Ola Cream...

A Popular Cure for Chapped Hands, Chafing, Sunburn, Frosted Face, Salt Rheum and Tender Face After Shaving.

OLA CREAM is a scientific skin food and a most agreeable preparation for the prompt cure of any roughness of the skin.

Unlike Glycerine, Cold Cream, etc., it does not irritate the skin, but soothes, softens and heals.

The peculiar advantages of **OLA CREAM** consist of its being entirely absorbed at once, leaving no external evidence of its having been uged.

It is entirely harmless, and safe to use on the youngest babe or the most delicate skin.

Its power of healing is due to the fact that it becomes absorbed and is assimilated with the fatty layers, fibres and tissues, building them up and giving action to the muscles and tone to the nerves.

"CURED TO STAY"

Is the universal testimony for South American Nervine, and what it did for Mrs. Armstrong it will do for any woman living.

"For one who has suffered as I have for over six years from nervous prostration, and having spent nearly all I possessed in doctor bills without any permanent relief, you can imagine what a God-sent blessing I feel South American Nervine has been to me. The first few doses gave me great relief. It took six bottles in all to cure me, but I feel I am cured to stay cured." —Mrs. Geo. Armstrong, Orillia, Ont. 58

FOR GROSS NEGLECT OF DUTY.

Kansas City, Nov. 29.—To Carrie Nation's husband, Judge Gillett granted the divorce upon the ground of gross neglect of duty. When Mrs. Nation first started out on her career of "joint" smashing, a year ago, Mr. Nation seemed to be in sympathy with her raids. But when she spent all of her time away from home, crusading or serving sentences in jail for destroying property, he went to the home of his daughter in Indiana and lived. He was Mrs. Nation's second husband, and was nearly 70 years old. The couple had lived together for many years.

DEATH OF THE POPE'S OLDEST FRIEND.

London, Friday, Nov. 29.—According to the Daily News' Rome correspondent, the pope has just lost his oldest friend. This was Commendatore Pacelli, who was 103 years old. It is stated that he was the oldest man in Rome. He was director of the inland revenue under the Papal Government before the fall of the pope's temporal power, and he lived afterward in the hope of seeing this power restored. Pope Leo often received him and chatted with him concerning events that occurred during the first half of the nineteenth century, regarding which Commendatore Pacelli's memory was wonderfully clear. It is reported that when the pope learned of his death he exclaimed: "I have lost my oldest friend."

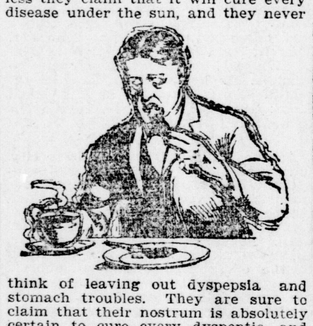
NERVOUS DYSPEPSIA

A CURE FOR IT.

Not a Patent Cure-All. Nor a Modern Miracle, But Simply a Rational Cure for Dyspepsia.

In these days of humbuggery and deception, the manufacturers of patent medicines, as a rule, seem to think their medicines will not sell unless they claim that it will cure every disease under the sun, and they never



think of leaving out dyspepsia and stomach troubles. They are sure to claim that their nostrum is absolutely certain to cure every dyspeptic, and he need look no further.

In the face of these absurd claims it is refreshing to note that the proprietors of Stuart's Dyspepsia Tablets have carefully refrained from making undue claims or false representations regarding the merits of this most excellent remedy for dyspepsia and stomach troubles. They make but one claim for it, and that is, that for indigestion and various stomach troubles Stuart's Dyspepsia Tablets is a RADICAL CURE. They go no farther than this, and any man or woman suffering from indigestion, chronic or nervous dyspepsia, who will give the remedy a trial, will find nothing is claimed for it that the facts will not fully sustain.

It is a modern discovery, composed of harmless vegetable ingredients acceptable to the weakest or most delicate stomach. Its great success in curing stomach troubles is due to the fact that the medical properties are such that it will DIGEST WHATEVER WHOLESOME FOOD IS TAKEN INTO THE STOMACH, no matter whether the stomach is in good working order or not. It RESTS the overworked organ and replenishes the body, the blood, the nerves, creating a healthy appetite, gives refreshing sleep, and the blessings which always accompany a good digestion and proper ASSIMILATION of food.

In using Stuart's Dyspepsia Tablets no dieting is required. Simply eat plenty of wholesome food and take these Tablets at each meal, thus assisting and resting the stomach, which rapidly regains its proper digestive power, when the Tablets will be no longer required.

Nervous dyspepsia is simply a condition in which some portion or portions of the nervous system are not properly NOURISHED. Good digestion invigorates the nervous system and every organ in the body.

Any druggist will tell you Stuart's Dyspepsia Tablets give universal satisfaction.

STRENGTH OF THE ENEMY!

Boers Have 70 Commandos in the Field.

Some 20,000 Horses Bought in Hungary for British Remounts—A New Regiment, "The King's Colonials."

London, Nov. 29.—A dispatch to the Times from Pretoria confirms the statement regarding the narrowing of the areas open to the Boers. The dispatch says that there are 70 recognized commando bands, numbering from 50 Transvaal, 31 in the Orange River Colony, 26 of them being in the 400 men, and 13 in Cape Colony. Those in the Transvaal include 1,100 men north of the Delagoa Bay Railway, who have 30,000 square miles in which to roam. The striking arm of the British force now numbers only 45,000 men.

THE COMPENSATION QUESTION.

A Durban dispatch says: The Uitlander committee has issued a report of their interview with Lord Alfred Milner, governor of the Transvaal and British high commissioner in South Africa. This report asserts that in this interview Lord Milner said that compensation to British subjects on a general scale would be impossible; the amount required would be so enormous that the idea could not be entertained.

With regard to the war debt the report says Lord Milner expressed his belief that the British Government would not lay a heavy burden on the Transvaal.

20,000 REMOUNTS.

Twenty thousand horses which have been purchased in Hungary as remounts for the British army in South Africa are now being shipped at Fiume for Cape Town.

CAPE COLONY RESPONSIBLE.

An official of the Cope Government is now entirely responsible for the patrolling and policing of the two new defense divisions, so as to render a recrudescence of invasion and rebellion impossible in those districts. The imperial officers commanding in the districts are, however, responsible, with the imperial troops at their disposal, for the guarding of the railway and garrisoning and defending the towns and villages of strategic importance. Should commandos enter the defense districts the colonial forces will, if necessary, be commanded by imperial officers.

"THE KING'S COLONIALS."

London, Nov. 29.—King Edward has consented that the regiment of colonials which Col. Wallace is raising in commemoration of the colonial troops who fought with the British regulars in South Africa, and which is to be named the Fourth City of London Imperial Yeomanry, shall bear the additional name of "The King's Colonials."

He commanded the military forces of New South Wales from 1893 to 1896; was president of the military conferences in Australia in 1896, was assistant adjutant-general for Ireland from 1896-98, and was general in command of the Dominion militia, 1898-1900.

PLEASANT MILITARY GATHERING

The Non-Commissioned Officers of the Seventh Entertained.

Their Comrades at Wolseley Barracks Hosts at a Thanksgiving Dinner After the Rifle Match.

The non-commissioned officers of Wolseley Barracks, after the friendly shooting contest at the Cove ranges yesterday, entertained their brother non-coms of the Seventh Regiment to dinner in the non-commissioned officers' mess at the barracks. The dinner was just such as soldiers thoroughly enjoy on Thanksgiving Day—roast turkey and all its surroundings—and ample justice was done to the tempting spread.

The officers and non-coms of No. 1 regimental depot present were: Lieut.-Col. Peters, D.O.C., Major Denison, C.M.G., Capt. Nagle (adjutant), Lieut. Uniacke, Sergt.-Major J. B. Munro, Drill-Sergts. Legge, Price, Blake-Foster, Col-Sergt. Cranston, Sergts. Beales, Kibbier, Bethune, Farnsworth, Cockburn, Corps. Evans, O'Connell, W. Walsh, Lance-Corps. Taylor, Walsh, F. Freeland, Strong, McFadden. The following Seventh Regiment non-coms were present: Sergt.-Major Milligan, Bandmaster W. Hiscott, Staff-Sergts. Shillington, Hayman, Booth, Color-Sergts. Jacobs, Erskine, Robson, Fisher, Chapman, Redge, Sergts. George, Galbraith and Bell.

The dinner being over, the president of the mess, Drill-Sergt. Price, proposed the health of his majesty King Edward VII. in a most appropriate speech. The toast was duly honored, the band playing the national anthem, all standing. "The Army and Navy," was responded to by Lieut.-Col. Peters, district officer commanding, and a song was given by Sergt.-Major Milligan, 7th Regiment. "The Canadian Militia," was responded to by one who was without doubt the right man in the right place. None has taken a greater interest in the militia and especially that branch of the permanent corps at Wolseley Barracks than the gallant Major S. J. A. Denison, C.M.G., and he deserved the applause he got for his splendid speech. "The Officers and Non-Commissioned Officers, etc., of the 7th Regiment," was received with continued cheering, and was ably responded to by Sergt-Major Milligan and Staff-Sergt. Shillington. "The Officers and Non-Commissioned Officers of No. 1 Regiment Depot Wolseley Barracks," proposed by Sergt.-Major Milligan, 7th Regiment, was enthusiastically received and honored by their comrades of the 7th Regiment, was was responded to by Sergt.-Major J. B. Munro and Drill-Sergt. Price. Capt. A. P. Nagle, adjutant of No. 1 Regimental Depot, and Lieut. Uniacke, of No. 1 Regimental Depot, made fine speeches to the assembled guests, after which Mr. Joseph Mitcheltree favored the company with a song. As also did Sergt.-Major Shillington.

After dinner the guests spent a most enjoyable evening in playing whist, euchre and cribbage. The company departed at a seasonable hour, and all agreed that a most pleasant day and evening had been spent at the ranges and at Wolseley Barracks.

The committee having charge of the dinner were Drill-Sergt. Price, Color-Sergt.-Sergt. Cranston, Sergt. Bethune and Corporal Evans, to whom every credit is due for the very successful and pleasant reunion.

A NEWFOUNDLAND MAN

Dodd's Kidney Pills Are Doing Their Usual Good Work on the Island.

Southern Harbor, Nfld., Nov. 25.—For over six years Maurice Best has suffered greatly with Kidney and Stomach trouble. He has been gradually growing worse, although he has been under the doctor's treatment all the time.

At last he read in an advertisement how Dodd's Kidney Pills were curing men and women all over the island of trouble similar to his own, and he commenced to use them.

They have cured him completely, and restored to him his old-time strength and vigor. He says he will always recommend Dodd's Kidney Pills, and in proof of his earnestness he has already got his brother and several others to use them, and all with the most happy results.

Dodd's Kidney Pills are the only remedy that has ever cured Bright's Disease, Diabetes, or Dropsy.
