DR. SCOTT'S ELECTRIC HAIR BRUSH.

An Honest Remedy

PRESCRIBED AND USED BY OUR BEST PHYSICIANS.

Which has won its way to Royal favor in England, been cordially indorsed by the Prince and Princess of Wales, and written upon by the Rt. Hon. W. E. Gladstone, is now brought to the notice of the American Public. It cures by natural means, will always do good, never harm, and is a remedy lasting for many years. It should be used daily in place of the ordinary Hair Brush. The Brush Handle is made of a new odorless composition resembling ebony, a combination of substances PRODUCING A PERMANENT ELECTRO-MAGNETIC CURRENT WHICH ACTS IMMEDIATELY UPON THE HAIR GLANDS AND FOLLICLES. This power can always be tested by a silver compass which accompanies each Brush.

Not a Wire Brush But Pure Bristles.

IT IS WARRANTED TO CURE

Nervous Headache in 5 minutes! Bilious Headache in 5 minutes! Neuralgia in 5 minutes! Dandruff and Diseases of the Scalp! Prevent Falling Hair and Baldness! Promptly Arrest Premature Grayness! Make the Hair grow Long and Glossy! The continued use of Pills, etc., works irreparable injury. Ask any Physician.

Will positively produce a rapid growth of hair on bald heads, where the glands and follicles are not totally destroyed.

[From Rev. Dr. Bridgeman.] BROOKLYN.

"Gents: I have never before given a testimonial, but am willing to encourage the use of an honest remedy. I am so pleased with your Hair Brush that I deem it my duty to write you recommending it most cordially. My hair, about a year since, commenced falling out, and I was rapidly becoming bald; but since using the Brush a thick growth of hair has made its appearance, quite equal to that which I had previous to its falling out. I have tried other remedies, but with no success. After this remarkable result I purchased one for my wife, who has been a great sufferer from headache, and she finds it a prompt and infallible remedy. A. C. Bridgeman, D.D."

SARATOGA.

"I cheerfully testify to the merits of Dr. Scott's Electric Hair Brush. It cures my headaches within a few minutes. It is an excellent Hair Brush, well worth the price, aside from its curative powers."

Jas. R. Cheyman, Mayor.

"Among good books for devotional or practical religious use we may mention with commendation 'Walks About Zion,' a series of brief interesting and practical addresses on religious topics."—*New York Independent.*

"Mr. Elliot is the master of a crisp and pure style. His reasoning is clearly expressed. He is a most impressive expounder of the Word of God."—*Presbyterian Record.*

"These addresses are brief, pointed, eminently practical. Mr. Elliot is well known in this community as an accomplished expounder of the Word of God, and with the gift of saying much in little, much meaning, few words. This is the characteristic of these addresses which we most cordially commend to the thoughtful reader. We confess to be reminded by these brief and terse discourses of our dear old favourite, John Foster." - *Presbyterian (Halifax) Witness.*
