PLATE TALK.

There are some vowel sounds that the wearers of poor fitting artificial plates pronounce with difficulty.

Perfect articulation depends upon perfection in fit and application.

We do not want a plate to leave our hands until the wearer can say, "I am very much pleased," without effort and with all truth.

We charge from $5 up for plates, according to the material used for the base; and painless extraction, by the latest method, is free when plates are ordered.

The "Musketeer" Hat.

This is the very newest and latest style in a lady's hat novelty, and quite the vogue for early fall in New York and Paris. It has derived its name and popularity because it is an exact reproduction of the style of hat worn in the now famous play, "The Musketeers," by such eminent actors as E. H. Sothern and James O'Neil.
