THE BIG RAILWAY AND THE CITY.

Fighting for Water Fronts and Entrance Rights Before the Privy Council.

OTTAWA, June 18.—The Toronto civic deputation, consisting of Ald. McMillan, President of the Council, Ald. Boustead, Baxter, Gillespie, Carlyle, McDougall, Shaw, Gibbs, Maughan, City Solicitor Biggar, Christopher Robinson, Q.C., and City Surveyor Sankey, waited on the Railway Committee of the Privy Council at 11.30 this morning. Sir John Macdonald, Sir John Thompson, Sir Hector Langevin and Hon. John Carling were the members present. The Canadian Pacific Railway was represented by President Van Horne, Engineer Jennings, B. B. Osler, Q.C., G. T. Blackstock, R. M. Wells, Ex-Judge Clark, A. R. Boswell and W. G. McWilliams. John Downey was present for the Freeland estate and J. S. McMurray for the Fuller estate.

In opening the case for the Canadian Pacific Railway, Mr. Blackstock asked that the company be permitted to change the location of their line from the east to the west side of the Don.

Mr. Robinson, for the city, replied that the corporation did not object to the road entering the city on the west side of the river, but did object to its being granted exclusive privileges.

Mr. Blackstock said that Mayor Howland and a special committee had given the Canadian Pacific Railway special privileges, and although not ratified by the City Council the arrangement had been tacitly acquiesced in by ex-Judge Clark and Mr. Blackstock for the Canadian Pacific Railway, and Ald. McMillan, Gillespie, Gibbs, Baxter and Shaw for the city. A warm argument took place over the action of Mr. Howland in giving the Canadian Pacific Railway exclusive privileges, Mr. Blackstock claiming the Canadian Pacific Railway spent hundreds of thousands of dollars on the strength of that agreement.

Ald. Gillespie repudiated ex-Mayor Howland's action, and asked if the Canadian Pacific Railway were fools enough to spend so much and not know how they stood, was the city to suffer?

Sir John finished the discussion by saying: "We will assume that we have power to deal with this matter, and that you are desirous of the Canadian Pacific Railway having an independent right of way into the city from the east. With regard to the particular location, state your objections, and also, if you can, point out any other location. We will see what we can do in the interests of both parties, and we will reopen the case this day week."

Mr. Blackstock then applied for an order-in-council to expropriate the water front from Yonge to Simcoe-streets inclusive, supporting his application by a long argument.

A general discussion ensued, in which Mr. Robinson, Ald McMillan, Boustead and Baxter protested against the city being placed at the mercy of two railway companies, claiming that the fee simple of the land should remain in the city and that it would be ruinous if the city lost the water front. Ex-Judge Clark contended that the Canadian Pacific Railway had a right to expropriate the water front and meant to stand on his rights. Mr. Osler said the Canadian Pacific Railway was prepared to waive its right to close Yonge-street if the city would abandon further opposition, a statement that was received with ridicule.

It was finally decided, on Sir John Macdonald's suggestion, that the whole matter be laid over until June 26.

The Toronto people left for home to-night.

A Garden Party in Bathurst-street.

The grounds of Mrs. Murchison, 221 Bathurst-street, were gaily lighted up last night, it being the occasion of a garden party given by the Young People's Association of St. Matthias' Church. Refreshment tents dotted the grounds, one placarded "The Gentlemen's Horror" being looked upon with a suspicious eye by the young men.

Prof. Luhar's band delighted the fair promenaders with its sweet strains.

A Creaking Hinge

Is dry and turns hard, until oil is applied, after which it moves easily. When the joints, or hinges, of the body are stiffened and inflamed by Rheumatism, they cannot be moved without causing the most excruciating pains. Ayer's Sarsaparilla, by its action on the blood, relieves this condition, and restores the joints to good working order.

Ayer's Sarsaparilla has effected, in our city, many most remarkable cures, a number of which baffled the efforts of the most experienced physicians. Were it necessary, I could give the names of many individuals who have been cured by taking this medicine. In my own case it has certainly worked wonders, relieving me of

Rheumatism,

after being troubled with it for years. In this, and all other diseases arising from impure blood, there is no remedy with which I am acquainted, that affords such relief as Ayer's Sarsaparilla.—R. H. Lawrence, M. D., Baltimore, Md.

Ayer's Sarsaparilla cured me of Gout and Rheumatism, when nothing else would. It has eradicated every trace of disease from my system.—R. H. Short, Manager Hotel Belmont, Lowell, Mass.

I was, during many months, a sufferer from chronic Rheumatism. The disease afflicted me grievously, in spite of all the remedies I could find, until I commenced using Ayer's Sarsaparilla. I took several bottles of this preparation, and was speedily restored to health.—J. Fream, Independence, Va.

Ayer's Sarsaparilla,

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists. Price $1; six bottles, $5.

A REAL ESTATE DICKER.

Mr. William Gooderham Compared to the Pooh-Bah of the Mikado.

Stewart v Bank of Commerce was the last case heard in the Civil Assize Court yesterday. It was a peculiar case in many respects, the point hinging on the issue whether a person a director in two different concerns could act as agent between the two in a real estate deal, to the exclusion of the regularly accredited real estate men employed. The plaintiff in the suit was Real Estate Agent Fred. J. Stewart. According to his statement of claim he had been retained in November, 1888, to dispose of the old Bank of Commerce building, at Yonge and Colborne-streets, for $75,000. While he was negotiating Mr. William Gooderham, who is a director of the bank, stepped in and sold the land and building to the Toronto General Trusts Company, of which he is also a director, for $65,000, a cut of $10,000. Stewart claimed that he was owing $810 on the sale as his commission, while the defence held that the sale was consummated without any labor on his part, and that there was no commission owing. Mr. E. Lash, Q.C., appeared for the bank, and Mr. B.B. Osler, Q.C., for the plaintiff.

Among the witnesses examined were J. W. Langmuir, Henry W. Darling and William Gooderham. In cross-examining the last named, Mr. Osler asked in which capacity he acted in carrying out the deal, as a trust company director or a bank director.

"I acted as I thought best," replied the witness, "and as circumstances warranted."

Mr. Osler: "Oh, yes, when Pooh-Bah changed his office he changed his tone."

Judgment was given for defendant with costs.

In Atholder v. the Brandon Manufacturing Company a verdict of $600 was rendered for plaintiff. Judgment was reserved in Stoneburse v. Loveless.

List for to-day: Preston v. Toronto, Thompson v. Carling, Morgan v. Fenwick, Bickle v. British America Assurance, Sibbard v. G. T. R., Bank of Commerce v. Kidd.

The benefits of vacation season may be greatly enhanced, if, at the same time, the blood is being cleansed and vitalized by the use of Ayer's Sarsaparilla. A good appetite, fresh vigor and buoyant spirits attend the use of this wonderful medicine.

Children's Fresh Air Fund.

The Children's Fresh Air Fund, which was the means of giving over 1600 poor children free excursions last summer, will be continued during the present season. Arrangements are being made for weekly excursions to the parks and resorts, and any parties knowing of children likely to be benefited by these trips are requested to communicate with the managers of the fund at the Humane office, 103 Bay-street. A meeting of the friends of the movement will shortly be held and ladies who can spare the time to visit poor localities, gather children and take charge of small excursions are especially needed. Subscriptions to the fund will be received at the Mayor's office or at the Humane Society's office.

There are a number of varieties of corns. Holloway's Corn Cure will remove any of them. Call on your druggist and get a bottle at once.

About a Dog License.

The City Executive Committee will shortly be called upon to consider a peculiar case. A resident of St. Alban's Ward (Parkdale) owns a dog. Before annexation he had taken out a Parkdale dog license. When the village became part and parcel of the city a policeman came along and finding that no city license had been taken out had the owner summoned to the Police Court. Notwithstanding the fact that the defendant proved that the Parkdale license was yet unexpired, Magistrate Denison fined him $1 and costs. The Executive will now be asked to refund the amount, which was paid under protest.

For keeping a disreputable house at No. 19 Centre-street, Minnie Anderson was fined $50 or three months; Nellie Diamond, Hattie Smith, Maud Hamilton and Selina Smith, inmates, $10 or 60 days. Samuel Gohanson, alleged to have brought money not his own into Canada from the United States, was discharged, no evidence being offered.

HOW TO CURE HEADACHE.—Some people suffer untold misery day after day with headache. There is rest neither day nor night, and the nerves are all unstrung. The cause is generally a disordered stomach, and a cure can be effected by using Parmelee's Vegetable Pills, containing mandrake and dandelion. Mr. Finlay Wark, Lysander, P.Q., writes: "I find Parmelee's Pills a first-class article for bilious headache."

Baggagemaster Oliver W. Hapgood of the Boston and Albany road was yesterday granted a verdict of $50,000 against the rich Spring-field manufacturer, Horace W. Southworth, for alienating the affections of his wife.

If You Can Find the Cause the Cure is Easy.

Our work speaks for itself, we do not ask the public to accept mere assertions, but in fulfilment of a promise made last March, to publish 600 testimonials of parties who had been successfully treated for Catarrh, Dyspepsia or their consequences, we add one more to those already published. We produce facts backed up by the signatures of good responsible citizens who have been cured; many of whom had been given up as incurable by the medical curealls of this and other cities. We make Catarrh, Dyspepsia and Chronic Diseases our specialty, have made it a lifelong study, take no other cases, and should and do know more about them than physicians who pretend to do everything, from pulling a tooth up. Mr. Alex. Gill of No. 6 Eden Place, who consulted us three years ago, he suffered from dyspepsia with all its bad symptoms, the result of enlargement of the liver, and catarrh, had pain in the left lung, headache, dizziness, pain in the back, legs and arms, was tired and done out on the least exertion, had no appetite, was gradually losing weight, had no ambition, and had almost concluded there was no hope, when he consulted us, but after a few weeks' treatment on our plan was a well man and to-day is the picture of health. He was surprised, his friends were surprised, and to-day he and his friends are our friends and patrons. This is only one of the thousands suffering from the same trouble who might be cured should they consult some honest physician who makes a specialty of their diseases, and aims to remove the cause instead of intrusting their lives to a man who directs his treatment to the symptoms. Our address is 198 King-st. w, (old No. 170.) Office hours: 9 a.m. to 8 p.m.; Sundays 2 to 4.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.
