We call attention to an advertisement, in another column, of two remedies; one for a Fever and Ague, and the other for "Bowel Complaint," prepared under the direction of the University of Free Medicine and Popular Knowledge, and issued by order of the Board of Trustees, from its Laboratory in Philadelphia.

Everything originating from this institution will emanate from Medical Graduates of enlarged experience, and high scientific attainments, we have every reason to believe that all remedies prepared under its sanction will be worthy of implicit confidence with the public as well as the medical profession.

NEW YORK, Oct 10.

The steamer 'Illinois' from Aspinwall, arrived at 10 o'clock this morning. She brings 334 passengers, and nearly $1,225,000 in freight.

FALL TRADE CIRCULAR.

THE Subscribers are now receiving, and hope by the end of the month to have opened out and display to the trade, their usual **Extensive Fall Importations of Staple and Fancy Dry Goods,**

in the purchasing of which the greatest pains have been taken, and every possible advantage has been availed of that could make the assortment attractive or yield a saving in the cost of the Goods.

Fresh importations of Groceries and Hardware are also being received in Store at Hamilton, as well as sent direct by their Montreal and New York Firms, to those customers who use other ports on the Lakes.

It must be self evident that the Fall's importations, as based upon the prospects of the Trade when our great article of return, Wheat was 25 per cent. lower than it now is, will not prove sufficient for the demand which has been created by the increased circulation of the Province; so that there never seemed a time when early purchases were more an object, or when full Stocks were more certain to be sought especially seeing that prices of most descriptions of Goods continue to advance in the European Markets.

GREAT ENGLISH REMEDY.

The most valuable Spring and Summer Medicine in the World!!

Dr. Halsey's Forest Wine!

PATRONIZED by the nobility and medical faculty of England, and esteemed the most extraordinary medicine in the world.

Medicines containing molasses or liquorice, like the boasted Sarsaprillas, requiring large bottles to produce the slightest change in health. The *Forest Wine* is altogether a different article. It contains no syrups to give it consistency, but acquires its excellent flavor, and powerful medicinal properties from the vegetable plants of which it is composed. The *Forest Wine* combines the virtues of the

WILD CHERRY, DANDELION, YELLOW DOCK, AND SARSAPRILLA!

with other valuable plants whose properties are still more effective.

Its high concentration renders it one of the most efficient medicines now in use. Sometimes less than a single bottle restores the lingering patient from weakness, debility and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The *Forest Wine* is recommended, in the strongest terms, for all complaints of the Stomach, Liver, Kidneys, Nervous Disorders, Bilious Affections, Dropsy, Dyspepsia, Loss of Appetite, Jaundice, Female complaints, Scrofula, and all Disorders arising from bad blood and impure habit of the system.

SAVED FROM DEATH!!—Testimony of Mr. Nathan Mathews, a highly respectable and wealthy citizen of Newark N. J.

DR. G. W. HALSEY:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them I laid at the point of death, with Dropsy, Piles, and Asthma. My physicians had given me over as past cure, and my family had lost all hopes of my recovery. While in this dreadful situation your Forest Wine and Pills were procured for me, and before I had finished the first bottle of Wine and box of Pills I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for a few a month, the Piles and Asthma were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your medicines until my present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age.

Yours respectfully,
N. MATTEWS.

Newark, N. J. Dec 19, 1847.

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING.

NEW YORK, Jan. 9th, 1848.

DR. HALSEY, *Dear Sir*—Having taken your Forest Wine and Pills in the cure of a disease of the Liver, from which I suffered severely for upwards of ten years, and having adhered to the directions which accompany the medicines, I have recovered my health, which all who knew me thought my case incurable. Previous to taking the Wine and Pills I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke disparagingly of your medicines, and tried to persuade me from making use of any of your excellent medicines, but I, feeling the exception and inefficiency of other medicines put forth by unprincipled quacks in flaming advertisements.—But what a pity it is that the deception used by such should bring into disrepute and discrediting many valuable remedies, from making a trial and being convinced of their superior excellence. Happily some of my friends were persuaded by my urgent solicitations to make use of them. I was in a wretched condition, but began to experience relief after the first dose, and by the time I had taken two bottles of your Wine and one box of Pills I was able to walk out. I persisted in the use of your medicines, and at my leisure I was able to walk and had laid aside my crutches. I now feel as well as ever I did in my life. Wishing that all who are afflicted may be made to know the value of your invaluable Wine and Pills and the worth of the Wine. Would to God that every poor sufferer would avail himself of the same remedies. Yours, &c.,
JAMES WILSON.

NERVOUS DISORDER.—Are diseases of the mind so prevalent and so fatal? Are so many young men, in the prime of life, being hurried to premature graves, by blighted energies, and mental aberration, or other nervous disorders, which are usually attributed to other causes? Low spirits, nervous irritability, loss of memory, &c. &c. Low spirits are the offspring of a disordered stomach, and generally arise from indigestion. The Forest Wine and Pills are an energetic remedy in these complaints.

Extract of a letter from J. C. Paulding, dated Philadelphia, Sep. 7th, 1853.

DR. HALSEY: Dear Sir,—My wife's nervous Fever has now cured me while of a dreadful Nervous disease, with which she has been afflicted for many years. Her body was almost wasted away. She was frequently disturbed in her sleep by frightful dreams, awakening quite exhausted and covered with perspiration, and at times labouring under the delusion that something dreadful was about to happen to her.—Her health had been failing for some time, but since the use of your Wine and Pills she is now in perfect health. She has regained her flesh and color, and enjoys society as well as ever.

J. C. PAULDING.

DR. DAVID MARVIN, a celebrated practitioner of New York, discovering, publicly, that one bottle of Halsey's Forest Wine contained more virtues than half a dozen large bottles of Sarsaprilla.—Mr. Lenahan & Co., one of the large and most respectable Druggists in Syracuse, in a large sale of Forest Wine, they have seen no effect of Halsey's Forest Wine, it is an excellent good medicine, and will undoubtedly become the leading medicine of the day.

The Forest Wine is put up in large square bottles with Dr Halsey's name blown in the glass, at $1 per bottle, or six bottles for $5. Can be sent by express to any part of the country. Agents are authorized to retail as well as wholesale from the proprietors as the proprietor, No. 161 Duane St., corner of Hudson, N. York. Appointed Agent in Goderich,
