Day's Doings in YORK COUNTY West Toronto North Toronto East Toronto

SWANSEA SCHOOL HOLDS GREAT FLOWER SHOW

More Than 1000 People Attend—Big Time in North Toronto—Suburban News in Brief.

SWANSEA, Sept. 16.—(Special.)—A party of Scarboro ladies, chaperoned by William Young of Agincourt, visited the beautiful conservatories and trial grounds of the Wm. Rennie & Sons this afternoon and were delighted with the magnificent showing of plants, and flowers. Later they visited the exhibits held under the auspices of the Ontario Horticultural Show in the Alan Gardens, and were still further instructed and interested in the snow. Several of the ladies were exhibitors at the Ontario Horticultural Show.

The party was composed of Mr. and Mrs. Wm. Young of Agincourt, Mrs. and Miss Maird, Mrs. M. Secor and Miss Secor, and Mrs. John Baird of Woburn, Mrs. T. A. Paterson of Ellesmere, and Mrs. Wm. Stirling of Ellesmere.

There was a large attendance at the Fruit, Flower and Vegetable Show, held in the Swansea school house tonight, under the auspices of the board and staff of the school. There were upwards of a thousand people who admired the beautiful exhibits, which were the result of the pupils' knowledge of gardening. Some of the exhibits were, however, taken from the gardens of the children's parents. A brief address was delivered by President W. G. McKendrick of the Toronto Horticultural Society, who declared that he was almost as favorably impressed with the exhibits of the Swansea children as with those of the Horticultural Society show, which had opened to-night in the Alain Gardens.

The exhibition was under the direction of Principal W. H. Clipperton, who was ably assisted by his staff and the board of trustees, the latter including Dr. W. C. Spaulding, chairman, R. C. Smith and S. L. Wright.

Probably the most notable exhibit was a giant sunflower, which had a disc of 13 inches in diameter, and a stalk 12 feet high, grown by Ray Arnfield and was planted May 1 last. A group of several kinds of vegetables, the results of the efforts of Ralph Cromwell, 7 years of age, constituted one of the other attractions of the evening.

As a result of this demonstration of horticultural products, the children and elders in Swansea, as well as the teachers, have been much enthused. There were in all 150 exhibits, the great majority of which will to-morrow be sent to the Sick Children's Hospital.

The prizes were awarded as follows.

Class plot—1, Senior primary, picture "Birds of Prey"; 2, fourth class, picture, Quebec Centenary.

Best individual plot—1, Victor Ashby; 2, Gladys Race; 3, Tom Westover. First two presented with bronze medals by W. G. McKendrick, President Toronto Horticultural Society, on behalf of the society.

Three prizes were presented for excellence in flowers, and three for excellence in vegetables.

Five books, the gift of the late Wm. Rennie, to be given to the five successful entrance candidates, were presented by R. C. Smith.

Three best home gardens entered—1, Victor Ashby; 2, Brown Bros.; 3, Pearl Brown. Specials—Tom Westover, Will Green.

WESTON.

Big Grist of Lively News From the North-Western Suburb.

WESTON, Sept. 16.—Rev. A. H. MacGillivray will conduct the union church services in the Presbyterian Church on Sunday.

The new concrete bridge over the Humber River at Wadsworth's mill is nearing completion. The main arch is now being laid.

T. J. Maguire on behalf of the Weston Juvenile Lacrosse Club asked for a grant of $25 from the Weston Council to pay rent for practice grounds. The club has done well not having lost a game. The request was granted.

The Hydro-Electric Power Company has promised to deliver power to the village in October or November.

Messrs. Chipman and Power, civil engineers, have notified the council that the contractors for the pumping machinery and filter were prepared to commence installing the plant. The contractor for the water tower promised to commence installing about Sept. 29.

Thomas Griffith is seriously ill with typhoid fever in Cobalt.

David Eagle, a past chancellor of Welcome Lodge, Knights of Pythias, has been successful in organizing a new Knights of Pythias Lodge at Weston. To-night the new lodge will be opened, and about forty members will be initiated.

EARLSCOURT.

EARLSCOURT, Sept. 16.—(Special.)—The contract has been let for the completion of the work on St. Mark's Mission. The work will be finished before the winter sets in.

DOWNSVIEW.

Public School to Be Improved, Yard Enlarged and Fixed up Generally.

DOWNSVIEW, Sept. 16.—(pecial.)—At the meeting of the trustees of Public School No. 17, it was decided to enlarge the playgrounds. The grounds will be extended four rods east and six rods south. Messrs. E. McDonald and R. Phillips, owners of the land in question, have expressed a willingness to sell. Considerable levelling will have to be done in order to keep the yard in good condition, as a portion of the new ground is marshy. The well, which has not been used for some time, will be cleaned and drilled, and a new pump installed. It will only be a matter of a short period till the school will have to be enlarged. At present it is greatly overcrowded, having over sixty pupils on the roll.

FAIRBANK.

New Bridge Under Belt Line Will Be Higher Than Old One.

FAIRBANK, Sept. 16.—Road Commissioners Watt and Middleton have taken the first step towards the "good roads" movement. The Vaughan-road, which was full of holes and boulders, has been graded, and the large stones removed. Next spring a stone macadam will be laid from the city limits to the northern end of Fairbank.

The old belt line, lately acquired by the Grand Trunk, is once more the scene of activity. Construction trains are now running over it, and the work of track laying is nearly finished. The old wooden bridge over the Vaughan-road in Fairbank will be replaced by a new steel bridge. The Grand Trunk has acceded to the request of the York Township Council, and will build the new one higher and wider than the previous one.

NEWMARKET FAIR NEXT WEEK.

North Yorkers Say Next Week Show Will Be Best Ever.

Newmarket Fair takes place on Tuesday, Wednesday and Thursday, Sept. 20, 21 and 22, and from all accounts will easily distance anything ever held in the town hitherto. The prizes are larger, the entries bigger and better, and altogether it looks as tho the town would furnish an attraction that will in many respects almost outrival the Canadian National. The Metropolitan Railway is giving a special service, and, given good weather, there will be a record crowd in the canal town on these dates. Of course, Thursday will be the big day of the three, but Wednesday will furnish some good attractions, too.

DAVENPORT ROAD CHURCH.

On Sunday, Sept. 26, at 3 p.m., Rev. D. Strachan of Rosedale Presbyterian Church will preach at the Davenport-road Church, while the splendid new orchestra of eighteen pieces will render sacred music suitable to the occasion. This will be "rally day," and it is expected that the sacred edifice will be thronged to the doors.

WEXFORD.

WEXFORD, Sept. 16.—(Special.)—A harvest thanksgiving service will be held in St. Jude's Church on Friday evening, 23rd inst., at 8 o'clock. Rev. J. E. Gibson, M.A., of the Church of the Ascension will be the preacher.

SCARBORO JUNCTION.

SCARBORO JUNCTION, Sept. 16.—(Special.)—Harvest thanksgiving services will be held in the Anglican Mission, Brent's Hall, on Sunday. At 10.30 a.m. Rev. N. A. F. Bourne, incumbent, will preach and administer the holy communion; at 7 p.m. Rev. H. O. Tremayne, M.A., of Mimico, will preach. On Monday evening a thanksgiving supper with program will take place. The usual admission will be charged.

FISHERVILLE.

Old-Time Church Again Ministers to Large Congregations.

FISHERVILLE, Sept. 16.—(Special.)—Some time ago a little card was circulated in this neighborhood with a picture of the old Fisherville Church, and on the back the words, "Stand by the old church." This was on the occasion of the opening of the old church again, for it had been closed for some time. The people have obeyed the command. Any Sabbath evening you will find from 80 to 100 people present. They are now looking forward to their garden party, on the grounds of Thos. Buchanan on Wednesday evening next. A good program, including a brass band from the city, has been arranged.

WEST HILL.

WEST HILL, Sept. 16.—(Special.)—A harvest thanksgiving entertainment will be held in the basement of St. Margaret's Church. An interesting program will be rendered and refreshments served.

BETTER LATE THAN NEVER.

City and County Alike Ignore Law re Cutting of Weeds.

It is a regrettable fact that, in spite of the increased interest taken in agricultural matters generally, and the presence of the Farmers' Institute and divers other organizations for the betterment of farm conditions, thruout York County and the province at large the growth of noxious weeds is greatly on the increase. Not alone on the farms, but the roadsides, notably on the outskirts of the city is this especially manifest. Sweet clover, rag weed, yarrow, burdocks and the old-fashioned Canadian thistle grow in profusion, and either the township or the city, or both, are negligent in their duty with respect to the cutting. There is a law governing this matter, and it is outrageous that the municipalities thru their officials should thus contravene it. There is positively no excuse for any flagrant violation, wherever it occurs.

NORTH TORONTO.

York Lodge, A. F. and A. M. Held Delightful Function Last Night.

NORTH TORONTO, Sept. 16.—(Special.)—The brethren of York Masonic Lodge held a most delightful reception in their handsome rooms to-night, when D.D.G.M. Bro. A. G. Brown was formally inducted into his new office. Following this interesting ceremony, the retiring D.D.G.M., J. E. Francis, was presented with a magnificent set of silverware. The presentation was made by R.W.M. Bro. W. D. McPherson, who referred in complimentary and eulogistic terms to the splendid service rendered by Bro. Francis. Others who spoke were R.W. Grand Registrar Smith, D.D.G.M. Brennan and practically all of the ruling D.D.G.M.'s of the West Toronto district.

An excellent musical service was rendered by Bro. W. G. Lawrence, Bro. R. G. Kirby, Bro. H. P. Thornloe and Bro. Bert Lloyd. The lodge rooms were artistically decorated, and the banquet which followed was prepared under the direction of A. H. Ruthven, and was one of the finest ever given in the town. Fully 300 sat down to the hospitable board.

It is forty-five years since North Toronto was honored with the appointment of D.D.D.G.M. the preceding officer being ex-Mayor John Fisher. The venerable D.D.G.M. was not present to-night, but his name evoked the greatest enthusiasm and kindliest recognition.

Estates of the Dead.

The late John Heasley of King Township died on June 9, leaving property worth $2036, in realty and live stock. In the absence of a will, it goes in equal shares to his brother and sister, Daniel Casey and Bridget Casey of Aurora.

The late William Triplow of Newmarket, who died Dec. 10, 1909, left $29.18 in cash. He left no heirs, and the money goes to Albert Gordon of Newmarket, who has made an affidavit that the deceased was indebted to him to the amount of $30 for "care and nursing," and asks to be appointed administrator.

NORTH YORK NOTES.

F. A. Legge of Bond Lake Farm was the third most successful exhibitor of Holsteins at the Canadian National Exhibition.

The funeral of the late Mrs. Mary Moir took place in Aurora yesterday, the remains being interred in Mount Pleasant Cemetery.

A special meeting of the North York Reform Association will be held in the Temperance Hall, Newmarket, on Saturday afternoon at 2 o'clock. While the meeting will, it is said, be of an important nature, it is not thought that any very outstanding questions relating to the Dominion or provincial matters will come up. The regular monthly meeting of the Vandorf Women's Institute will be held at the home of Mrs. Wm. Reynolds on Wednesday, Sept. 21.

The assessment of Beeton Village is $8000 less than last year, yet the town council, without the revenue from the hotels, is able to declare a 20-mill rate.

The will of the late George Haigh of Mount Albert provides for a bequest of $27,806.22 to his wife and seven children. The estate includes $12,000 in farm property, $7688 in mortgages, $35,418 in book debts and promissory notes, $2000 in insurance, and $300 in cash.

INLAND REVENUE.

OTTAWA, Sept. 16.—(Special.)—The inland revenue for August was $1,508,690, as compared with $1,285,500 during August 1909. Spirits accounted for $645,778, and tobacco for $630,128.

MAY IDENTIFY BY SCAR

Wife Not Positive Body is That of Her Husband.

By a scar on the back of the left leg, Mrs. Johnson, 1000 Dundas-street, seeks to identify the body of the aged man who dropped dead in Duke-street Monday night, as that of her father. She says that he was bitten by a dog when he was a young man, and that a scar like a vaccination mark remained on the back of his leg. A scar about the size of a ten-cent piece was found on the back of the left calf of the body at the morgue. Both Mrs. Johnson, wife of the missing man, and his son-in-law, have seen the body at the morgue, but neither could be positive in an identification. At the morgue they thought that it was not the man, but later decided that they could not be sure. The daughter will see the body to-day. Johnson had not been living at home for some time.

Young Man's Error.

Harry Owen, a married man, 30 years of age, living at 130 Portland-street, and employed as a freight handler at the C.P.R. sheds, was arrested yesterday by C.P.R. Constable Maynard, charged with theft of a package of scissors from a box car. When approached by the constable he threw away the scissors.

On Saturday---You Win

Here's How

On Saturday only we are offering a special inducement to the one who appreciates a good proposition. *Come out and inspect the property.* If you like it, ask our representative at Stop 18 for full particulars about our special inducements for *Saturday only.*

Crescent Point is the most desirable spot for a nice residence anywhere west of Parkdale.

Property that we are selling here is better value and about one-half the price of that asked for any sub-division of like high character at some distance from the city. Every day is adding to the worth of these lots, for the reason of the big amount of work that is being done on improvements in this locality.

Lake Shore road is being widened and made into an excellent thoroughfare.

Double-tracking on the Radial line has been commenced, which will make this already excellent service many times better. Even now this is the one section that offers as good a service on Sunday as on any other day of the week.

The depressing of the Grand Trunk line has begun, and at an early date the grade crossing at Sunnyside will be a thing of the past.

Those who are seeking a spot for a fine home that will constantly increase in value, and has all the advantages of the city, are losing opportunities every day they delay inspecting Crescent Point.

We have yet to find anyone who has seen the property who is not thoroughly satisfied that it makes good on every claim we make.

But—don't take our word for anything—emulate the man from Missouri—insist on being shown.

Crescent ★ Point

The Lakeside Suburb

Free transportation—Every visitor to Crescent Point will have the full amount of his cash fares refunded by applying to our representative at our office at Stop 18, Lake Shore road.

Our main office will be open Friday evening, so that you can get plans and full particulars before going out on Saturday.

Take car at Sunnyside—get off at Stop 18—if interested—if you fully like the property—ask our man at the field office for full particulars about our special inducement.

AUCTION SALE

of **Shorthorn Cattle, Heavy Horse, Implements and Household Goods,** on **SEPT. 21,** the property of **J. D. McAVOY of Balsam,** lot 6, concession 8, Pickering.

STEEL CASTING PLANT

For Sale or Will Rent

A 25-ton per day steel casting plant. One of the best open-hearth basic plants in Canada, the only one in Montreal. Oven can be changed if desired to acid form at very small cost. Capacity is 25 tons per day of net castings. Plenty of yard room. Everything in connection with plant is in first-class condition. Enough work can be secured to keep the plant going full blast. The site is a good one, being close to the Lachine Canal, and sidings can be put into the works. Would sell or lease for a term of years. This is a great opportunity for a person or a company who understands this line of business. There are good reasons for selling, which can be shown on application. Apply ROOM 12A,

No. 11 St. Sacrement Street MONTREAL, QUE.

ELK LAKE

LOTS FOR SALE

Winnipeg River Crossing

DISTRICT OF KENORA

Sealed tenders addressed to the undersigned and endorsed "Tender for Winnipeg River Crossing Lots" will be received up to and including the 15th day of October, 1910, for the purchase of lots No. 1 to No. 379, inclusive, excepting lots 96, 97 and 102, in the town plot of Winnipeg River Crossing, on the National Transcontinental Railway, in the District of Kenora, as shown on plan of survey by O. L. S., L. V. Rorke.

Tenderers are asked to state how much they are prepared to pay for each lot and must accompany their tenders with a marked cheque in favor of the Provincial Treasurer for one-third of the amount, which shall be applied as the first instalment in the case of successful tenderers, the balance to be paid in two equal instalments in six and twelve months with interest at six per cent per annum.

The highest or any tender not necessarily accepted.

For plans apply to the undersigned.

F. COCHRANE,
Minister of Lands, Forests and Mines.
Department of Lands, Forests and Mines.
Toronto, September 10th, 1910 66

AN UNCONVENTIONAL SERVICE.

The late Rev. Myron W. Reed was a man who could do more than preach effectively inside of a church. According to Mr. J. A. Watrous, written in The Chicago Record-Herald, he held a service on one occasion under exceptionally undignified circumstances, and at a time when his congregation was extremely hungry. Mr. Reed belonged to a Denver club that had a fine clubhouse some distance from the city. At least once a year all of the members spent a week together, hunting, fishing, rowing and resting.

When Sunday came, on one of these gatherings at the club, Dr. Reed said he would remain at headquarters and superintend the dinner-getting. He planned an exceptionally good dinner, and he himself looked after the cooking of several of the choicest dishes. The members returned half an hour before the meal was ready.

"This, my brothers, is a suitable hour for Sabbath service," said the minister, who was just out of the kitchen, wearing a long apron and with his sleeves rolled up.

"Judge, start 'Rock of Ages.' All join the judge. Now join me in thanking God for smiling upon us in the past and in a request for a continuation of His mercies."

It was one of Myron Reed's most beautiful prayers. After it he talked for ten minutes in a way that made his audience feel that, instead of looking after their dinner, he must have spent the morning in close communion with his Creator.

"General, start 'Nearer, My God, to Thee.' All sing."

Then came a short closing prayer, the amen followed by:

"John, bring out the dinner."

While John was bringing out the dinner the general and the judge were clearing their throats and passing their handkerchiefs so as to clear their eyes.

"I fully agree with you, judge," said the general. "It was the most impressive religious service I ever attended."

Misleading Indications.

"What made you elect that man to the legislature?"

"Well," replied the voter, "He showed us his callous, toil-stained palms and convinced us that he was one of us plain people."

"But he proved a disappointment?"

"Yes. We found out too late that he got his hands into that shape by trying to fix his touring car."—Washington Star.

A MAN WITH STRENGTH

A MAN OF COURAGE

No man should be weak, no man should suffer the loss of that vitality which renders life worth living. No man should allow himself to become less than nature intended; no man should suffer when there is at hand a certain cure for his weakness.

Most of the pains, most of the weakness of the stomach, heart, brain and nerves from which men suffer are due to an early loss of Nature's reserve power. You need not suffer from this. You can be restored. The very element which you have lost you can get back, and you may be as happy as any man that lives.

A MAN AMONG MEN

You can feel as vigorous as you were before you lost your strength. You can enjoy life again. You can get up in the morning refreshed by sleep, and not more tired than when you go to bed. You can have no weakness in the back, or "come and go" pains, no indigestion or constipation. You can know that your strength is not slipping away. You can once more have bright eyes, healthy color in your cheeks and be confident that what others can do is not impossible to you. In short, do you want to be strong and healthy? We can make you all this, because we have done so for others.

If you have no confidence in electricity, let me treat you at my risk. I will give you the Belt on trial, without one cent of risk to yourself. Give me reasonable security and I will take your case, and you can

PAY ME WHEN YOU ARE CURED

My Dr. McLaughlin's Electric Belt will make you strong. It will send the life blood dancing through your veins, you will feel the exhilarating spark warm your frame, the bright flash will come to your eye and a firm grip to your hand, and you will be able to grasp your fellow-man and feel what others are capable of doing is not impossible to you. This grand appliance has brought strength, ambition and happiness to thousands in the past year.

It is the one sure remedy for the cure of rheumatism, weak kidneys, weak stomach, lame back, nervousness, general debility and weakness in young and old, as well as dyspepsia, constipation, etc. How can you remain in doubt as to the value of this grand remedy when you see so many cures?

AMPLE PROOF WILL BE GIVEN YOU ON REQUEST
