ABOUT MONEY, STOCKS AND GRAIN.

The First Named Strong, 'Change Weak and Dull—Prices on the Street and at St. Lawrence Market.

SATURDAY EVENING, March 22.

The volume of business in stocks this morning fell far short of even that of yesterday and the interest taken in the market seems to "grow smaller by degrees and beautifully less." In nearly all directions where there was a change a lower ruling of prices was noted, but the market was at a standstill, the only transaction being 17 shares of Commerce at 124¼.

CERTIFICATES OF STRENGTH AND PURITY.

OFFICE OF THE PUBLIC ANALYST, MONTREAL, September 9th, 1887.
To the Canada Sugar Refining Co'y, Montreal;
Gentlemen,—I have personally taken samples from a large stock of your Granulated Sugar, "REDPATH" brand, and carefully tested them by the Polariscope, and I find these samples to be as near to absolute purity as can be obtained by any process of Sugar Refining.
The test by the Polariscope showed in yesterday's yield 99.90 per cent. of Pure Cane Sugar, which may be considered commercially as ABSOLUTELY PURE SUGAR.

EPPS' COCOA.
BREAKFAST.
"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.

EMINENT AUTHORITY

Messrs. Jas. Good & Co., Toronto.
Gentlemen—I have great pleasure in recommending
ST. LEON WATER
having used it as occasion required since its introduction in Toronto.
When weary and tired with trying exercises and prolonged hours of pastoral duty, I always find St. Leon very soothing and refreshing.
I firmly believe St. Leon possesses all the virtues to purify and build up the system attributed to it by so many of our expert scientists.
