ST. ANDREWS VERY STRONG BEAT FAST MILTON TEAM

By 16 to 5—Speedy Junior Hockey—Queen's Defeated Varsity by Score of 9 to 4.

St. Andrew's College won from Milton Friday night, on the Mutual-street Rink, in the first of the home-and-home games in the college junior group, by the large score of 15 to 6. At the reeling period the Saints were ahead 7 to 3, and during the remainder of the game added 8 more. The game was fast junior hockey, and a large attendance was present to witness the match.

Milton started off at a fast clip and rushingly, taking the puck to their opponents' end and scoring the first. But it wasn't for long. Bronson of the St. Andrews evened quickly. Milton checked the Saints' forwards closely, and got the third goal, again going ahead. Grier evened for St. Andrews, and then put the college in the lead. Bronson and Grier combined well and often. The St. Andrew's team excelled in combination; their forward line was fast, speedy and always after the puck. The Milton players seemed somewhat slow; their defence was not up to the mark, St. Andrews easily beating them at defensive tactics. The Milton forwards had very little combination and tried to shoot from outside the Saints' defence, which resulted in little. St. Andrews got 4 more this half, and Milton 1. This made the game look sure for the college boys. There was little rough play, the game being a clean exhibition, tho there was some slashing. The second half was all St. Andrews, and Milton were on their defence most of the time. St. Andrews netted three before Milton could get another brace in succession. Then St. Andrews took four more to Milton's one. Grier tallied the last goal.

St. Andrews' team was a well balanced one; few weak spots developed. Warden, in goal, had not a great deal to do. Douglas and Crossen made a stone wall defence. Crossen's low shots the length of the ice were the features of the game. Grier ice were the features of the game. Grier was watched pretty closely but managed to get away often enough to score six goals. Bronson was the next best forward, tho Cotton and Sale were always wide up. Bellrose did not play his usual defence game for Milton. Lister and Campbell were the best forwards. Lewis stopped many hard one in goal.

Referee Waghorne was a fair and impartial official.

Cobourg Juniors Won.

Port Hope, Jan. 27.—(Special.)—One of the fastest games of hockey this year was played here to-night between the Cobourg and Port Hope junior O.H.A. teams. Cobourg won by 3 to 2. The ice was good and the attendance 1000, about 500 coming from Cobourg. The first half was of the whirlwind variety and Port Hope had the best of it play, but could not get the puck past Flesh, who played a great game in the nets. The half-time score was 1-1. The second half was also fast, and the hard work told on the players. Cobourg scored two goals and Port Hope scored one. For the remainder of the game Port Hope rained the shots on Cobourg's nets, but Cobourg bunched and saved the game. Dick Lillie of Toronto was an efficient referee. The line-up was:

Cobourg (3): Goal, Flesh; point, Moffatt; cover-point, Smith; rover, Rouertson; centre, White; wings, Weatherston, Doheny.

Port Hope (2): Goal, Gamble; point, MacMillan; cover-point, J. McLean; rover, Rowden; centre, Mercer; wings, Alcott, Wright.

Kingston, Jan. 27.—In the inter-collegiate hockey match to-night, Queens beat Varsity by 9 to 4. The teams were:

To night the Marlboros and Waverleys clash on the Mutual-street Ice. This is the last time these teams meet this season and the Waverleys will make a big attempt to win one game. They will have to work hard to do this, as the Marlboros want the championship again and are going to clinch it by winning to-night's game if they can.

The Waverleys will have Litchfield on again at cover, and with Whale at point their defence should be strong. Roester will play rover. The Marlboros will have the same line-up. The teams:

School of Science Ahead.

The second game for the Jennings Cup was played between Senior Meds. and Senior S.P.S. Friday afternoon on the Varsity Rink, the latter team winning by the score of 7-0. The school's aggregation was superior in every way and did not allow the Meds. to have a look-in. It is said that S.P.S.'s junior team is even faster than the senior. If this is the case, the Jennings Cup will probably be again placed on the trophy shelf at the school. The line up was:

Where Were the Saints.

Berlin, Jan. 27.—(Special.)—Very stormy and uncomplimentary things are being said here to-night about the senior St. Georges of Toronto. They were billed to play the Berlin Club this evening, and a large number of reserved seats had been sold. Everyone was looking forward to the game, and the receipts would have been over $500. This afternoon came a message canceling their end of the bargain. The local management is out considerably, and naturally is displeased at the action of the Toronto bunch.

Only Ottawa's Little Squeal.

Brockville, Jan. 27.—(Special.)—Brockville citizens are indignant over the reports appearing in some of the city dailies, picturing the vilest scenes as having been enacted in connection with the recent hockey matches here with the Ottawas. The only reason attributed for such action is that certain eastern sporting editors do positively hate to see a small place like Brockville making bids for high honors in the sporting arena. Referee Butterworth was not assaulted, neither did anything occur which could be construed into the slightest attempt to do so. The Ottawas were subjected to legitimate hard checking, which was characteristic of both sides, and each team took their knocks good-naturedly. Butterworth showed great partiality to the visitors, and, tho several deserved a penalty, not a single man decorated the fence. The match was won on its merits, hence the abuse heaped upon the victors to account for the defeat. The feelings of the disappointed Ottawa supporters are being avenged by giving Brockville the worst kind of a reputation—a reputation which the Island City does not deserve.

Sydney Beat Dawson 7 to 2.

Sydney, Jan. 27.—About 600 people witnessed the hockey game here to-night between Dawson City and the Nationals of Sydney, which resulted in a victory for the Nationals by 7 to 2. The first half ended 2 to 0 in favor of the home team. In the second half Dawson scored twice and the Nationals five times. The game was clean and fast. The feature of the game was the playing of Mahar and Malton for Sydney, and Kennedy, Fairbairn and Young for Dawson. The visitors were loud in their praise of the treatment accorded them by Sydney players and citizens. They claim that the Sydney team is one of the fastest they have played against this side of Montreal.

West End Juveniles Won.

The West End Y.M.C.A. juvenile hockey team defeated the Broadview B team on the Old Orchard cushion to-night. Score, 8 to 0.

The boys from the west had things their own way all thru the game, and at no time was their goal in danger. Lowry, Curzon and Hunter did most of the spectacular playing. The same team have twice tied with six men to seven, and now look like winners in their section.

Players are requested to turn out for practice Monday night. Much credit is due Thomas Keech for looking after the team. The winners were: Tait, goal; Curzon, point; Hunter, cover; Read, rover; Iredale, centre; Lowry, right wing; Kyle, left wing.
