Rev. P. J. Ed. Page, Professor of Chemistry Laval University, Quebec, says:—I have analysed the India Pale Ale manufactured by John Labatt London, Ontario, and have found it a light ale containing but little alcohol, of a delicious flavour, and of a very agreeable taste and superior quality, and compares with the best imported ales. I have also analysed the Porter XXX Stout, of the same Brewery which is of an excellent quality; its flavour is very agreeable; it is a tonic more energetic than the above ale, for it is a little richer in alcohol, and can be compared advantageously with any imported article."

To JAMES GOOD & Co.,

Gentlemen,—I have no hesitation in recommending ST. LEON SUPERIOR to any other mineral water known to me (not excepting the celebrated Waukesha, of Wisconsin, and the Carlsbad, of Germany) as a remedy for the uric acid diathesis (gout and rheumatism) and diseases of the kidneys, including diabetes, melitus and Bright's disease, when freely used. To persons in health it is an excellent regulator and health preservative as well as an agreeable beverage.
