THE PROOF

Is in the Eating!

Just So With Seed!

Tens of thousands of solid heads of cabbage, hundreds of bushels of the choicest types of carrots, and thousands of bushels of magnificent onions, all selected to raise seed from, we shall be pleased to show to any of our customers. If not found as represented, draw on us for your traveling expenses. If you know where there is a lot equally good, we will go a good ways to see it. Seed from good stock produces good vegetables (the proof of the pudding is in the eating). We grow a hundred and fifty acres of seed stock and seed of all kinds. You must need us. Vegetable and Flower Seed Catalogue **FREE.**
