Temptation.

The Bible [illegible] temptation, is already overthrowing the people and [illegible] the necessary [illegible] Among [illegible] the following [illegible]

Shakespeare's Jealousy opinion offers no difficulty. [illegible]

Mr. Gray's story in a rural pastoral work is not less remarkable of adaptation, as witness the following:

[illegible]

And thus we might go back through the whole range of English literature, still weaving work with the old West country [illegible]

I have this year in Prince Arthur (fruit) Wines and half pints bottle.

A Troublesome Pair.

"I begin to understand your language better," said my friend Mr. Jones, as we sat down to our dinner, "but your words trouble me still, you mix them up so with your prepositions."

"I am sorry you find them so troublesome," was all I could say.

"I saw our friend, Mrs. Jones, just now," he continued, "she says she intends to break down housekeeping. Am I right there?"

"Break up housekeeping, she must have said."

"O, yes, I remember, break up housekeeping.

"Why does she do that?" I asked.

"Because her health is so broken into."

"Broken down you should say."

"Broken down—ah! yes. And, indeed, since the small pox has broken up in our city—"

"Broken out—"

"She thinks she will leave it for a few weeks."

"Will she leave her house alone?"

No; she is afraid it will be broken—broken—how do I say that?"

"Broken into."

"Certainly; that is what I meant to say."

"Is her son to be married soon?"

"No; the engagement is broken—broken—"

"Broken off."

"Yes; broken off."

"Ah! I had not heard that."

"She is very sorry about it. Her son only broke the news down to her last week. Am I right? I am so anxious to speak English well."

"He merely broke it down; no proposition this time."

"It is hard to understand. That young man, he; son, is a fine fellow—a broker I think."

"A broker, and a very fine fellow. Good day." So much for the verb "to break."

A Husband Sold.

Some years since, when all the world was mad upon lotteries, the Irish cook of a middle aged single gentleman drew from his hands her earnings and savings of some years. Her employer was anxious to know the cause, and she told him that having dreamed repeatedly that a [illegible] bought the whole ticket. He called her a fool for her pains, and never lost a chance to tease her on the subject. She seemed to take his taunts in good humor, saying it would all turn out right by-and-by.

One morning he opened his paper at breakfast and saw it announced that the very number that Bridget had dreamed of and bought, had drawn the great prize of a hundred thousand dollars! Bridget was summoned, and the wily gentleman proceeded to inform her that he had long valued her as a friend, and being desirous to settle herself for life, he would be willing to make her his wife, if she had no objection.

Bridget had always thought him a dear, good man, and would be glad to do anything to please him. So he finished his breakfast, told Bridget to put on her best things, the parson was sent for, and made them one that very morning. After it was all over, the cautious husband said to his bride: "Well, Bridget, you have made two good hits to-day, you have got a good husband, and now bring me the lottery-ticket you and I have bought so much about."

"Please don't laugh any more about that; I know there was nothing in them dreams, and I had it to the butcher a month ago!"

How Many Apples did Adam and Eve Eat?

The question is exciting quite a lively discussion. Properly this is a subject which should be settled by the Grange, but it will not be amiss to give what is going the rounds:

Old version.—Eve 8, and Adam 2. Total, 10.

Boston Journal.—Eve 8, and Adam 8, also. Total 16.

Gloucester Advertiser.—We think the above figures entirely wrong. If Eve 8 and Adam 82, certainly the total will be 99. But we reason something like this: Eve 81 and Adam 82. Total, 163.

Lawrence American.—If Eve 81 and Adam 312, the total is 393.

Boston Journal.—If Eve 81 1st, and Adam 312, would not the total be 1,6231

Same.—If Eve 814 Adam 8124 Eve, then the total was 8,638.

Amesbury Gazette.—Eve 8142 know how it tasted, and Adam 81242 40ty her statement. Total, 8,132,381.

Master Mechanic.—It seems rather absurd to us that it was necessary for Adam 281242 40ty Eve's statement, be cause, 12240ty any one's statement is more than needed, 281 being enough.

Total, 23, 136,761.

It is averred that the reason American girls refuse to enter domestic service is that they object to anything approaching menial employment; what they seek is hy-menial.

An old bachelor editor has discovered that girls are plenty in Baltimore, but stilled a sigh when he learned that a marriage license costs $4.50.

ILLE ROSUR, ET AS TRIPLEX!—"Why, cook, I declare! here comes the long-lost tortoise Uncle Philip gave us last year. And out of the coal-cellar, of all places in the world!"—"Lor', Miss Grace is that the tortoise? Why, I've been a-usin' of 'im all through the winter to break the coals with!"—*Punch.*

CHARITY.—Mark Twain says that he went to Mormondom with the idea of exterminating polygamy. "But," he adds, "my heart was wiser than my head. It warmed toward the poor, unpoinly, and pathetically 'homely' creatures; and as I turned to hide the generous moisture in my eyes, I said, 'No—the man that marries one of them has done an act which entitles him to the kindly applause of mankind, not their harsh censure; and the man that marries sixty of them has done a deed of open-handed generosity that is indeed sublime.'"

The gratifying intelligence has been received that the "Faraday has laid successfully the shore end of the new Atlantic telegraph cable at Berryhead, Nova Scotia, and has commenced laying the deep-sea portion between that point and Rye Beach, New Hampshire. A rumor was current about the beginning of the week that it was the intention of the United states Government to prevent the landing of the cable at Rye Beach, as the company lack the necessary authority. It is to be hoped, however, that the rumor is unfounded, or that the objection to the landing of the cable is a mere technical difficulty which can be speedily overcome. No unnecessary obstruction ought to be put in the way of what will break down the present grasping cable monopoly of transatlantic telegraphic communication.

TO THE PUBLIC OF
British North America.

IN consequence of frauds that have been practised upon you by two or three individuals (who for a time took the name of the New York Chemist, Professor Holloway) selling worthless stuff which they call "Holloway's Pills and Ointment" and which, for a season, extensively sold in many parts of the British Provinces as my genuine Pills and Ointment, I have for some time past considered it my duty to caution the public, through the medium of the press, against buying these spurious articles.

Judgments have been obtained against the Dishonest Seller, in one case by a Mr. Casseed, who, when about to levy, at the latter end of October last, found the name of the Chemical Company had been painted out and that of Samuel Yale substituted.

Many respectable Firms in the British Provinces, who obtain my medicines direct from here, have very properly suggested that I should, for the benefit of themselves and the public, insert their names in the papers, that it may be known that my medicines can be had genuine from them.

The following is a list of the Firms alluded to; and I particularly recommend those who desire to get my medicines to apply to some of the Houses named:—

Messrs. Avery, Brown & Co., Halifax, N. S.
Messrs. Forsyth & Co., Halifax, N. S.
Messrs. T. B. Barker & Sons, St. John, N. B.
Mr. T. Dan Briesy, Charlotte Town, P. E. I.
Messrs. Langley & Co., Victoria, B. C.
Messrs. Moore & Co., Victoria, B. C.
Dr. John Fallon, Chatham, N. B.
Messrs. Munro & Co., Montreal.
Messrs. J. Winer & Co., Hamilton, Ont.
Mr. H. J. Ross, Toronto.
Mr. A. Chipman Smith, St. John, N. B.
Mr. John Bond, Goderich, Ont.
Messrs. Elliot & Co., Toronto.
Mr. J. Chalmer, St. John, N. B.
Messrs. Huntington Bros., St. John, N. B.
Mr. H. S. Priddy, Windsor, Ont.
Mrs. Orpen, Morden, N. B.
Mr. George C. Hunt, Jun., Fredericton, N. B.
Mr. W. H. Thompson, Harbor Grace, N. F.
Mr. J. M. Wiley, Fredericton, N. B.
Messrs. W. & D. Yule, Montreal.

My Pills and Ointment are neither manufactured nor sold in any part of the United States. Each Pot and Box bears the British Government Stamp, with the words, "Holloway's Pills and Ointment, London," engraved thereon.

The medicines are sold at the lowest wholesale prices, in quantities of not less than £20 worth—viz., 8s. 6d., 22s., and 34s per dozen boxes of Pills or pots of Ointment, for which remittances must be sent in advance.

THOMAS HOLLOWAY.

N. B.—Chemists and other vendors of Holloway's genuine Pills and Ointment may have their names inserted in the local papers if they will please apply here—

VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made purely from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is now daily asked, "What is the cause of the unparalleled success of Vinegar Bitters?" Our answer is, that they remove the cause of disease, and the patient regains his health. They are the great blood purifier, and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the wonderful healing properties of Vinegar Bitters in healing the sick of every disease to which flesh is heir. They are a gentle purgative as well as a tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of Dr. Walker's Vinegar Bitters are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim Vinegar Bitters the most wonderful Invigorator that ever sustained the sinking.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted to the point.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with Vinegar Bitters. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are sure indications of Dyspepsia. One bottle will prove a better advertisement than a month's advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, Walker's Vinegar Bitters have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Painters, Gilders, Stone-cutters, Gold-beaters and others, as they advance in life, are subject to colicky pains of the Bowels. To guard against this take a dose of Walker's Vinegar Bitters occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Sole Proprietors and Manufacturers of the
ORGANETTE,

Containing Scribner's Patent Qualifying Tubes, acknowledged by all to be the greatest improvement yet introduced. Their superiority is conceded by other makers from the fact that at Guelph they withdrew from competition, thus acknowledging their inability to compete with them.

Every instrument fully warranted for five years. Send for catalogue containing fifty different styles of instruments.

STOCK'S EXTRA
MACHINE OIL

Has been in general use for the past two years and giving the best satisfaction, as may be seen by testimonials from many of the leading houses in Ontario. It will not congeal in the coldest weather, it is therefore suitable for the lightest and fastest, as well as the heaviest machines in use.

TESTIMONIAL

From the Joseph Hall Machine Works, 8WS.

I consider Stock's oil cheaper at $1.00 per gallon than olive oil at 50 cents. Yours respectfully,
F. W. GLEN, President
