For New Golf Links.

The members of the Highlands and High Park Clubs recognize the fact that because of their uncertain tenures they are likely to lose their links in the near future. Many of the prominent members of both clubs have therefore decided to take the necessary steps to secure another course. Offers of suitable sites will be considered at a meeting to be held at the office of S. W. Black & Co., 41 East Adelaide-street, on next Friday afternoon at 4 o'clock. All persons interested are invited to attend.

It should have been stated that Lou Scholes' present visit to Henley is his second. To-day in New York he is trying out a new shell, and if not satisfactory Mr. Scholes will cable to Clasper to have a new one ready when he reaches London. Lou will return late in July to compete in the World's Fair regatta at St. Louis.

Fort Hunter at Chicago.

Chicago, June 14.—Seven of the American Derby candidates will receive their final try-out for the Washington Park classic at Harlem to-morrow in the Derby trial special. The field for the special will be made up of English Lad, Woodson, Copper, Elwood, Flo Bob, Proof Reader and Lonsdale. Despite the fact that he was defeated last Saturday in the M. Lewis Clark Stakes, and that he will carry top weight, 120 pounds, to-morrow, English Lad will go to the post favorite. The race is at a mile and a quarter for a purse of $1500. The indications are that the track will be lightning fast to-morrow, the kind of going that suits English Lad. Fort Hunter, the Canadian candidate, arrived to-day.

Must Fight on June 30.

San Francisco, June 14.—The managers of the Yosemite A. C., before which Jeffries and Munroe are to fight on June 30, declare there will be no further postponement and that if Jeffries is not in condition by that time he must lose his forfeit of $2500 and the title of champion. Jeffries' trainers do not anticipate any further trouble with his injured knee.

Doings at Washington Park.

Chicago, June 14.—Assistant Chief of Police Schuettler has announced that he will have 300 policemen at Washington Park Saturday to make sure of being able to carry out Mayor Harrison's orders to prevent bookmaking at the race meet.

Detectives, it is declared, will locate each bookmaker and provide for him a guard of three patrolmen. Others will be scattered thru the crowd with orders to arrest any person caught attempting to make a bet, even by a wink or a nod. If there is to be no bookmaking in Washington Park on Derby Day, there will be none in any part of the city. It was discovered today that the wire cable connecting the handbook makers and their clearing houses down town had all been cut by some unknown person, rendering the extensive wire service useless. This has effectually stopped taking racing news outside of the track and disseminating it to the various clearing houses down town.

It was reported to-day that an unknown syndicate of bookmakers had secured an option on an old race track near Libertyville, in Lake County, and was engaged in putting it in shape so that if the Washington Park track is closed the new track will have first call on the dates formerly awarded to the Washington Park Club.

Land of Clover Beat St. Jude.

Brookline, Mass., June 14.—Robert C. Hooper of Boston, racing under the name of Mr. Chamblet, won the permanent ownership of the Duke Cup, with his champion steeplechaser, Land of Clover, at the opening of the three days' race meet at the Country Club here. Mr. Hooper himself offered the Duke Cup 12 years ago. Land of Clover was pushed so hard over the entire course of 2½ miles by Mr. Colton's St. Jude, finally winning by a head, that the record made two years ago by Thomas W. Lawson's Filon d'Or was lowered a full second, and now stands 5.01 1-5. The other steeplechase event for the Challenge Cup proved intensely interesting. J. Gerard's Almanzor won after a hard struggle against a large field. Three events on the flat also were on the card. The Chamblet stable was much in evidence, winning two events and a place, while Mr. Colton's stable was placed in both steeplechases. Summary:

Steeplechase, the Duke's Cup, purse $2000, about 2½ miles—Land of Clover, 163 (Veitch), won; St. Jude, 142 (Ray), 2; Tom Cogan, 132 (Green), 3. Time, 5.01 1-5.

Steeplechase, the Challenge Cup; purse $1000, about 2½ miles—Almanzor, 150 (Henry), won; Gertaguilon, 137 (O'Donnell), 2; Dick Roberts, 146 (Burkhardt), 3. Time, 5.06.

Gravesend Turf Gossip.

New York, June 14.—Irish Lad, favorite for the Suburban, worked a mile and a quarter in 2.08½ yesterday. The Picket was worked in about the same time and Proper's trial was a trifle slower. Hermis has all his speed. He showed a mile in 1.39½.

According to advices received yesterday from Chicago, the Suburban has been the medium of some very heavy wagers within the last few days. In the principal winter book, it is said, Joe Yeager stands to win $100,000 should Pulsus win. The odds were laid at the rate of 20 to 1. Against Hermis $80,000 to $10,000 has been booked to a New Yorker. A wager of $50,000 to $1000 against Whorler has been made, the taker being a resident of New York.

The latest odds against the chief competitors for the great race are: Irish Lad 2 to 1, The Picket 4 to 1, Major Daingerfield 10 to 1, Proper 8 to 1, Delhi 12 to 1 and Hermis 6 to 1.

At the Gravesend track yesterday in a discussion as to the merits of Proper, George W. Langdon laid Sol Lichtenstein $1000 to $500 that Proper would be third in the Suburban.

The stewards have decided to punish the rough riders. During the running of the Atlantic Stakes, Hildebrand on Schulamite cut across incantation, ridden by Jack Martin, and the latter had to pull up to escape being thrown over the fence. Patrol Judge Hall, who saw the interference, promptly reported Hildebrand to the stewards, who, after due deliberation, fined the jockey $200 and suspended him for the rest of the meeting. In the fifth race, Palm Bearee threw Sir Roche into the rails, F. Hewitt narrowly escaping serious injury.

Highball will start in the American Derby after all. W. M. Scheftel, after cancelling the order for a private car to be attached to the Pennsylvania limited Sunday morning, decided to succeed to the wishes of his trainer, and the colt was shipped to Chicago at 6 o'clock Sunday evening. Mr Scheftel said yesterday that while in his opinion it was a waste of time and money to send Highball west, he thought that in justice to the many persons in the east who had backed the colt to win the futre books the colt ought to face the barrier win or lose. Fuller will ride him. Shaw has been engaged to ride English Lad, the favorite, in the Derby, and Tommy Burns has received an offer to handle Tichenor & Co.'s Flo Bob in the same race.

John A. Drake will also send Rapid Water to the post, but he has not yet engaged a rider.

King and Queen at Ascot.

London, June 14.—Ascot week opened today. King Edward, Queen Alexandra and the Prince and Princess of Wales drove in state from Windsor Castle, and met with a great reception at the course.

The Ascot Stakes (a handicap of 20 sovs. each, with 2000 sovs. added, two miles), the principal race of the day, brought out a big field of 22. Merry Andrew won, Pure Gold was second and Pradella third.

Gathering of Horsemen.

A joint meeting of the Harness, Hunter and Saddle Horse Society and the Canadian Pony Society will be held on Friday evening at the King Edward Hotel. The members of the Toronto Gentlemen's Driving Club are also invited to be present, as several matters of importance will be discussed in connection with the coming open-air horse parade. A general invitation is given to all horsemen to be present.

Football Notes.

All Saints' juniors will practice in Sunlight Park to-night. A full turnout is requested, as a meeting will be held after practice to discuss important matters.

The Toronto Scots seniors and the Y. M. C. A. will play a practice game on Wednesday evening on Victoria College grounds, corner of Czar-street and Avenue-road. All players of both teams are requested to be on hand at 6.30.

The Gutta Percha and Rubber Works Company's association football team would like to arrange exhibition matches for holidays and Saturday afternoons with country teams within a radius of fifty miles from Toronto. Address T. H. Griffiths, 13 Fuller-street.

Shamrocks for Minto Cup.

Montreal, June 14.—Harry J. Trihey, president of the Shamrock Lacrosse Club, was very reticent this morning in regard to the action of the Shamrocks, now that the Brantford Lacrosse Club has been suspended by the C. A. A. U.

He says that a general meeting of the members of the association will be held to decide whether they will play Brantford for the Minto Cup or not. More than that he refused to say.

The general impression gathered on the street about Shamrock members is that the meeting will vote to play the matches. A number of the chief men in the club are in favor of conferring to the ruling of the C. A. A. U., of which the club is a member, but the rank and file are eager for the game, and are almost sure to outvote the C. A. A. U. supporters.

If they decide to play Brantford, it will mean that the Shamrocks will have to leave the N. A. L. U., which in turn would mean the breaking up of that league. What will be the final result cannot be foretold.
