The damage was slight and the place is well insured.

Inducted a Rector of St. Mary's Parish.

Last evening Rev. W. O. Raymond was formally inducted as rector of St. Mary's parish. St. Mary's church where the service was held was filled to the doors with people. Rev. Messrs. Simonds, Sampson, Crisp, Troop, Davenport and Canon DeVeber were present. Rev. Canon DeVeber read the Metropolitan's mandate formally authorizing the induction of Rev. W. O. Raymond, as rector for St. Mary's parish. Rev. Mr. Sampson read the prayer and Rev. J. M. Davenport and Rev. Mr. Crisp read the lessons, and after the singing of a hymn Rev. G. O. Troop delivered an eloquent sermon from the text, Hebrews xiii, 17: "Obey them that have the rule over you, and submit yourselves; for they watch for your souls as they that must give account, that they may do it with joy, and not with grief; for this is unprofitable for you." The rev. gentleman said in the closing remarks of his discourse that the induction marked an epoch in the history of the C. of E. in St. John. St. Mary's had hitherto been but a chapel-at-ease for Stone church, but was now separated into an independent parish. Rev. Mr. Raymond received the hearty congratulations of his parishioners and friends at the close of the service.

The N. B. League.

People in Moncton who anxiously awaited the result of the game yesterday must have been seriously alarmed at the reception their favorite team met in St. John. Eighteen-three is a bad defeat, especially after winning from the leaders, and the Monctons are not now so sanguine of victory in the pennant race.

Burns, the new twirler, was in the box, but he was speedily knocked all over the field, being hit for a total of 22 bases.

Howe kept the visitors down to three singles and was backed up in his good work by the field.

The score stood:

Swimming.

SWAM THE ENGLISH CHANNEL.

LONDON, Aug. 18.—The great attempt of the American swimmer, Dalton, in swimming across the English channel, resulted in his success last night, when he arrived at Folkestone, after travelling a distance of 60 miles and being in the water 23 hours and 28 minutes continuously. The beach was thronged with people awaiting his landing, and there was a small fleet of crafts sailing about on the lookout for him. Dalton fainted a few feet from the water's edge after coming ashore. There was new interest given this swim, as Dalton reversed the old order of doing things, and started from Cape Grisnez on the French shore, instead of starting from some point on the English side. He was accompanied by the lifeboat Ocean King, with Capt. Dunn and several seamen. His course was greatly increased by the force of the current, which carried him far out of his way and more than doubled his distance. The feat is regarded as more wonderful than that of the ill-fated Capt. Webb, who was the first to really swim across across the channel.

A NEW THOUSAND YARDS.

The annual races of the Montreal Swimming Club took place on Saturday and were remarkable for Benedict's lowering the American record for the thousand yards, his time being 16 mins 17½ secs.

The Turf.

TENNY TO GO AGAINST THE RECORD.

Today Brighton Beach will hold probably the largest crowd of the season. Tenny is the attraction. Beaten by the greatest race horse this generation of Americans have ever seen, the sway-backed colt has by no means disgraced its owner. Pulsifer believes his colt a great one, and today, carrying 118 pounds, he will start in a race against the famous mile record of Ten Broeck, 1:39¾, made with 110 up, nearly twenty years ago. The son of Rayon d'Or will be accompanied by several quarter horses at different points of the journey as pacemakers. All the trainers at Brighton are greatly interested in the trial. Billy Lakeland says that, with the track in good shape, he is satisfied Tenny can make the journey in even time.

Athletic.

Tommy Conneff, the Irish boy, ex-champion amateur runner of America is one of the star attractions at the Charles bank gymnasium. He works there daily, training for the fall races. At the A. A. U. games on Oct. 11 he will surely meet Willie Day, and Conneff is getting himself in the best of trim for the race, which will probably decide more money than has been wagered on an amateur event in years.

Police Court.

Eva Morrell, drunk on Carmarthen street, David Dixon, drunk on Union street, and Margaret Lyons were fined $6 each.

John Donnelly, John Smith, Peter Clayton, Patrick Kirk and James West were each fined $4 for drunkenness.

John J. Fitzpatrick, a young man of 19, charged by his father, Wm. Fitzpatrick, for stealing money out of his house on Brussels street, was before the court. Mr. Fitzpatrick did not wish to press the charge against his son, so the magistrate gave the latter a caution and allowed him to go.

THE PUBLIC SCHOOLS.

Changes to be Made—Tenders Accepted—Applications Received and Appointments Made—Salaries Advanced.

The board of school trustees met last evening the chairman, Mr. H. J. Thorne, presiding.

They decided that the study of Latin be omitted in all schools of the seventh and eighth standards and that it be taken up in the ninth standard.

The application of Miss Jessie K. Sutherland for increase of salary was referred to the committee on teachers.

The report of the chief engineer of the Boiler Inspection Co. was read. He reports the boilers of the Victoria and Albert school in good condition.

Mr. M. Coll, chairman of the committee on real estate and buildings reported having accepted the following tenders for the Indiantown school, C.W. Segee, at $455; for asphalting the yard of the Victoria annex G. S. Fisher & Co., at 36 cents per square yard; for the taking up, rendered necessary by changes made in the Victoria, Grammer, Indiantown and Spur Cove schools, C. W. Segee, at 10 cents per desk and chair. They also reported that repairs and improvements had been made on the following school buildings during vacation: Sandy Point road, Spar Cove, Indiantown, Bently, Peel street, Waterloo St., Centennial, Charlotte St., Victoria, St Malachi's, Albert, Mason Hall and Odd Fellows hall. The committee also reported having a conference with a sub-committee of the board of public works in regard to the extension of the sewer on the Black Spring road to the property line of the St. Peter's and Madras schools, and asked for power to proceed with the work as soon as the common council approved of the undertaking, tenders to be asked for and submitted to the board. Adopted.

Mr. H. J. Thorne, chairman of the committee on schools and teachers, submitted the following report: The committee on schools and teachers report and recommend: That the following names be placed on the application books; Hattie M. Clark, Zebie F. Murray, Emily J. Thompson, Margaret Strang; and Milton E. Harrington; that the resignation of the following teachers be accepted: Miss M. Hogan, St. Peter's girls; Sister Bernard, St. Vincent's; Sister Clementine, St. Joseph's; Sister Paul, St. Patrick's; that the following be appointed and located as follows: Miss Kate O'Neil (Sr Perpetua,) and Miss Jennie Murphy (Sr Colestine), to St. Peter's girls; Miss Ellen McKenna (Sr Estella), to St. Vincent's; Miss Mary Cormier (Sr Adelaide), and Miss Kate Riley (Sr Marcellina) to St Joseph's; that the following teachers be transferred: In St. Malachi's: Mr. Sweeney to standard vi: Mr. Mahoney to standard v; Mr. Sugrue to standards iv and v; Miss Enslow to standard iv; Miss Lawlor to standard iii; Miss Flaherty to standard ii. Indiantown: Miss Sanborn to standard iii, and Miss Aitken to standard ii. Madras: Miss Roberts to standard iii, and Miss McJunkin to standard ii. Winter street: Miss McLeod to Albert, standard v, and Miss Corbett to standard iii. Albert: Miss A. E. Livingston to Winter street, standards vi and vii. St. Joseph's: Annie Cassidy (Sr. Sheela) to St. Peter's, standard i. St. Peter's: Miss Mary McKenna (Sr. Germaine) to St. Patrick's, standards, iv to vi; Miss McCarron to standards ii and iii (boys). Centennial: Miss L. Herrington to standard iv, and Miss D'Orsay to standard ii; that the salaries of Mr. Parlee and Mr. Dill, principals of the Winter street and Indiantown schools, respectively, be advanced $50 each, making them $750 per annum; that no change be made at present in the salaries of other applicants; that in view of the objections taken by the chief superintendent to the lowest department in the Victoria annex, taught by Miss Orr, and his decision not to recognize it as an authorized school connected with the public school system the subjects hereafter to be taught shall be those prescribed for standard I; that the course of study in the grammar and high schools be made uniform, and examinations for advancement and prizes be based thereon; that honor certificates issued to students who pass successfully in optional subjects, all terminal examination papers to be prepared by the superintendent; that pupils in the 11th standard competing for medals be not of longer standing in the grade than one year; that the rule requiring teachers to make application in writing to the board for leave of absence from school duties be amended to read that application shall be made to the superintendent, or in his absence to the secretary, in sufficient time to have substitutes provided; that the secretary be instructed to provide such chemicals for the use of teachers of standards vii. and viii. as may be necessary to illustrate the prescribed subjects; that the principals of schools be required to report to the office monthly in regard to the punctuality of teachers associated with them; that a map of New Brunswick, and geographical terms be supplied to Mr. Armstrong's department in Mason Hall school; that in response to the petition from residents of Milledgeville for the removal of Mr. Delong, they be informed that the board is legally bound to the teacher for the current term, and that they cannot transfer him to any other department at the present time. Adopted.

It was ordered that in cases where the property owners from whom school premises are rented decline to pay the water rates the bills be paid by the board and the rate deducted from the rent.

Rufus Somerby, the manager of the Japanese Village, asked for permission to announce his entertainment in the schools through the teachers. The secretary was requested to inform Mr. Somerby that his request could not be complied with.

It was ordered that the children of non-residents who are not taxpayers be required to pay fees according to the following scale: For primary schools, $6; advanced schools, $12, and high schools, $18 per annum. The superintendent was directed to use the class room of the Madras school for surplus pupils whenever required.

The question of placing fire alarm bells in the Winter street and Albert schools was referred to the committee on buildings.
