boot and Rubber Sale.

Suckling & Co. advertise an immense sale of boots, shoes and rubbers for Sept. 6, 7, 8 and 9, when $80,000 worth of goods will be sold to the trade in detail. The Commonwealth Shoe Company of Quebec (whose stock amounts to $30,000, and who are now in liquidation) has been placed in their hands for disposal. The American hypothecated goods of the W. J. Gunnane estate, which were stopped in transit at the time of the insolvency, will also be sold; 3000 cases of women's, misses', men's, and boys' American rubbers, all perfect goods of all descriptions and made for the present season, will be placed on the market without reserve, as well as 5000 pairs men's American boots, the latest toes, in box calf, patent enamel, dongola, vici, etc., all new and made by one of the best known firms in the United States. The rubbers and men's American boots will be sold on Tuesday, Sept. 6, the Commonwealth stock and the W. J. Gunnane goods commence on Wednesday, Sept. 7, and will be continued all day and night until all is cleared.

A Carefully Prepared Pill.—Much time and attention were expended in the experimenting with the ingredients that enter into the composition of Parmelee's Vegetable Pills before they were brought to the state in which they were first offered to the public. Whatever other pills may be, Parmelee's Vegetable Pills are the result of much expert study, and all persons suffering from dyspepsia or disordered liver and kidneys may confidently accept them as being what they are represented to be.

Reid, Taylor and Bayne Sale.

The receiver in this matter has been instructed by the High Court of Justice to demand from any intending bidder or purchaser a marked cheque for $5000, payable to the order of the receiver, to be handed back to those who are not purchasers, immediately the sale is adjudged. The sale will take place at Suckling & Co.'s warerooms, 64 Wellington-street west, at 2 o'clock p.m. to-day. The stock amounts to about $77,000, and is said to be in perfect order and ready to commence business with immediately.

If a man will try to substitute some other water for Mt. Clemens Sprudel, won't he try to fool you on his other goods?

Raise the Gratings.

It is now about three weeks since the contractors finished the work of bricking the pavement between the tracks on Queen-street east, from Pave-avenue to Greenwood-avenue. In the construction of the work it was necessary to put down four gratings for draining the water from the street into the sewer. These gratings have been sunk several inches below the pavement and have been a source of great annoyance to wheelmen. The gratings should be raised two or three inches, as in their present shape they are not only a nuisance, but are dangerous to riders, especially after dark.

A Presentation.

At the close of the prayer meeting last evening, Rev. Dr. Morison, pastor of East Presbyterian Church, was presented with a beautifully illuminated address, expressive of appreciation of his labors during his pastorate in that congregation. Dr. Morison made a very appropriate reply.

An Appointment.

William H. Dickson of 185 Cottingham-avenue, a real estate dealer, is in luck. He has been appointed Landing-Waiter in the Customs at Toronto. Mr. Dickson will probably be given office work. His salary will be $700.

NOTES FROM KINGSTON.

Poor Box of St. George's Cathedral Robbed—Barn Burned by Lightning Nonagenarian Dead.

Kingston, Ont., Aug. 24.—The poor box at St. George's Cathedral was broken into last night, and the contents carried off by the thieves.

Peter Devlin and Joseph Nadon were before the Magistrate to-day for fighting, and were fined, the first named $10 and costs, and Nadon $20 and costs.

Within one day 425,000 bushels of grain have been handled by the M.T. Co. at their elevator here.

During the thunderstorm yesterday the barn of Joseph Welsh, Howe Island, was struck by lightning, and went up in smoke. The loss is $1200, and there is no insurance.

William G. Spankie, aged 90, died from old age. He was father of Dr. William Spankie, inspector of schools for Frontenac County. He had lived in Kingston since 1830.

MR. FARRELL OF FOREST

Nominated by Conservatives of W. Lambton for Bye-Election.

Sarnia, Ont., Aug. 24.—The Liberal-Conservative party of West Lambton held a convention here to-day in the Town Hall to nominate a candidate to contest the bye-election in this riding. Mr. John Farrell of Forest was the unanimous choice. The nominee, Mr. James Clancy, and others made addresses.

International Conference.

The honorable delegates to the international conference at Quebec are now comfortably situated at the Chateau Frontenac, and a tribute worthy of the piano has been paid the instruments made by Mr. Gerhard Heintzman of Toronto.

A magnificent "colonial style" selected for the honorable delegates was delivered to the Chateau. Lord Herschell immediately had it placed in the parlors occupied by the English delegates. Another Gerhard Heintzman was then selected for the parlors of the American delegation, and on the same day the third Gerhard Heintzman piano was selected and delivered to the Chateau, this time to the parlors occupied by Lady Laurier.

Mr. Gerhard-Heintzman is naturally much elated at the above practical expression of the excellence of his pianos.

Pretty Wedding at Colborne.

Colborne, Ont., Aug. 24.—A pretty wedding took place in the Presbyterian Church here this afternoon, when Miss Beatrice Head, eldest daughter of Mr. C. T. Head, was married to Dr. H. Burgess, a prominent dentist of Victoria, B.C., The bride, who was given away by her father, was becomingly attired in a neat traveling suit of blue grey, with a hat to match, and carried a large bouquet of white roses. They left on the afternoon train for Victoria, B.C., followed by the best wishes of many warm friends.

Plebiscite Meeting at Bracebridge.

Bracebridge, Ont., Aug. 24.—A plebiscite convention for organization of the southern district of Muskoka was held at Bracebridge on Tuesday, at which a large number of delegates reported.

A number of prominent laymen and clergymen were elected in each township to organize and prepare for the campaign. The evening meeting was one of the most enthusiastic temperance meetings ever held in Bracebridge.

Buy a Return Check.

A subscriber writes that many visitors to Mount Pleasant Cemetery are not aware of the fact that a return ticket on the Metropolitan Railway may be had for five cents. Such people are in the habit of paying five cents each way, whereas if they bought a return ticket the double trip would only cost them that amount.

TOMMY ATKINS AT THE BUTTS

Phenomenal Shooting on the Second Day—51 Possibles.

The Gordon and the Corporation Matches Closed—The Q.O.R. Team Beat Everything in Sight—A Glancing Ball Hits a Marker.

Phenomenal shooting marked the second day of the O.R.A. meet, notwithstanding the threatening weather. The air was delightfully cool and the wind, which was light, blew right across the ranges.

The Corporation of Toronto match developed some magnificent shooting. Capt. Elliott of the York Rangers made 83 out of a possible 85, getting two inners at 500 yards, and Color-Sergt. Robson of London capped the performance with 84 out of 85. He missed one bullseye at 600, getting an inner instead.

A record bit of shooting was done by Major Bruce, R.G., and Capt. Elliott, G.R., at 600 yards, making together at a single target 19 bullseyes out of 20 shots. Altogether, some 50 possibles were made during the day. Some fine shooting was also done at rapid-firing range at 200 yards. Capt. C. F. Winter of Nile celebrity, who was stationed here, repeatedly exclaimed : "This is excellent!"

Asked how the marksmanship compared with that done by the British troops in the Egyptian campaign, Capt. Winter replied : "Most favorably." "It must be remembered, however," he added, "that these are our experts. Our average is kept low by the slow way the Canadian Government hands out the ammunition. Our men get only 20 rounds apiece, while the American regular gets 600 rounds. The very lowest for the safety of the country would be 50 rounds."

"What do you think of stationary targets, Captain?"

"They are good for beginners, but we should be provided with movable targets. They cost a little more, but it would, of course, make far better shots, and the expense should not be considered where the honor of a nation is concerned."

The targets were ringing repeatedly with the impact of the bullets.

"How far would a swift runner get if he tried to cross the ranges at the butts with, say, one rifle covering the ground?" asked The World.

"About 20 feet," was the answer.

The sensation of the afternoon was the sudden rise of the danger signal at target No. 2 in the 600-yard range shooting of the Toronto Corporation match. Firing was immediately discontinued along the line, and Surgeon Ross and a number of officers rushed to the spot. Stunned behind the target, with his face covered with blood, was Marker T. Walker of the 12th Battalion. The wound, on the tip of his head, was bandaged, and Secretary Cartwright will give him the bullet as a watch-charm. A wall three feet above his head furnished frontal protection, and the ball inflicted its injury by rebounding.

At 3 o'clock, when the news of Colonel Gzowski's death reached the camp, the flag was lowered half-mast.

The Hamilton team is looking eagerly forward to the Tait-Brassey match to-day. Major J. J. Mason remarked : "We are going to put up a most spirited fight for this, although of our first team men we are short of Hayhurst, Skeddon, Garson and Mitchell."

The Gordon.

This match, named after the late John Gordon of Toronto, ex-president of the association, is seven rounds at a range of 600 yards.

The Genuine Heintzman & Co. a Winner.

The Heintzman & Co. piano of to-day is amongst the foremost ground gainers in the fierce fight for place and prominence always raging more or less noisily or in subsided tones, throughout the ranks of the piano manufacturers. The "genuine" Heintzman & Co., with its multiplicity of "strong points," particularly in the matter of design, finish and musical qualities, can rally, and is rallying, a big array of champions. It stands the searchlight of criticism. Warerooms, 117 King-street west.

"Nebraska Girl."

The Wild Horse Gold Mining Company owns nine claims in this camp, but is at present confining development to the Nebraska Girl claim. A cross-cut tunnel has been driven 185 feet, and is being continued to intersect a vein that will probably be reached in about 80 feet further. The ore in this claim is a quartz carrying galena and iron sulphides, the principal values being in gold.

Dangerously Hurt in a Scuffle.

Belleville, Ont., Aug. 24.—A young lad named McKeown, son of Mr. John McKeown, was dangerously injured by being thrown by a companion while scuffling last night. His head struck the stone pavement and he now lies in a very low condition.

Frank Shutts, who was sentenced to two years in the penitentiary for bigamy, is to be released.

Barn Burned in Townsend.

Jarvis, Ont., Aug. 24.—The barns and sheds of Cicero Porter, a farmer living three miles west of here, in the Township of Townsend was burned by lightning last night. Total loss on barns and contents about $1600; insurance $500. The storm was terrific, and fires were noticed in different directions.

Yesterday Magistrate Kingsford adjourned until to-day the case against William Gemmage and John Lindsay for trespass on the G.T.R. property.
