DRIVE AWAY HEADACHE

Rub Musterole on Forehead and Temples

A headache remedy without the dangers of "headache medicine." Relieves headache and that miserable feeling from colds or congestion. And it acts at once! Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister. Used only externally, and in no way can it affect stomach and heart, as some internal medicines do.

Excellent for sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, all pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia).

BOMBARD HALL WITH BRICKS AND BOTTLES

Near Riot At Toronto by Crowd Shut Out of Meeting.

TORONTO, April 10.—Angered because they were shut out of the prohibition mass meeting in Massey Hall this afternoon, when W. E. (Pussyfoot) Johnson was the chief speaker, a number of men in a crowd of over 2,000 outside of the big hall, began to bombard the front doors with stones, bricks and bottles, at the same time shouting loudly in a vain attempt to drown out the voices of the speakers at the meeting. A squad of mounted police dashed in and scattered the mob, which was rapidly becoming dangerous.

Previous to the appearance of the mounted officers the policemen on duty in the vicinity were being made targets for the flying missiles. The mob, having been started on the run, were not allowed any opportunity to return to the hall.

Three men, Edward Poolman, Sydney Lewis and Richard Potts, were arrested on a charge of inciting to riot. They were followed to a police station by a large number of sympathizers, but no further disturbance occurred.

THREE DIE WHEN AUTO PLUNGES IN WATER HOLE

Car Somersaulted Down Bank Into Sixteen-Foot Excavation.

[Special to The Advertiser.]

DETROIT, April 10.—Two men and the young daughter of one of them were drowned Sunday night, when an automobile containing six persons plunged into a water-filled hole in Springwells, a Detroit suburb. The mother and a brother of the dead girl were saved by another of the party who repeatedly dived into the black pit in his work of rescue.

The dead: Frederick Reihold, 40 years old, foreman Daniel Brick Company, Dewey road.

Laura Reinhold, 14 years old, and daughter of Frederick.

Joseph Marozski, Clayton avenue, Detroit.

The accident occurred when the auto in which they were driving left a private road and somersaulted down an embankment into a 16-foot hole of water. The hole was the result of clay excavations made for the use of a nearby brick company.

WAGE CUT MAY BE MADE SOON

Some Reductions Expected To Go Into Effect On Saturday.

ST. THOMAS, April 10.—The Canadian division of the Michigan Central, so far as St. Thomas is concerned, has had no official intimation that the wages of the employees scheduled before the slump in labor would remain at the figures then or be reduced.

There has been a partial notification made that after Saturday next the pay in all the departments would be reduced, but to what extent none of the men affected by the change in figures appear to know.

Passenger traffic during the week has been showing an improvement, but has not yet touched the volume of a year ago.

Labor Unions Meet.

The local labor conditions and the unfortunate situation of not a few idle men who had been in receipt of substantial wages less than six months ago, and with no prospect in sight of a return to normal figures, impelled the trades and labor council to convene this afternoon to devise some means whereby the members of the trade union may be given or found employment. Every effort will be made by the council to relieve the serious labor situation in the city, and several recommendations were made how this problem of so much moment to many families in the city might be effected. A representative committee will co-operate with Government Agent Peacock towards getting places for men who are willing to take what is going and wait for something more congenial to turn up. A call will be made on the various industrial departments and merchants in the city to, if possible, find temporary places for deserving men, no matter the kind nor how long the employment may last.

A subscription will be taken up from men who are employed and applied to the relief of people in special cases.

LAD HAD LEG FRACTURED.

BRANTFORD, April 10.—In a collision between an auto driven by a Mr. Clemons, and a lad named Shute, residing on Brighton Row, who was driving on the Ava road, the youngster had his leg broken badly this afternoon, the bones protruding from the flesh. He was rushed to the hospital.

J. SMYTHE KERR DIES AT INGERSOLL

INGERSOLL, April 9.—Death today claimed one of Ingersoll's oldest residents in the person of J. Smythe Kerr, who died suddenly at the family residence, Catherine street. Some time ago he was ill with pneumonia, and while he had been able to be around, his heart was affected. He was suddenly stricken yesterday and his condition soon became critical. He had been practically a lifelong resident of the town, having come here when a boy. For many years he was associated with his father in the manufacture of carriages, which business he later conducted himself. He was deeply interested in community affairs, and a member of the Masonic Order. Besides his widow, he is survived by one brother, Daniel, of Rochester, N. Y., and four sisters, Mrs. J. C. Hegler and Mrs. J. P. Dunn, Ingersoll; Mrs. A. Ferguson, Simcoe; Mrs. T. J. Armstrong, New Westminster, B. C.

CONSTABLE KILLED.

BELFAST, April 10.—A constable was instantly killed and three others were wounded today when they were attacked while cycling near the village of Creggandduff. The attacking party, numbering 16, was posted behind a wall and used rifles, revolvers and hand grenades, the four constables replying with revolvers.
