MR. WARNER'S CRICKETERS

Athletic English Gentlemen Arrive From Montreal—Ready for Their Game at Rosedale.

Mr. P. F. Warner's English team arrived in the city Sunday morning from Montreal, and are stopping at the Queen's Hotel, and will play against an eleven chosen from Ontario on the Rosedale grounds to-day and the two following days. They have quite recovered from their rough passage, and will likely make a big score and show fine cricket the next three days. The wicket in Montreal was not by any means a good one, and, just coming off the boat, without any practice, they made a very good showing against the Province of Quebec. The match will commence to-day at 12 o'clock noon. They will adjourn for lunch at 1.30 and resume play again at 2.15.

Yesterday they were taken out to the Toronto Country and Hunt Club and entertained at luncheon by Messrs. T. C. Patteson and G. W. Beardmore. To-night they will be taken to the theatre. On Tuesday evening Mr. A. R. Creelman, Q.C. (President of the Toronto-Rosedale Club) will dine both teams and some old cricketers at the Toronto Club. On Wednesday they leave for Niagara Falls, and, after spending a few hours there, on Thursday will go to Philadelphia, where they will try their conclusions against all-Philadelphia at Wissahickon.

They are a fine, athletic-looking lot of men. All gentlemen cricketers and lovers of the good old game will turn out to see them. The teams are:

Ontario XI.—D. W. Saunders (captain), G. Lyon, W. E. McMurtry, P. C. Golding-Bull and W. R. Wadsworth, Toronto-Rosedale; A. Gillespie, J. L. Counsell and W. Marshall, Hamilton; A. G. Chambers, Toronto; A. W. Mackenzie, Toronto University, and A. J. Hills, U.C.C.

Mr. P. F. Warner's XI. will be chosen from the following: P. F. Warner (captain), Middlesex and Oxford University; V. T. Hill, Somersetshire; F. Mitchell, Cambridge University and Yorkshire; C. J. Burnup, Kent and Cambridge University; C. O. H. Sewell, Gloucestershire; E. H. Bray, Middlesex; B. C. Lee, Hampshire and Oxford University; B. J. T. Bosanquet, Oxford University; E. F. Penn, Old Etonians; J. L. Ainsworth, Marlborough Nomads; G. E. Winter, Cambridge University, and A. Warner, Oxford University.

Umpire—A. H. Collins, Toronto.

A Draw at St. Alban's.

Parkdale and St. Alban's played a drawn game on Saturday afternoon on the ground of the latter club. The home eleven won the toss and went to bat first, making 135 runs, Parkdale's fielding although with occasional brilliant exceptions, was decidedly off-color, three weeks without practice being the only excuse. For the winners, Ledger, James Edwards, Wheatley, W. H. Edwards and Hilliard each batted well for their runs. Only half an hour remained for Parkdale, who made 40 runs for two wickets when time was called, Chambers and Dean each getting 18 runs, the former being not out and playing very fine cricket. Score:

Victory for Woodbine.

The Woodbine Cricket Club defeated the Mimico Cricket Club in a one-innings match on Saturday. Score, 66 to 13. The bowling of Harrison and Hopkins for the Woodbine was very effective, the former getting five wickets for five runs, and the other taking five for six runs.

Must Be the Final Shot.

Sporting Editor World: In your columns to-day there appears a letter from Mr. Cameron, the field captain of the Athletic Lacrosse Club of St. Catharines, admitting that Mr. Timmons, who signed the former letter or "statement," was not a witness of the match on Labor Day here. If Mr. Timmons got his facts from hearsay Mr. Cameron appears to get his from imagination. He says the newspaper reports of the match no doubt came from my pen. I do not remember that I ever reported a lacrosse match in my life; certainly I have not done so this year. I should suppose that the newspapers get their reports in their own way, and I ask you to bear me out in the statement that the report sent you did not come from any official of our club. These are as follows: Hon. President, W L Walsh; President, Dr T H Henry; Vice-President, J W H Smythe; Secretary-Treasurer, J N Fish; Executive Committee, George Robb, James Armstrong, W G Kearns. Our club can see nothing to be gained by reiterating our denial as to any offer to corrupt the St. Catharines Club. Certainly we have no two hundred dollars to burn.

Let Mr. Cameron make his charges and produce his evidence in the proper place, as we have suggested. Until then we should think your readers might be spared further reference to the matter. J. N. Fish, Sec. D.L.C.

Closing Scenes in the Eastern League Play.

Wally Taylor Goes to Hamilton After Players for Next Year—Arthur Irwin and His Aides Off to Washington—Ottawa and Toronto Each Won a Game to Wind Up Season.

Saturday saw the closing scenes at the Island of the Eastern League baseball season of 1898. The crowd was loyal, though not so large as usual on Saturdays owing to the very strong counter attractions at Rosedale and the Woodbine. Both the Ottawas and Torontos will disband here, many of the players picking up short jobs in other leagues.

Addie Richardson came up from Hamilton Saturday and signed Shortstop Gatins of Toronto and Outfielder McHale of Ottawa to finish out the season with President Stroud's team. This was necessary, owing to the desertion of Marr Pulsips and the illness of Schrall.

Cooney Snyder may finish the season with St. Thomas. Of course all these players are under reserve in the Eastern, being only farming in the Canadian League.

The Canadian League season will likely end next Saturday, and a lively week is ahead. Chatham plays Monday and Tuesday at Hamilton, Hamilton plays Wednesday and Thursday at St. Thomas and London plays Friday and Saturday at Hamilton.

Arthur Irwin and his coterie of Toronto ball tossers will leave for Washington today, the island magnate taking charge of the Senators on Wednesday. Asked on Saturday if there was any chance of returning to Toronto next year, Mr. Irwin replied that he thought not. This will be emphasized by the fact that Wally Taylor goes up to Hamilton to-day to size up the Canadian League players who are working at Dundurn Park. Mr. Irwin will retain his stock in the club with Taylor in full charge as players' manager, and Directors Soole and Campbell controlling the financial end of the game.

Final Games.

Chilly weather greeted the small and loyal crowd of fans who went over to Hanlan's Point Saturday afternoon for the double header between Toronto and the Caps that wound up the championship Eastern League baseball season. Baker was the only pitcher who was not pounded, and he won his game handily. Both sides slugged in the second, but the visitors slugged the oftener and walked away with a victory.

Hamilton Again on Top.

London, Sept. 10.—London's costly errors in the early part of to-day's game were responsible for Hamilton's victory. Up to the fourth innings only four hits had been made off Hagerman, yet Hamilton had scored seven runs. Laroque's men solved the blacksmith's shoots in the latter stage of the game, however, and came pretty near winning out. As a result of to-day's loss London slumps to third place, while St. Thomas and Hamilton are almost tied for first place, the former being but a few points behind. Score:

St. Thomas Beat Chatham.

St. Thomas, Sept. 10.—About three hundred persons sat shivering for two long hours at Atlantic Park this afternoon. It took eleven innings to decide the winner, the Saints coming out on top, and by doing so stepped into second place. Gallagher's hitting for the visitors was a feature. Sullivan was replaced behind the bat by Lyons, the former getting one of his fingers split. Score.

Who Won the Second.

Montreal, Sept. 10.—Six thousand people attended to-day's games, the stand being crowded to overflowing. Buffalo won the first game on close decisions by Gruber, backed up by most opportune hitting. Gruber did not stay to umpire the second game and two players replaced him. In Buffalo's half of the sixth Brown, who was at the plate gave some peculiar decisions and wound up by calling Henderson safe at the plate when he was out by a yard. Montreal was easily disposed of in their half, and then Brown called the game on account of darkness, while Butler forfeited it to Montreal on Buffalo's refusing to continue. Scores:

Homing Pigeons Race.

The fourth race on the schedule of the Queen City Homing Pigeon Club for young birds was flown off on Saturday from Forest to Toronto, 145 miles. The competing lofts met with rather indifferent success, owing to strong head winds, and few returns were made. The express agent at Forest acted as liberator, and released them at 11.30 a.m. The returns were as follows: J Magee's Big Bell, 5h 45m.; G Kemp's Market Bell, 6h 10m.; E Farrell's Black Diamond, 6h 25m.

The fourth race on the young bird schedule of the D.M.P.A. was flown off on Saturday last from Camlachie to Toronto, 155 miles. Mr. Brent acted as liberator and released the pigeons at 12.05 noon. Returns were very poor, the few that showed up being as follows: Mr Charles F Kinsey's Slapping Sal, 5h 4m.; S Allison's Charlebois, 5h. 7m.; J Turvey's Miss Toronto, 5h. 10m.; W Tait's, no report; E Sparrow's, no report.

MARTIMAS WAS BEATEN.

Weight Proves Too Much for the Great Hendrie Colt.

With Taral in the Saddle Instead of Lewis—The Great Eastern for 2-Year-Olds Won by Black Venus With Ethelbert Second and Martimas Third—Last Day at Sheepshead Bay.

New York, Sept. 10.—Perfect weather, a fast track and a good card, that abounded in both quality and quantity, attracted a large crowd to the closing day of the Sheepshead Bay meeting to-day. Two stakes were down for decision—the Great Eastern, for 2-year-olds, and the Autumn Cup, for 3-year-olds and upwards, at two miles.

Fourteen of the best 2-year-olds in training faced the starter in the Great Eastern with Black Venus a hot favorite, and Martimas, the Futurity winner, second choice. After a short delay at the post they were sent off to a good start, and Black Venus, rushing to the front, at once made all the running and won well in hand by a length and a half from Ethelbert and Martimas who finished heads apart in that order. During the race, St. Lorenzo, with Barrett up, fell heavily in the middle of the bunch at the head of the stretch. The jockey died later in the afternoon at King's County Hospital.

The Autumn Cup furnished a sensational finish between The Friar and George Boyd, the latter, with Sloane up, winning in a drive by a neck. The Morris pair, The Friar and Mirthful, were favorites at odds on. The Friar made the running all the way, but George Boyd, with a pull in the weights, got up in the stretch and won in a drive. Summary:

First race, 5 furlongs—Him Tine (Dean), 6 to 5, 1; Composer (Taral), 8 to 1, 2; The Lady in Blue (Spencer), 9 to 1, 3. Time 1.01. Handcuffs, Manlius, Flying Scotchman, General Shafter, Interferer, Little Reggie, Animus, Wild Airs, Menu, Chappaqua, Favonius, The Burlington Route, Elendale, Al Reeves also ran.

Second race, handicap, 1 1-16 miles on turf—Lady Mitchell (Spencer), 4 to 1 and Maxim Gomez (Clawson), 6 to 1, ran dead heat; Lady Mitchell, 4 to 1, 3. Time 1.47 2-5. George Keene, Laverock, Glycerne, Scotch Plaid, Lady Marian and Black Dude also ran. The purse was divided.

Third race, The Great Eastern, over Futurity course—Black Venus, 118 (Sloan), 7 to 5, 1; Ethelbert, 115 (Cunningham), 5 to 1, 2; Martimas, 128, (Taral), 4 to 1, 3. Time 1.09 1-5. Autumn, Ways and Means, Dr. Eckberg, St. Lorenzo, Duke of Middleberg, Rusher, Manuel, Satirist, Presidigitrice, Grey Jacques, Glenheim also ran.

Fourth race, the Autumn Stakes, 2 miles—George Boyd (Sloan), 4 to 5, 1; The Friar (Littlefield), 6 to 5, 2; Sir Vassar (Clawson), 8 to 1, 3. Time 2.32 2-5. Mirthful also ran.

Fifth race, selling, 7 furlongs—Ten Spot (Moody), 30 to 1; Tom Collins (Sloan), 4 to 5, 2; Lajonette (Spencer), 2 to 1, 3. Time 1.28. Orion, Lord Salisbury, Nana H., Manasses, Oxnard, Loftover and Kitt also ran.

Sixth race, steeplechase, full course—Wood Pigeon (Finnegan), 4 to 5, 1; Olinde (Byrnes), 9 to 5, 2; Baby Bill (Dayton) 15 to 1, 3. Time 5.25. Gov. Budd, Rheinstrom and Brown Red also ran.

Zanetto a Winner at 100 to 1.

Fort Erie, Sept. 10.—Surprises were in order here to-day, and it was a sorry and cold crowd which returned from the track this evening. More than three-quarters of the people are still kicking themselves for not having bet on Zanetto, in the sixth race. This colt won easily from Damocles and South Africa and while the speculators were buying Damocles and South Africa tickets at even money, the bookmakers were boosting Zanetto's price to any figure to suit the crowd. Some books offered as good as 100 to 1, but the prevailing odds were about 50 and 60 to 1. Very little money was played on him, and the bookmakers must have reaped a small fortune on the race.

E. Slaughter, owner of Tillie W., was so pleased with the showing made by Zanetto, that when the colt was offered for sale Slaughter bid $200 over the entry price, which was $400. Zanetto's trainer was on the spot and advanced the price the usual $5. Slaughter offered another $200 raise, but the trainer stayed with him, and the price was boosted two more hundred, making the price $1,005. The trainer did not have the necessary money to buy in the horse and took a chance on being able to get the money within the regulation fifteen minutes. He hunted up Rod McMahon, the local bookmaker, and about thirty seconds before the expiration of the time allowance the money was counted out and the horse was given back to the trainer.

THE RESPIRA SHOE

Has a collapsible centresole
Which sinks under foot pressure
And expands when foot is lifted,
Thus acting as an air pump—
Or a pair of leather lungs—
Breathing in fresh atmosphere
And evaporating perspiration
At every footstep.

This Shoe—
Is bigger inside
When the sole is stepped upon
Then when the foot is lifted,
Thus automatically adjusting
The interior size of shoe
To the expansion of the foot,
(Which is like a cushion,
Widening when borne upon).

Walking in "Respira" Shoes
Is like walking on Wilton Pile Carpet.
Foot moisture is evaporated
By the current of air
Forced in and out, through
The action of the collapsible centresole.
