"A Word to the Wise is Sufficient."

But some stubborn people wait until "down sick" before trying to ward off illness or cure it. The wise recognize in the word "Hood's" assurance of health.

For all blood troubles, scrofula, pimples, as well as diseases of the kidneys, liver and bowels, Hood's Sarsaparilla is the effective and faultless cure.

Blood Purifier—"I have taken Hood's Sarsaparilla, and find it beneficial for myself and baby. It purifies the blood and strengthens the system." Mrs. Henry Wall, Clinton, Ont.

Strength Builder—"Myself, wife and children have taken Hood's Sarsaparilla and it strengthened us. It relieved me of a lame back." David McGeorge, caretaker, Colt Institute, Galt, Ont.

Unique way of curing

COLDS

FIRST by acting directly through the capillaries and nerve centres, the cure begins while the pellets are dissolving on the tongue.

SECOND by restoring the checked circulation (indicated by a chill, hot flushes, or goose flesh), it starts the blood coursing through the veins and so "breaks up" a Cold or dissipates La Grippe.

THIRD by its tonic effects sustaining the system during treatment brings you out strong and vigorous and not an easy mark for disease.
